More points for Members

To complement the introduction of high-tech, integrated digital initiatives in the delivery of the Twin Towns Members Advantage Program and members-only promotions and benefits, the Board is pleased to announce that Members Advantage points can be earned and redeemed at ALL Twin Towns dining venues from Friday 1 December 2017.

Contracted restaurants Slice & Fork at Club Banora, Wok Chop & Grill at Twin Towns Juniors and Orient at Twin Towns will join all other Twin Towns food and beverage outlets in offering five Members Advantage points per dollar spent.

Executive Business Manager Rod Pain said the move was a step forward in improving the consistency of members' experiences across all of Twin Towns' properties, including dining venues.

"Members can now earn points at these three additional restaurants in line with all other food and beverage outlets at the Clubs.

Continues on page 5.

Cash them in now!

Don't forget Members Advantage points expire each year on Christmas Day so it's important to use up all your points before close of trade on Sunday 24 December.

Make the most of points you have accumulated throughout the year to purchase food, beverages and/or entertainment.

If you don't have enough points to purchase what you want, you can use 'points and pay' on any transaction. If you are a few points short for your

final purchase of the year, top up with a little cash. In fact, you can do this all year round.

The Bottleshop at the Banora Bar is always popular at this time of year so call in and cash in your points to help stock the fridge for Christmas or holiday visitors.

You can use your points towards meals at any of the Clubs' restaurants and you can now also redeem points when dining at Club Banora and Twin Towns Juniors.

Use your Members Advantage points to dine at Slice & Fork at Club Banora (pictured above), Orient at Twin Towns and Wok Chop & Grill at Juniors.

BOARD CHAIRMAN'S REPORT

Another fabulous year at Twin Towns Clubs and Resorts, thanks largely to the tremendous support and participation from members and community. Without your support, we certainly would not be in a position to provide you with the best facilities and benefits that we do.

On that note, on behalf of our Board of Management, our Management team and staff, may I wish all our loyal members, our community, stakeholders and consultants the best Christmas and New Year possible. We hope you experience a safe and joyous festive season and look forward to you joining us for another enormous year in 2018.

The opportunity to celebrate the conclusion of another great year at Twin Towns Clubs and Resorts happens on the upcoming New Year's Eve night of nights, a perfect opportunity to be with friends and family at the best one-stop-for-everything Club that has all you need to party the night away in a safe and friendly environment.

Our Management team have worked tirelessly to put together a fabulous night of good food, great music and entertainment at all venues for members to welcome in another amazing year of progress with an enormous fireworks display to move from the past and welcome the future.

The year just passed has seen amazing advances in innovation

and technology for the benefit of members at Twin Towns Clubs and Resorts with much more to follow.

Technology is leading the way and although rather daunting for some members, including yours truly, the resulting change means you need to jump on the bus before you get left behind.

Internationally, innovation in technology is advancing at such a frightening speed that if business does not adapt and mobilise with these evolutionary changes, there is simply no chance of achieving success or even surviving.

You only need to go back ten years when most of this current and evolving technology of artificial intelligence (structure data and analytics to drive better business decisions) was just a dream, particularly in Australia.

When the internet produced online purchasing and online banking, phone banking and purchasing, Global Wallets, Social Media, Google, Facebook, Twitter, Driverless Cars, the rise of Robots, Drones, Bitcoin, 3D printing, Cloud, Firewalls, Amazon and the list goes on, all of which was non-existent then but each has resulted in empowering consumers for operational efficiency.

Twin Towns is leading the technology revolution at home to make everything more convenient for member services, commencing with your membership cards that will encourage interaction with

all departments and tills. Your membership card is basically a one-stop-shop with benefits. This complete revolutionary system is evolving now and is expected to be finalised mid-2018. Watch this space.

Most important to remember is that we are here to assist members to understand the new technology, with Management and staff offering tuition starting at the Membership Desk, Show Bookings or at various terminals in the Clubs.

Remember, the Club hosts 'Tech Savvy Seniors' courses in the RSL ANZAC Room to educate members in basic computing skills as a beginning to getting aboard that bus.

Although daunting to many, it's rather easy to follow and after a few simple lessons you will wonder what all the fuss was about. You may even surprise your children and grandchildren and teach them a thing or two.

Two fabulous new full-service restaurants recently opened to complement Signatures Restaurant - Harbour Fresh (Seafood) and Gusti d'Italia (Italian), located on the upper mezzanine level of Flame. There is also the Bliss dessert bar with chocolates and ice-creams and a brilliant wine selection.

Twin Towns is not only breaking new ground with Chef Lloyd's culinary skills but breaking records as well. Remember to book to be assured of tasting the best fresh food catering and homemade pasta around.

The amazing Light Show on the circular face of Twin Towns is well underway in manufacture with an anticipated switch-on date of March 2018.

This sensational interchangeable lighting display should compare

with the Vivid Light Show around the Opera House in Sydney and will certainly attract visitors from far and wide to our corner of the North Coast and Southeast Queensland. Another evolutionary watch-this-space phenomenon!

Mantra Twin Towns has been undergoing a landscaping refurbishment which is almost completed and will be followed by a major undertaking to refurbish the Resort Hotel property, due to commence straight after the Commonwealth Games.

This Hotel refurbishment will also include a total foyer and entry upgrade, along with an upgrade to Terraces to be established on the under-utilised garden area located on the northeast corner of level one behind the Tweed Events office.

The Hotel rooms will be refurbished as part of this major quality upgrade with costs being finalised for Board approval, lifting standards to attract guests and benefit members.

After the million-dollar upgrade of the Slice and Fork Restaurant and ablutions at Club Banora, the Club hasn't looked back with increased dining and lounge space, new furnishings and fabulous food leading to a dramatically improved appeal resulting in escalating revenue.

Parents retreat, namely the kids' space on the old bowling green, attracts many special family celebrations under the enclosed outdoor cabanas, followed by wining and dining in Slice and Fork, resulting in Banora becoming a great meeting place.

Ongoing maintenance of the Golf Course, Tennis Courts and Bowling Greens, including our world class Oasis Pools complex, continues vigorously, improving standards for members and the community.

So why not make use of these facilities or better still, join one of Twin Towns' Internal Sports and Social Clubs for great camaraderie and make some long-term friendships.

Never to be forgotten, Twin Towns Juniors with continual upgrading has it all, again proving great family space under the two profound pavilion structures. Add the Wok, Chop and Grill dining experience and overall, it's the best little complete Sporting Club around.

We await the go-ahead from developers for our proposed new greenfield club at Cobaki with our much-awaited Child Care Centre but cannot suggest a time schedule at present.

Christmas and New Year will be upon us before we know it so why not plan ahead for a fabulous night of frivolity in a safe environment.

Responsible Service of Alcohol under the Liquor Act is strictly monitored all year round with dramatic ramifications for Club personnel not administering regulations, resulting in severe penalties for Management and staff.

Consequently, security personnel and all concerned must be vigilant to minimise issues that may arise from excessive alcohol consumption.

New Years Eve is no different to the rest of the year so be assured our team will look after all patrons, highlighting security and safety to ensure a great evening is had by all.

Good health, Merry Christmas and a happy New Year and may all members and stakeholders return safely to experience another evolutionary year at Twin Towns Clubs and Resorts in 2018.

FEATURED CLUB

Time for Tennis at Club Banora

Club Banora Tennis juniors have been busy competing in their in-house competition. Saturday morning comp has seen many new faces playing tennis for the first time. The experience really helps them learn skills as well as tennis etiquette. Saturday morning 2 December will see them enjoy their Christmas party with fun, open court hitting, a ball machine and a visit from Santa.

Club Banora's Tennis Christmas get together will be held in the Club House on Sunday 3 December. The morning will begin with Sunday social tennis at 8am and continue with celebrations starting at 11.30am.

Twilight tennis has begun on Saturdays. It will continue over the next couple of months and is open to all Tweed District Clubs and visitors. Times will be posted on the club noticeboard so check details.

Banora's Tuesday Ladies Good Time Girls and the Sun Shiners are looking to qualify for the Tweed District finals. We wish them all the best!

From 8 - 12 January 2018, Banora will host the Queensland Masters. This will be a great opportunity to see some of Queensland's best players compete. Some of our own members are participating so come on down and show your support. Our committee and members are already getting organised for this event. New umbrellas and scoreboards have been purchased to set the scene. Blue and white Club shirts are still available for order, so make sure you wear yours as there will be plenty of maroon shirts from Queensland.

The summer of tennis marks the time when we all should be grabbing that racquet and heading down to Banora for a hit, practise,

a social game or a competitive match. Court hire is only \$7.50 per hour during the day or \$10.50 per hour at night.

Come down on Sunday (mixed), Wednesday (men) or Thursday (ladies) from 8am for organised social tennis and meet many of our friendly members.

Thursday night from 6.30 pm is another opportunity for mixed social tennis. Saturday afternoon tennis for the District will commence early February. The Tuesday Ladies comp will also commence early February.

If you are interested in playing for either event, phone Stephanie on 0409 270 126 or see the noticeboard for further details.

Many thanks to Club Banora for their continual maintenance of our great venue. Our facilities and surrounds are kept in excellent condition.

Stephanie Edwards and Eileen Brown at the Tennis Club's 30th Birthday celebrations

200 between them and bowling on

Two Twin Towns favourites celebrated milestone 100th birthdays last month.

Centenarians Herb Young and Frank Birkin, both retired to the Gold Coast from Sydney, both bowl, both like to keep busy and both have a no fuss attitudes to longevity.

Herb celebrated his 17 November birthday at a gathering held by Twin Towns Men's Bowls Club at Club Banora.

Sydney born and schooled, the Federal Match Company sales manager retired to Tweed in 1979 aged 62. He was a district pennant player, Treasurer of Twin Towns District Bowls Club for six years and president for one.

"We see Herb once, sometimes twice a week," said Twin Towns Men's Bowls Club President Ian Blackeby.

"He's the first club member to make 100 so far as I know, though we've a few in their 90s."

"He plays with a group from the RSL club. They all play together... a good tight group. He doesn't play a full game, but he still likes to roll a few balls down the green when he can and he still enjoys a scotch."

Meanwhile, Frank Birkin still lives at home, drives a car and plays bowls three days a week. If there's a secret to long life, it's about keeping busy, he said.

"The trick is to make sure your waist never measures more than half your height," said Frank.

"You never see a fat person over 90 and you'll see very few big people that make it that far."

An engineer by trade, Frank ran his own poultry farm, had a milk run and drove a delivery truck.

"I retired aged 42 and had a 12-year holiday. Then, I decided I needed a change," he said.

"I took a job driving security trucks three days a week. I did that until I turned 67. That's when they retired me ... said it had something to do with insurance."

Just a few days shy of his 100th birthday, Frank graduated from Twin Towns' Ace Community

Colleges Tech Savvy Seniors course.

One of about 60 over 70s who enrolled in the course to learn about email, online shopping, social media and more, he surprised coaches with his speed on the uptake and even managed to offer a helping hand to those slower to find their way around the technology.

"I bought my computer three years ago. I wouldn't say I get around it easily. There's always more to learn, but email, that's easy enough and I like it. I have about 6000 emails stored away."

"I know most people read an email and delete it, but not me. I like to save the good ones ... iCloud wouldn't let me keep any more so I had to change to Gmail."

Frank is living proof you are never old to find your way around a computer. If you see him around the Clubs, ask him about the benefits of being a 'Tech Savvy Senior'.

We're sure he will have a hundred or so reasons why you're never too old to learn.

More Tech Savvy Senior Courses will be coming up at Twin Towns in the New Year.

Frank Birkin, with Geoff Provost, Member for Tweed, and Glenn Hare and Robyn Keenan from ACE Community Colleges.

Herb '100 years' Young celebrates his birthday at Slice & Fork at Club Banora.

Oasis of NYE fun for the kids

The coolest spot to spend New Year's Eve this year will be Oasis Pools at Club Banora, where families can enjoy an early celebration with fireworks, live entertainment and hours of water-

logged fun for the kids.

The New Year's Eve Pool Party kicks off at 5pm NSW with music poolside from 5.30pm-9pm NSW.

Oasis Pools' giant inflatables will

be set up for the party (weather permitting) and a massive early fireworks display will get underway at 9pm NSW.

Pack your own picnic or Oasis Pools will be firing up the BBQ with hamburgers and a sausage sizzle available for purchase on the night.

Party under the stars and share a great evening with the kids, family or friends.

Admission is \$7 per person (adults and children) or \$25 for a family of four. The pools close at 10pm NSW.

Be there when the gates open for the best grassy seats in the house for the fireworks. Pool entry closes at 8pm NSW.

Counter Strike: Global Offensive

Twin Towns has become the first Club in Australia to woo eSports fans with a weekly tournament for gamers who battle it out on the big screens at 1st on Wharf.

The Club has been actively pursuing this exploding market in recent years and has invested in high-spec hardware to grow eSports to full team events.

Fans of Counter Strike:Global Offensive (CS:GO) can battle it out one-on-one every Wednesday night for cash prizes.

CS:GO is one of the most played games in the world and features amongst the biggest eSport tournaments played across the globe.

The eSports market is the fastest growing industry sector in Australia, generating nearly \$3

billion in revenue in 2016 and seeing hundreds of millions of active players daily around the world.

Twin Towns Group Gaming Manager, Tim Richardson said eSports isn't just about playing against people and teams online, but getting out with your mates to a venue where you can play against each other and see who comes away with the bragging rights.

"If you don't have friends living locally to form a team, the eSports team will build one for you on the night," said Tim.

Players can register from 5pm Qld before the draw and matches commence at 6pm Qld. Entry is \$10 with half the fee returned in a venue voucher.

"Members Advantage Points and \$10 Birthday Bonuses, along with Twin Towns gift cards, can also be redeemed at these restaurants," he said.

"Previously the exclusion of Orient, Slice & Fork and Wok Chop & Grill from the Members Advantage Program has caused confusion amongst members as to where they can earn and redeem points.

"Bringing all the restaurants under the Members Advantage Program will provide consistency across all Club dining outlets and further enhance the benefits available to those who choose to be members," said Rod.

Before your Members Advantage points expire at close of trade on 24 December, you can use them to dine at one of these restaurants.

MASTERS SWIMMING

It has been said "when you get older time drags along". How wrong when you are a Masters Swimmer - always something going on. Come along and see what a happy lot we are, as well as enjoying fitness. The results are in for the British One Hour swim. This is an International postal swim, so the results take longer as there are plenty of competitors. Janet came third in her age group, Freda second, Elaine first and Brian tenth. Well done!

Presently five of our swimmers are attempting the "uphill" postal swim - two 400 metres, two 800 metres and one 1500 metres. Quite a feat and what a legend our new member Karen is, going to have a go. Good luck! Fourteen swimmers have left for the Murray River Cruise and also over to Kangaroo Island. A great outing for them all. Merry Christmas to all and enjoy our last Birthday morning on 9 December where we all get a present from Santa.

RUNNERS & WALKERS

We entered a team in the Annual Kids in Need Dragon Boat Races on 26 November. We had a great time doing something out of our comfort zone and for such a worthy cause. December is busy with our Christmas Party on 2 December and marshalling the southern end of the GC50 run on 10 December. With the summer upon us remember it is important to keep hydrated. Where possible we run our longer Sunday runs along routes that supply water or provide a water station. Wishing all our members, past and present, a safe and happy festive season. We are a friendly group of runners and walkers and new members are always welcome. We meet three times a week and cater for all ages and levels of fitness. Come run or walk with us for up to three times before you need to commit. We also enjoy social interaction outside the meets. Check us out on Facebook or

our website ttsrunnersandwalkers.org For enquiries, contact Secretary Tracy Mo 0414 590 940.

LADIES BOWLS

As the year comes to a close, and Christmas is almost upon us, the competitions are completed for 2017. We congratulate all winners including the winner of the Novice Singles for 2017 Judy Foad. A very successful fund-raising day was held in October, when the ladies gave up their bowls to enable them to work for a good result. Presentation Day was held on Friday 24 November and the Christmas Break up will be Friday 15 December. The club will then go into recess for Christmas. Bowls will resume on Tuesday 16 January. I would like to take this opportunity to wish everyone a very Merry Christmas and a very healthy and happy New Year.

CLUB BANORA GARDEN

The succulent scene is upon us; if you haven't tried your hand with this very forgiving plant, give them a go. Buy a bag of suitable potting mix and let the family know of your new hobby and hopefully you will be inundated with lots of baby plants for Christmas and you can create a very interesting section in your garden, pot or hanging basket. Be aware that there are shade lovers and sun lovers so take note of the label. These little plants take on a different colour when stressed. Check out the different families such as howorthia, sempervivum, echeveria. And then there is the cactus. Gardening is such an interesting hobby and so good for your serenity. Our 6 December meeting will be held with our Christmas Luncheon at Twin Towns, 11.30 NSW. This is when the point scores are announced. To all club members, Happy Christmas from our club to yours and we hope you will join us next year from 6 February. Put this date in your diary. Enquiries to President Maria on 07 5524 8234.

December Movies

Some of the talked about films of 2017 land on the big screen at Twin Towns in December. They include the Gold Coast filmed fifth instalment of Disney hit **Pirates of the Caribbean: Dead Men Tell No Tales.** Johnny Depp reprising his role as Captain Jack, searches for the magical Trident of Poseidon to release its powers and stop his nemesis Captain Salazar (Javier Bardem) before he makes good a plot to kill

every pirate on the high seas. Changing pace, Richard Gere garnered some of the best reviews of his career in **Norman: The Moderate Rise and Tragic Fall of a New York Fixer.** Gere's titular fixer helps a rising star of politics who goes on to become a prime minister who remembers the man who did him a favour with mixed results. The film was penned and directed by young Israeli filmmaker Joseph

Cedar, creator of 2012's Asia Pacific Award-winning film Footnote, making his English language film debut.

The Promise, set during the last days of the Ottoman Empire, follows a love triangle involving a medical student (Oscar Isaac), a beautiful woman and a US journalist based in Paris (Christian Bale).

Penned and directed by Terry George (In the Name of the Father), the film was intended to draw attention to the 1915 slaughter of 1.5 million Armenians in the Ottoman Empire.

4 DECEMBER PIRATES OF THE CARIBBEAN: DEAD MEN TELL NO TALES (M) Action adventure stars Johnny Depp, Geoffrey Rush and Javier Bardem.

11 DECEMBER: NORMAN THE MODERATE RISE AND TRAGIC FALL OF A NEW YORK FIXER (M) Drama thriller stars Richard Gere and Michael Sheen

18 DECEMBER: THE PROMISE (M) Historic drama stars Oscar Isaac, Charlotte Le Bon and Christian Bale

25 DECEMBER: NO MOVIE ON CHRISTMAS DAY

Entry to Twin Towns movies is \$5 for members and visitors, with members receiving their \$5 entry fee back in Twin Towns dollars. Twin Towns dollars can be spent on food and beverages throughout any of the Clubs – Twin Towns, Club Banora, Twin Towns Juniors or Signatures at Mantra. Crowds gathered on both sides of the border to honour Remembrance Day on 11 November 2017. Two services were held at 11am, one in Chris Cunningham Park at Tweed Heads and one at Queen Elizabeth II Park in Coolangatta.

In 2018, Remembrance Day will mark the centenary of the end of WW1 and major plans are already underway at the RSL Sub-Branch and Twin Towns to commemorate this milestone.

More news on this in Club News next year.
