BOARD CHAIRMAN'S REPORT

Another potentially fabulous and rewarding New Year beckons with plenty on offer in 2018 at Twin Towns Clubs and Resorts. With your continued support we will make it happen.

It would appear the world is in a state of uncertainty when you consider the Brit's issues with Brexit, Merkel's power struggle in Germany, the Middle East and Afghanistan debacle, the rise and fall out of ISIS, President Trump's view on the world, not to mention North Korea and the chaotic governance of the African Nations.

Here at home in Australia, the traditional tried and true political statesmen of old are sadly missing in our States as well as nationally, resulting in no true determining government or powerful party leadership for the benefit of the people and communities leading to much political disruption and uncertainty. Perhaps I best leave the ongoing dual citizenship debacle for another time.

Despite all this, business seems to be moving forward, encouraged by low interest rates along with superannuants' reliance on stock markets for retirement benefits producing good returns proving to be good economic support.

From a gaming industry perspective, we have an industry anxiously awaiting the outcome of a court case between an Adelaide lady challenging Aristocrat and Crown Casino on the psychological validity of gaming machines, the outcome of which may have major ramifications for clubs.

Despite this, the club Industry couldn't be in a better space politically with both NSW major political parties and both major federal parties supporting the not-for-profit community club industry generally.

Many clubs, especially in metropolitan areas, are diversifying to expand their revenue source and to minimise their reliance on their core business of gaming. Low interest rates are certainly encouraging expansive renovations in food courts, child care centres, retirement villages, resort accommodation, shopping centres, medical centres, gymnasiums and other business opportunities.

Many clubs experiencing financial difficulties are amalgamating with a strong parent club to avoid insolvency, to reinvest and reinvent the struggling club and to build a relationship and support communities. This

amalgamation strategy is occurring in regional as well as metropolitan areas across the state.

Twin Towns is reinvesting in diversity in all Clubs and the Mantra Twin Towns Resort, to ensure members have the finest facilities to encourage support and future-proof Twin Towns for future generations. The Board considers the futile exercise of trying to grow a much-needed, diversified revenue source through the sought-after approval and construction of a commercial entity on the eastern side carpark in front of Club Banora alongside Leisure Drive a waste of management and consultants' time and members' money.

Despite having outlaid over \$650K in seeking approvals over the past eight years, and having an enthusiastic nationally-recognised tenant that would provide multiple job opportunities, there is no light at the end of the tunnel, providing too uncertain a risk with local authorities to pursue further at this time.

Perhaps in time, a change in local government protocol/processes may provide a light at the end of the tunnel to warrant a continuance to benefit all concerned.

In the meantime, the Board is seeking business opportunities interstate around our core business expertise to grow diversified revenue streams on the basis that without continued growth as the golden rule states, we will stagnate and go backward.

With this in mind, we still anticipate the great opportunity at Cobaki to establish a new club and child care centre when Leda

Development presses the "GO" button, while Banora remains a most important strategic option for future consideration.

Twin Towns Juniors, having already been granted a development application approval, is awaiting the appropriate time to move forward. Due to Juniors being in a risky, low-lying land area subject to flooding, at some future date, the approved development application provides for a new two storey club, which will minimise the risk of flood inundation and provide members with a grand view over the playing fields from upper levels.

It would also be the Board's intent to provide the latest in modern facilities that members have come to expect. Discussions continue on timing.

On 4 December, as part of our regular presentation to Internal Club committees, the Board and management undertook to inform over 100 dedicated volunteer committee representatives on the strategic direction of the Club for the immediate future, which they in turn pass on to their respective members.

With Twin Towns experiencing another successful financial year, the internal club grants were announced for each club for the year ahead for the benefit of their members, on the understanding that as funding is provided by members, monies should be put back into their clubs.

The digital revolution presentation taking business by storm that Twin Towns Clubs and Resorts are slowly adopting was somewhat daunting. However, participants

were assured that all members would be assisted and nurtured along the journey to create an environment much more simplistic and practical for future club processes to benefit members.

Following presentations from Rob, Rodney and yours truly, some Christmas cheer and a light snack were well received before departure.

Last but not least, Twin Towns Clubs and Resorts' not-for-profit community Club Grants Donations, which is a State Government initiative, including general donations for the year ending 31 August 2017, amounted to almost \$1.1 million.

Funding covered worthy charitable organisations, junior sport and local schools, with a number of 'In-Kind' donations all overseen by the Local Club Grants area committee.

In addition, over the past 10 years, Twin Towns Services Community Foundation has donated almost \$3 million to local organisations, including \$215,400 in 2017 to medical research that may benefit each and every member over time.

On behalf of our Board of Management, I wish our supporters every success that 2018 has to offer, and given my opening remarks, we wish the same for the world in which we live and the great nation we all share. We are blessed as a nation and must never lose sight of that.

The very best of health and I look forward to catching up around our clubs.

Michael Fraser

# Twin Towns Bridge Club

Bridge Club's Lindsay Hibbard accepts his Medal of Honour

Earlier this year, one of our oldest Bridge members, Lindsay Hibbard aged 91, received a Medal of Honour from the French Government for valour during World War II.

Lindsay was driven to the French Embassy in Brisbane to receive his medal followed by a very nice afternoon tea.

We are all very proud of Lindsay although he is very shy about his achievements.

Our President, John Verdickt, is still working very hard to ensure our club stays financially supported by a team of committee members.

Although we have lost a few of our valued members this year, our club continues to provide a game of cards that challenges us to keep coming to play.

Our yearly congress was held last May with a very impressive turn-out of 22 tables and was voted a great success. The winners were the Askew team, Kable team 2nd and Read team 3rd.

We have also had several Red Point events throughout the year with a very good turn-out of players.

Our Annual General Meeting for 2018 will be held at Twin Towns Juniors on 7 March, where a new committee will be voted in for the coming year.

The success of our club is also due to the hard work of our Directors, without whom we would not be able to function successfully. Many thanks to those workers.

Our committee for this year is President John Verdickt, Vice President Jan Haran, Secretary Tom Lyons, Treasurer Peter Walsh and committee members Val Welland, Denis Magee and Ray Thorley.

Once again, we thank Twin Towns for all the support they give us throughout the year.

Thanks also to our sponsors: Jennifer Meagher from 1st National Real Estate, Marjorie Stubbs, Brian Coleman and Eastern Funerals. These sponsors enable our club to give back to our members.

# Australia Day Pool Party

Spend Australia Day 2018 at the coolest spot on the Tweed.

Oasis Pools at Club Banora will hold their annual Pool Party on Friday 26 January, so round up a group of family or friends and get together to celebrate how lucky we are to live in this great country.

Pack the fold-up chairs, the picnic rug and beach towels and relax

by the pool while the kids enjoy a swim and play on the giant inflatables (weather permitting).

The Australia Day party would not be complete without the traditional Aussie BBQ. Oasis Pools has it covered and the BBQ will be sizzling in true Aussie style with steaks, snags, bacon and egg burgers and more available for purchase.

The Oasis Pools Australia Day Pool Party is always a popular event for local families so plan to arrive early to grab your favourite spot.

The pool opens from 7am NSW and the Pool Party takes place between 11am and 5pm NSW.

Admission is \$4.50 for Twin Towns members (\$5 for non-members) and \$4 for children.

Fun for all the family on Australia Day at Oasis Pools.

# Ladies Bowls gets social

Twin Towns Ladies Bowling Club has announced the introduction of new class of Social Membership at just \$30 per year, a move which is hoped will bring about a surge in membership, encourage older members to keep bowling and younger members to join the Club. Veronica Power, Honorary Secretary of the Ladies Bowling Club, said they had conducted a club-wide survey on whether they should introduce Social Membership, which was included in the revised

Twin Towns Services Ladies Bowls Constitution adopted in 2016. "The result," she said, "was a conclusive yes."

The Twin Towns Ladies Bowling Club celebrated their 33rd birthday in November last year, having first played on their greens at Club Banora on Melbourne Cup Day 1984.

The Committee of the Ladies Bowling Club hope their existing members will share the news with friends and family, and encourage

them to give bowls a go at Club Banora at a yearly fee that is now affordable to all.

Social members will not be eligible to play in bowling competitions.

The Ladies Bowling Club now join the Mens Bowls Club in offering a Social category of membership.

For more information about becoming a member of Twin Towns Ladies or Mens Bowling Clubs, contact the Twin Towns Membership Desk on 07 5536 2277.

# Next gen bowlers at Club Banora

After completing the last term of 2017 playing weekly bowls at Club Banora, 20 enthusiastic students from St James Primary Banora Point quickly learned the difference between a back bowl and the bias, a dead end and the draw shot, and many found out the hard way that 'foot fault' isn't just a term used in tennis.

The St James students from years 3 to 6 chose Lawn Bowls as their elective sport as part of

their school curriculum.

They discovered firsthand the challenges of lawn bowls the watchful eye of coaches - Twin Towns Board Director and bowler, Ross O'Leary, John Hutchinson, Leo Carroll, Joe Procko and Neil Rackham.

Ross O'Leary said it's great for Twin Towns to be involved in the community and work with local schools.

"The children from St James Primary School were so keen to learn

and we could see a remarkable improvement in their technique by the end of the eight weeks.

"It was encouraging for the sport to see Club Banora's bowls greens awash with a sea of young faces," said Ross.

The coaches hope to see the kids back at Club Banora during the school holidays, playing barefoot bowls with their families and showing off their new lawn bowls skills.

# Married to the pasta

Meet the mum and dad chefs whose authentic Italian eats are wowing diners at Twin Towns.

Otello Mancini and wife Valentina ran a bistro in Rome before a family holiday at Burleigh beach changed their lives. From the day they got home, they were determined to return to the Gold Coast.

"We love it here, not just for the sea and beaches, but for all sorts of things you have in Australia we do not have at home. We can make a life for our children here that they cannot have in Europe," Otello said.

Otello joined Twin Towns as a sous chef in early 2016 and was soon offering authentic Italian pizzas alongside the regular offerings at the Flame pizzeria.

In 2017, Otello was tasked with leading the set-up of an Italian restaurant at Twin Towns, Gusti d'Italia, which opened in October.

Since day one, the restaurant has earned rave reviews from members and locals who are relishing every opportunity to enjoy Gusti d'Italia's traditional and contemporary Italian fare.

Gusti d'Italia has an open kitchen, where Otello and his team prepare authentic Italian dishes made with

only the best and freshest local meats, seafoods and produce in full view of the diners.

Highlights on the menu include the Baked Lasagne, featuring layers of Valentina's pasta fresca, oozing with saucy beef and cheesy béchamel sauce and finished with parmesan and mozzarella; and Pappardelle Bolognese - thick cut pasta served in a classic bolognese sauce made from carrot, celery, red wine and beef, simmered slowly for "a very long time" and reduced to saucy goodness.

Otello said he and his wife have changed their lives, their culture,

their country, but now they're settling in.

"We still struggle with the language, but for our children, it is easy. Already they joke with us and say we can't speak the language. Amazing."

Before heading through the doors of Gusti d'Italia, diners should swing by the Gusti Pantry, an open view workplace where staff, including Valentina, make all styles of fresh egg and flour pastas as they have been made for centuries. The Gusti Pantry also sells take-home packs of fresh pasta and sauces.

Lunch Wednesday to Sunday from 11.30am Qld; dinner Wednesday to Saturday from 5.30pm Qld. See right for booking details.

Otello and Valentina Mancini bring the tastes of Italy to Twin Towns.

I hope Santa was good to everyone and a happy New Year to all. As always, the Christmas breakup party was a great success and it's back to bowls on 6 January. A great time was had by all celebrating Herb Young's 100th birthday. Thanks to Twin Towns Services Club for the coverage they gave in Club News. Bowls Queensland also gave space in their Bowls Magazine for the presentation of the wonderful medal they

presented to Herb, who told me he is slowly making headway in reducing the level of the bottle of scotch!! The AGM will be held on 13 March so please give some consideration to standing for the Committee. The club does not run itself. To those on the sick list - get well soon, and I hope 2018 is good to everybody.

It is time to say a big thank you to our hardworking Committee for the year. David (President), Freda (Secretary), Lyn (Treasurer), Leonie (Registrar), Allaine (Coach) and Sue who wears 'many caps'. Endurance Officer and Social Officer who arrange all our outings including picnics, Tivoli shows and has just done a wonderful job arranging the Kangaroo Island and Murray River trip for fourteen. They all

came back with smiling faces. Thank you to Janet and "little" Betty, also Barbara for keeping the kitchen going. Ken does a great job keeping the albums going with photos of the Club's achievers for anyone to browse. They go back quite a long way.

Our first trip will be on 5 February to Ballina. Hope you all had a Merry Christmas and a happy New Year as we look forward 2018. Guest Speaker for February meeting will be Sharyn Martain from Proud Mary River Cruise (extended trip for 2018). Note: phone calls Tuesday to Friday 10am 4pm; Membership and new members Ursula 07 5576 3785; Welfare Del 07 5534 4756; Tour & Social Organiser 07 5590 9301.

## LADIES BOWLS

I trust everyone enjoyed a Merry Christmas and looking forward to a happy and healthy New Year. As the AGM will be held on

Tuesday 6 March, all positions will become vacant. Nominations are open for all positions on Executive and Committee for 2018. Competitions for 2018 will commence following the AGM and the Calendar of Events for 2018 announced. The Club is in recess and play will resume on Tuesday 16 January. Happy New Year and good bowling.

**Hilary S, Publicity Officer**

## DIGGERS SWIMMING

Are you looking to get fit after enjoying too much Christmas cheer? Consider joining us at the Oasis Pools at Club Banora any Sunday morning at 8.15am NSW as we are always on the lookout for new members. Swimming is well recognised as being a wonderful workout as it fires up more of your body's major muscle groups than other forms of cardio exercise. Our unisex club has all standards of swimmers, yet all have an equal chance of winning as events are run on a handicap system. Some members travel away occasionally to compete against other swimming clubs that are also affiliated with AIF swimming. The major meet of the year will be held on 10 March at beautiful Nelson Bay. Results of the Grafton carnival will be in the next issue.

## GOLF

Happy new year golfers. 2018 starts with the course in excellent condition following good rain after the green renovations. The Captains have laid the foundation for a great competition year which includes a balanced program of stableford, stroke and team events that go through to June 2019. Golf Club finances are strong, and our Treasurer is drafting a budget that is buoyed by the December 2017 internal clubs grant. Thank you to the Twin Towns Board. The grant funding combined with continued member support of Club raffles will allow the Committee to offer a number of competition free days and supported functions in 2018. The Golf Club continues to have a dedicated group of members who work on the Committee and Sub-Committees. Thank you! We all look forward to the positive circumstances promoting golfers support of 2018 Captains. Nominations for Captains and Member Representatives open at

the end of the month.

**President Ken**

## EUCHRE/500

Our games are held upstairs at Twin Towns Juniors Club which is located on the corner of Leisure and Fraser Drives, Tweed Heads South. 500 is played on Tuesday nights and Euchre on Thursday nights with both commencing at 7pm NSW (6pm Qld). Fees to play are \$3 members and \$4 non-members and there are prizes for placegetters on each card night as well as a Lucky Door Prize. We wish all our members a very happy and healthy New Year and look forward to seeing our regular players back next year. Any new residents to the area or holiday makers are most welcome to come along and join our happy group. If you require a few refresher games, come at 6.45pm NSW and have some practice hands with our players. For more information, please contact Pat Lesina on 0755 34 6188.

## CLUB BANORA GARDEN

Happy New Year to you all from the Club Banora Garden Club members. 1 January gardens will be all aglow with a super full moon and this is the time of harvest and seed setting. According to our diary, a super moon occurs when a full moon occurs at the same time as the Moon's closest approach to the Earth. When this happens, the Moon may seem bigger and brighter. This is just an illusion. It's time to water well, apply solutions of manures, oils and fish emulsions to soil to feed on the nourishment coming in. Plant seeds and seedlings with a focus on root crops to benefit from the subtle increases in gravity's effect. Our meetings welcome visitors so if you'd like to try the friendly Garden Club meetings, mark 6 February in your diary. Enquiries to President Maria on 5524 8234.

## TENNIS

Hoping that everybody had a festive and relaxing Christmas New Year period. Many enjoyed the Banora Club Christmas Party held at the Club House after Sunday morning social tennis. All social and competitive players joined together for a final catch up. The juniors also enjoyed their Christmas party with plenty of games with new friends, parents and other Club Banora members. Santa made his usual appearance that pleased many of the young ones. Scott Styman, our Banora Tennis Coach, is looking to take a group of juniors up to The Brisbane International. Many of the top names are coming to Brisbane this year so I'm sure the children will be looking forward to watching and learning new skills and getting a couple of autographs and selfies! Between 8 and 12 January, Club Banora will host the Queensland Master's Tournament. A couple of our club members are competing so come and support them and watch some other talented singles and doubles players.

# January Movies

British wartime drama, a worthy tale that changed Australian law, a twisted gothic romance and a laugh out loud comedy from the production house of American Will Ferrell head to the big screen at Twin Towns in January.

**Churchill** is set as allied forces prepare to invade Normandy, changing the course of World War II. Twice Lawrence Olivier award winning stage actor Brian Cox plays the British PM, struggling against depression in a dark British

drama directed by Jonathan Teplitzky (Getting Square, The Railway Man).

**Don't Tell** boasts a fine Australian cast working in support of newcomer Sara West in the role of a young survivor who finds the courage to speak out in court against her abuser. Expect fine things from West, who impressed as a young Liza Minelli in the television miniseries Peter Allen: A Boy from Oz.

A young Englishman plots

revenge against his late cousin's mysterious and beautiful wife, believing her responsible for his death in **My Cousin Rachel**. See gothic romance at its best in this beautifully filmed period drama adapted from the Daphne Du Maurier novel and directed by Roger Michell (Notting Hill; Changing Lanes).

And in a change of pace, laugh out loud with **The House** as Will Ferrell and Amy Poehler play a mum and dad who run an illegal casino from home to raise the funds to send their daughter to college.

**1 JANUARY NO MOVIE (NEW YEAR'S DAY)**

**8 JANUARY CHURCHILL (M)**  
Biopic stars Brian Cox and Miranda Richardson.

**15 JANUARY DON'T TELL (M)**  
Australian drama stars Jack Thompson, Sara West, and Rachel Griffiths.

**22 JANUARY MY COUSIN RACHEL (M)**  
Gothic romance stars Rachel Weisz and Sam Claflin.

**29 JANUARY THE HOUSE (MA 15+)**  
Comedy stars Will Ferrell and Amy Poehler.

Entry to Twin Towns movies is \$5 for members and visitors, with members receiving their \$5 entry fee back in Twin Towns dollars. Twin Towns dollars can be spent on food and beverages throughout any of the Clubs – Twin Towns, Club Banora, Twin Towns Juniors or Signatures at Mantra. Members can save them up for a special occasion or enjoy a coffee in Flame or Images after the movies.

Movies screen at 10.30am & 6.30pm Qld.

# Breeze in for a cocktail

Cherry Ripe

Cocktails have long played a role on almost every bar's drinks list but over the past two years or so, they've stepped up to renewed respect, appreciation and demand, especially at Breezes Bar & Lounge at Twin Towns.

New-wave, contemporary cocktails now nudge out some of the more traditional styles in the popularity stakes at Breezes. Whilst a Martini or Gin Sling may send your tastebuds on an exotic getaway, it's the Cherry Ripe that's melting hearts at Breezes.

This colourful concoction melds everyone's favourite cocktail kicker Baileys, with Mozart Chocolate, raspberry liqueur and cream. It's pink and pretty and there's a cherry on top, but that's about as traditional as the Breezes' Cherry Ripe gets.

Whether your cocktail passion is for colourfully creative or time warp traditionalist, Breezes Bar & Lounge has a bold beverage list. There are also \$10 signature cocktails with flavours and styles to keep everyone happy.

Slip into Breezes Bar & Lounge for a cocktail this month; Level 1 at Twin Towns, Wednesday to Saturday, 3pm until late. Dress code applies at Breezes.

# Free Family Kids Day

The first free Family Kids Day for 2018 will be held at Club Banora on Sunday 28 January with arts and craft, putt putt, face-painting and more in the outdoor play area from 12-3pm NSW.

Adding a little Australiana to the long weekend will be Kelly Kangaroo, who will hop by to say hi to the kids. Kelly's bringing along her best friend, Pepper Possum, to have some fun and play some games.

Club Banora's outdoor playground is fun for kids any day of the week, all year-round. Children of all ages are welcome.
