Meet you there

The lights are ON at Twin Towns

TWIN TOWNS HAS SWITCHED ON ITS MULTI-MILLION-DOLLAR LIGHT SHOW AND EVERY NIGHT FROM 6PM, THE EXTERIOR OF THE CLUB IS TRANSFORMED INTO A COLOURFUL KALEIDOSCOPE OF DIGITAL IMAGERY, GRAPHICS AND SPECIAL EFFECTS.

Aerial footage of the Tweed Valley, Tweed Coast beaches, Northern NSW countryside, hinterland and rainforests, beam from the building, creating a dazzling attraction for locals and tourists alike. Destination Tweed, Destination NSW and National Geographic assisted with footage for the screens.

Tourism will always be a major focus on the screen, along with local festivals such as Cooly Rocks On. State of Origin will bring shades of blue and maroon and Christmas and New Year's Eve will become annual highlights.

A special presentation will be produced for November to mark the 100th Anniversary of

Armistice Day and ANZAC Day will be commemorated on the big screen each year.

Special screens are also underway for July's NAIDOC Week, a celebration of the valuable contribution made by Aboriginal and Torres Strait Islander people to our communities, history and our nation.

General Manager at Mantra Twin Towns, Luke Harley, said Twin Towns has been an iconic location for decades and the new lightshow now adds more value and intrigue to the border as a destination.

"If someone asked me now what I remember most about Kings

Cross, immediately my answer would be the Coca Cola sign.

"What that sign did for Kings Cross, whether intentionally or unintentionally, for advertising and marketing over decades or as a meeting point, the new light show will have the same marketing impact on our area.

"Bright lights, big city... and I certainly feel this adds a significant dimension to the border towns of Coolangatta and Tweed Heads.

"Our region is no longer the bridesmaid to other areas of the Coast and this will help us step out of the shadows as a commercial and leisure destination," said Luke.

Big team, big effort

The company that designed, manufactured and installed the light show, Gold Coast-based ULA Group, is globally recognised for its many large-scale international projects.

Their work recently shone brightly at the Commonwealth Games Athletes Village, where they illuminated the heart of the precinct and surrounding buildings.

ULA Group's Managing Director, Cuono Biviano, said the first response he and his team are hearing from everyone about the Twin Towns project is just one word... 'WOW'!

"We're thrilled, we're excited. We have turned the vision into a technical reality and couldn't be happier with the result.

"The building is alive and tells a visual story that engages all who witness it.

"Over the past few months, my team has worked around the clock, battling extreme heat and at times, torrential rain.

"They may work on projects around the world but this one was so special because it's in their own backyard.

"It became their personal goal to make it the best it could possibly be, and now the results speak for themselves.

"I hope the Twin Towns building and visual light show remain an iconic landmark for decades to come," said Cuono.

BOARD CHAIRMAN'S REPORT

Twin Towns Clubs and Resorts 2018 Annual General Meeting will be held on 22 May at 7pm in the Showroom, when members will be asked to receive the Board Report and Financial Statements; to attend to the Election of Directors; and consider Ordinary Resolutions to be moved by the Board of Directors.

At the close of the mandatory advertising period at 5pm on Tuesday 20 March 2018 for Board nominations and notice of motions, the Company Secretary had only received nine current incumbent Directors' nominations, so an election will not be required.

This 2018 Annual General Meeting recognises the members' adoption of the rewritten constitution at the 2017 AGM resulting in the first major change from biennial elections for Directors which has been the practice for many years.

This election is based on the Triennial Rule, whereby members would normally vote for nine (9) Directors. However, as no election

is required this year, our returning officer declares the positions filled and will draw each Director for a term of either one (1), two (2) or three (3) years at a Board meeting following the AGM.

Every year thereafter is an election year for three (3) year terms consecutively for just three (3) of the nine Director's positions. Finally, on 22 May after the ballot for terms, the Directors will elect the Chairperson and Deputy Chairperson.

Twin Towns Clubs and Resorts Board of Management are fortunate to have an extremely compatible team of Directors who cover an amazing combination of skill sets and work well together strategically for the benefit of members and the community.

Well-qualified Directors with a vision for the future and passion for the Club are imperative with the requirement to understand the statutory Acts and Regulations imposed on the club industry, often referred to as one of the most over-

regulated and over-taxed industries, while Twin Towns Directors on balance would rate currently as one of the most qualified group of Directors of any club.

Many qualify as Fellows of the Australian Institute of Company Directors, including their professional occupational skill sets requiring them to attend Continuing Professional Development updates in their chosen profession. All Directors hold membership of ClubsNSW Company Directors Institute and attend regular Regional Development Education Courses including specialised Master Classes and Conferences.

Members considering standing for Director's positions in clubs in NSW are now required to do a mandatory training course under NSW Law upon becoming a Director which covers roles and responsibilities as well as financial governance duties. There are exemptions depending on a person's current professional qualifications.

Governance, due diligence and diversity are profound areas of compliance and best practice requirements of the Registered Clubs Act, The Corporations Act and ClubsNSW best practice guidelines. Twin Towns Directors are well-versed in following a rigid regulatory compliance framework for the benefit of Directors, management, staff and all stakeholders, not to mention

Directors' immense personal responsibility and liability for non-conformity.

Directors are well aware of the need for diversity of age, gender and ethnicity in the future direction of Twin Towns Clubs and Resorts for the longevity of our Club for future generations. Unfortunately, any one team can't go on forever and the current Board recognises this.

Following our founding Chairman Mick Winders lead some 20 years ago to encourage younger, visionary and well-qualified community leaders with fresh ideas to take up the challenge, the Board, as part of our succession plan, understands the need to recruit, engage with and encourage younger qualified Directors with specialised skill sets who understand the principles of a not-for-profit community club to fulfil the requirements of the constitution.

With a 47% female membership, the Board is well aware of the need for gender diversity, not to mention the recommendation of The Australian Institute of Company Directors and ClubsNSW to encourage female Board representation, which is not only best practice but certainly appropriate.

One would anticipate some younger qualified Directors, both male and female, to be represented on the Twin Towns Services Clubs and Resorts Board of Management in the not too distant future to follow the

legacy set over 60 years by past Directors to set a strategic framework and oversee for the benefit of members and the community.

VALE Mr Ron Baker OAM & Mr Arthur (Laddie) Meteyard

Twin Towns Clubs and Resorts lost two outstanding achievers with incredible War Service and community dedication. Both were Foundation Members and Life Members, setting the framework for this great Club over 60 years ago, leaving a profound legacy for all members and the community at large.

Ron Baker OAM; Badge No. 20, 1923-2018 (February); Foundation Member and Life Member.

Ron joined the Navy in 1941 aged 18 years and served on naval ships in the North Sea, Atlantic, Mediterranean and Indian Oceans. Attached to the 7th Fleet, Ron was engaged in all landings up to and including Signing of the Peace Agreement in Japan to end the War. Demobbed February 1946, Ron immediately joined the RSL Sub-Branch. He worked in the building trade until retirement in 1987 as a Master Builder in Qld and NSW.

Ron's extended commitment and service to our community was exemplary and most recently, he completed a book on his life 'Only What I Remember'.

Arthur (Laddie) Meteyard,

Badge No 30, 1925-2018 (March); Foundation Member and Life member.

Laddie joined the Air Force in 1943 aged 18 years and was stationed at Darwin with 12 Squadron. Laddie was discharged in 1946, immediately joining the RSL Sub-Branch working as a builder with Hedley Baker.

As another of the foundation contingent, he worked running bingo and raffles in his spare time and put up his own money to help establish the original Club. Laddie was a totally committed community minded person, who also served as a Director of Seagulls Leagues Club for 14 years and football manager for 13 years. He was made a Life Member of Seagulls Leagues Club.

According to our records, Ron and Laddie are the last of the dynasty of Foundation Members of Twin Towns Services Club leaving a combined Legacy to always be remembered. Last but certainly not least, for these two incredibly passionate and humble stalwarts of industry, community and Twin Towns Services Club, may their outstanding service achievements never be forgotten. Lest we Forget.

Good health to all and I look forward to catching up around our Clubs and Resorts and especially at our Annual General Meeting in May.

FEATURED CLUB

The friendliest Fishing Club

Twin Towns Fishing Club member Ferdi Van De Wetering proved himself once again to be a piscatorial goliath, being the top point scorer with a good catch of dart and the odd tailor.

Club President, Rod Davis ran a close second with a nice catch of dart and bream and Tina Davis followed in her dad's footsteps sharing third place with John Watkins, bagging 10 dart each.

The comp was well received with a good turn out by members with a few new faces in the crowd.

Twin Towns Fishing Club prides itself on a diverse mix of male and female members with a friendship focused atmosphere.

Competitions are held monthly and run over a weekend period spanning Friday 3pm until weigh-in 12 noon Sunday.

The second monthly competition hosts a BBQ for members after the weigh-in and is held at the premises of a club member. Social engagements of the club include away fishing trips, with two planned for this year.

The first away trip on the calendar is a weekend in Ballina from 2-3 June and coincides with the June fishing comp. South Ballina caravan park is the proposed destination for would-be campers and no doubt will be a fun time if the last trip was anything to go by.

Twin Towns Fishing Club members enjoy a BBQ after a great day of fishing.

For more information about this trip or any enquiries relating to the club, contact Club President Rod Davis on 07 5524 1160.

It is also worth mentioning the three fully equipped boats are available for use by members.

These can be used by members in and outside of fishing comps for inland waterways only. To access one of the boats, contact the Club Boat Captain Steve Lovegrove on 0428 557 600.

New members are warmly

received no matter what your fishing prowess levels are. If you are looking to improve your skill level or want to know where the big ones are biting, this could be the club for you. Happy fishing.

RSL Sub-Branch increases resources

Much-needed financial assistance from Twin Towns has enabled Tweed Heads & Coolangatta RSL Sub-Branch to increase their resources to assist more ex-service personnel and their families. Recent military engagements have also driven the need for support for a younger generation of veterans.

The friendly face at the counter, former Office Co-ordinator Jenny Sheehan, has moved into a new role as Veterans Service Officer, a position Jenny says she is very honoured to hold.

"There is nothing better than meeting veterans who come to our office seeking advice or assistance and knowing I can guide them through the claims process.

"Ensuring they get the best possible outcome from the Department of Veteran Affairs and receive

all the compensation they are entitled to from the Australian Government, is the best part of my job.

"It's life changing for these veterans and very rewarding for me, knowing that in some small way I have helped improve their quality of life," said Jenny.

Enter Belinda McIntosh, the new Office Co-ordinator at the Tweed Heads & Coolangatta RSL Sub-Branch. Selected from a field of over 90 applicants, Belinda, an ex-service woman, was the perfect fit for the job.

Belinda served with the Royal Australian Air Force (RAAF) from 1998 to 2015 as an Air Surveillance (radar) Operator, based at regional operations centres around Australia including RAAF bases in Darwin, Newcastle, Adelaide and Canberra.

When Belinda became a

member of the Sub-Branch in 2016, she said she was impressed at how welcomed the team made her feel.

"After leaving the Air Force in 2015, it is great to be back working amongst 'military folk' and learning how the RSL is helping veterans, young and old.

"I really enjoy meeting people and listening to their service history, and how many continue to provide service to the community in civilian life is very inspiring.

"I have found the skills I learned in Defence have been transferrable to my new role supporting the Committee administratively," said Belinda.

Both Jenny and Belinda conveyed their thanks to Twin Towns CEO Rob Smith, Board Chairman Michael Fraser and the Board of Directors for the financial

Sub-Branch Office Co-ordinator, Belinda McIntosh and Veteran's Service Officer, Jenny Sheehan.

support that made it possible for her to take up this new position.

The Sub-Branch opens from 9am to 12 noon, Monday to Friday. Sub-Branch members

are encouraged to call in during office hours to check out the library, use the free internet or see the military memorabilia periodically on display in the ANZAC Room.

Drop in Thursdays at the Sub-Branch are always a great opportunity to meet new friends over a coffee, a chat and always a few laughs

Daley heads to Pebble Beach

When Club Banora greenkeeper Daley Clarke handed in his resignation last month, his boss, work mates and Twin Towns management couldn't have been happier!

They weren't glad to see Daley go; far from it. They were all just thrilled about the once-in-a-lifetime opportunity Daley has been given – an internship at the iconic Pebble Beach Golf Course in California, home to the US Open and rated as the greatest public golf course in America.

The 23-year-old from Kingscliff who completed his four-year apprenticeship at Club Banora, left Australia in April and will have already started work at Pebble Beach by the time Club News goes to print.

Living at accommodation provided through the internship program run by Ohio University, Daley now calls Monterey home, about five minutes' drive from Pebble Beach.

Australian Turf Grass Management Magazine reported recently that Australian greenkeepers and superintendents are renowned the world over for their skill and work ethic.

Daley now joins a group of elite young greenkeepers, also recruited for internships at American courses through the Ohio Program over the past 20 years. Many are now Aussie ex-pats, who've forged brilliant careers in one of the

Daley Clarke, off to Pebble Beach, California via Club Banora.

world's most competitive golf markets, thanks to the kickstart provided by their internships.

Daley's internship placement is for 18 months which means he'll be involved in the preparation of Pebble Beach for the 2019 US Open and other upcoming major tournaments at the course.

The internship also includes enrolment at Ohio University where he will study a 12-month Bachelor of Turf Maintenance degree.

Daley said Club Banora has definitely been a stepping stone to his internship placement in America.

"I wouldn't have had the opportunity if I didn't have the experience I have gained at Club Banora and I'm really thankful for the opportunities and assistance they've given me.

"They've been so supportive through the whole process," said Daley.

Grounds Superintendent, Rodger Scott, who manages the course at Club Banora, said because of Daley's remarkable work ethic, there'll be a big hole left when he leaves.

"As much as we'll miss him,

what he is going to do, and do in the future, is incredibly exciting for him.

"The Ohio program will be a wonderful and life-changing experience for Daley," said Rodger.

"This opportunity could take him anywhere. The sky is the limit for Daley."

Twin Towns CLUB BANORA

Twin Towns Rocks On in June with Melbourne-based band, Itchy Fingers.

Twin Towns Rocks On

For two big jumpin', jivin' June nights during Cooly Rocks On, the famous Twin Towns Showroom will be transformed into a dance hall, with a giant 10 x 14 metre dancefloor and two of Australia's hottest rock'n'roll bands.

Twin Towns Rocks On with Itchy Fingers and Atomic Hi-Tones, who'll play from a song list that's loaded up with music that will keep your feet firmly planted on the dancefloor.

The bands will perform back-to-back three-hour sets of '50s, '60s rock'n'roll, rockabilly, R&B and everything in between on Friday 8 June and Saturday 9 June from 6pm to 12.30am.

Melbourne-based Atomic Hi-Tones is one of the most in-demand bands in Australia.

Their high-octane performances are a favourite with the rodders, and their music was featured on popular TV hot rod show, Rodders Life. They've also played many times for the Northern Suburbs Hot Rod Clubs, the Victorian Hot Rod Show and did three tours to the famous Beach Hop at Whangamata in New Zealand.

The band currently comprises Cliff Jolly (Cliffy) on lead vocals, Harry Longworth on lead guitar, Jake Schembri on slap bass and Rob O'Toole on drums.

The sweet tone of Grestch Guitars and the powerful thump of a double bass may be the signature of many rockabilly bands, but in the hands of the Atomic Hi-Tones, the genre steps out of the dance hall and into the engine room.

Another festival and hot rod show

favourite, Itchy Fingers, brings their own brand of rock'n'roll and rockabilly to Twin Towns.

Hailing from the heart of Melbourne, this lively four-piece band features Domenic Raso on lead guitar and vocals, Rob Monea on rhythm guitar and harp, Steve Virgona on bass and Emmanuel Cuschieri on drums.

Often referred to as a band that plays 'rock'n'roll music with attitude', Itchy Fingers blend rockabilly, rock'n'roll and blues into a night-long feast of the best of the 50s and 60s.

VIP tickets for Twin Towns Rocks On are \$30 per night, which includes a seat at tables alongside the dancefloor. General entry, \$20 per night, provides seats in the tiered section of the Showroom.

All entry tickets include a drink from the Stars Bar – bottled water, draft beer, glass of house wine, soft drink, tea or coffee.

To book for Twin Towns Rocks On, head to www.twintowns.com.au, call the Booking Office on 1800 014 014 or book on the Twin Towns app.

New look menu at Flame

Flame on Level 1 is hands-down Twin Towns' largest and most popular restaurant for groups, families, celebrations, quick and easy dining before an evening show or after a morning show, pizzas, light snacks or coffee or cake.

Recently, Flame introduced a new menu and it's proving to be a winner with members and visitors alike.

One of the major additions has been the introduction of Flame Express which replaced the existing Carvery.

Flame Express serves fast, fresh, great value lunch specials every day at \$12.95 and from \$15.95 for dinner.

Every night at Flame Express feels like a holiday, with a changing daily selection of favourite dishes and cuisines from around the world.

Monday nights at Flame Express it's Asian, Tuesdays pasta, Wednesdays curries (perfect for Winter), Thursdays Mexican (great for the kids), Fridays meatballs, and Saturdays American-style BBQ and Sundays roast.

Great value roast lunches and dinners are now served from Flame Bistro, keeping up the tradition of great quality and value for money.

Succulent steaks, a range of mouth-watering burgers and schnitzels, Asian stir fry, seafood favourites, Flame's famous pizzas, salads, light snacks and kids' meals are all on the menu.

The highlight of Flame is that diners can choose what they like from whichever Flame outlet they prefer – Flame Express, Bistro, Pizzeria or Cafe.

Wander through the Flame precinct, decide what you want to order, and all sit together at one table.

Flame is perfect for groups and families and combined, the Flame outlets offer a world of choices from light and healthy to hot and hearty and everything in between.

Flame on Level 1 opens seven days from 9am (Café). Meals are served in Flame Bistro from 10.30am (Sunday to Friday) and 9am on Saturdays.

The best thing about carefree bromeliads is that they multiply readily and they are ideal for this area. There are two types prickled edged and smooth edged; these two groups have further different types. They all produce flowers but that plant then dies, however, there will be numerous offsets. To remove offsets, use a sharp knife and cut down and

toward the mother plant to obtain a little of that stem, then twist off. They all like the morning sun. A few like full sun and most thrive in dappled light. The sunlight brings out the pink colouring so just move the plant a little if you expected it to be more colourful. In pots, in-ground, or secured in a tree, give them a try. Visitors welcome at our meetings to enjoy morning tea, guest speakers, plants and flowers and lots of raffle prizes. Next meeting 3 May. Enquiries to Maria 07 5524 8234.

DIGGERS SWIMMING

Recently we had our annual ten person handicap relay challenge with teams consisting of our regular Sunday morning members pitted against a team representing the Board of our mother club, Twin Towns. Did we play it smart and let them win? Nuh. The all-female team of Diggers were victorious; the male Twin Towns Board team second, with our other Diggers team coming third. Good losers, the Club Directors kindly provided eats and drinks which were enjoyed when all results of that morning's swim were announced. We are exploring the possibility of holding more relay challenges, perhaps against teams from Masters and the junior swimmers. Any other takers? Although our summer competition is over, Diggers continue to compete each Sunday morning throughout Winter as we are fortunate to have the use of the 50 metre heated pool. New members most welcome.

BRIDGE

At the AGM, the Bridge Club selected a new President, Chris Fraser, and we look

forward to the new committee also. Our members had an enjoyable Easter and with many members being away at this time, Bridge was cancelled on Good Friday and Easter Monday. However, we are now back in full swing. The Jane Coleman Memorial Pairs was won by Brian and Lea N/S and Linda and Dee E/W. Congratulations to those pairs. Bridge is played on a Monday, Wednesday and Friday at Twin Towns Juniors commencing at 12.20pm. Please be seated 15 minutes prior to commencement of game to allow the Director of the Day to determine movement for play. For partners on the day contact Marj on 0407 788 227. Happy Bridging.

SNOOKER

Tuesday and Thursday comps continue to have strong fields. Winner this month Joe Darby (2), Adam Waller (2), Steve Nestdale, Len Caccioppoli, Peter Campbell and Paul Thomas. Good to see a former regular Jack Hopkins back in action winning a consolation event on 29 March. Twin Towns visited Redcliffe on Sunday 18 March. The team comprised Peter Campbell, Jim Cruz, Ryan Cretan, Megan Fullerton, Bob Morton, Graham Wilson, Des Turner, Len Caccioppoli, Jimmy Thomson and Peter Cullen. Redcliffe prevailed with a 17-15 win. Best breaks Jimmy Thomson 27 and 24. The A B & C Handicap Championships have attracted a total of 58 entries which is very encouraging. The C Grade have two juniors entered, Cooper Thomson and Kane Woolway. A steep learning curve for the lads but they will acquit themselves well. As always, enjoy the game.

MASTERS SWIMMING

We started another busy year after our AGM on 24 March. All positions for our Committee were taken so it's 'onwards and upwards' from now on. Our Club is 30 years young on the 28 April, beginning at the Tweed Shopping Centre, Community Room under the banner of Tweed Coolangatta AUSSI Masters Swimming Club. We have members who still remember it clearly – AUSSI then stood for Australian Union of Senior Swimmers Inc. Lots of awards were given out at the meeting and those receiving medals were Michael Lynch (Endurance), over eighty years award Freda Shaw, John Scarr

and trophy winner David Misson. National top 10 for women - we had nine successful, with Lee Ann and Barbara achieving 1st places. National top ten for men four were successful - great results. Huge congratulations to Brian Smith for his 5 million and Michael and Jenny both swimming 3 million. Thanks to all our helpers which make our jobs easier.

A tricky tale of a modern day Cinderella, a romantic comedy which captures the culture of France, an historical masterpiece about the evacuation of Dunkirk, and a biographical drama about a dysfunctional family – catch them all on the Twin Towns big screen in May.

The **Glass Castle** is the story of a woman raised in a dysfunctional, poverty-stricken family, whose childhood comes back to haunt her in a series of flashbacks. The

Make That Change at Twin Towns

They've performed for US Presidents and a long list of celebrities; they've wowed audiences at Carnegie Hall and the London Palladium.

Now it's Twin Towns' turn to welcome the music, magic and mesmerising voices of Ubuntu, a gifted group of singers and dancers who are a part of the world-renowned African Children's Choir.

In a show for all ages, Ubuntu's 'Make That Change' Tour comes to the Showroom on Saturday 16 June at the special time of 4pm.

After touring the world as small children to raise funds for their education through the African Children's Choir sponsorship, the young, dynamic cast has graduated from high school and now prepares to enter university.

On stage, they share

personal and inspiring stories, embracing evocative songs, mind blowing dance moves, haunting harmonies plucked from traditional instruments and masterful drummers pounding out soulful and ancient rhythms.

Through their inspirational Make That Change Tour, these gifted 18 to 20-year olds are poised to fulfil their promise of 'making a change' in their own villages.

Seeing Ubuntu live is a never-to-be-forgotten experience.
