## Twin Towns cooks for Chef's Table

Executive Chef Lloyd Cremer and Brad Edward plate up their entrée in the Chef's Table competition.

Twin Towns Executive Chef Lloyd Cremer and Harbour Fresh Chef Brad Edward battled it out last month against 84 chefs from 42 clubs across the State in New South Wales Club industry's most prestigious culinary competition, Chef's Table.

Chef's Table is a Masterchef-style cook-off which recognises and rewards the most talented chefs, cooks and apprentices in NSW clubs. The competition highlights the culinary talents of chefs and demonstrates that clubs are among the best dining destinations in the state. Chefs used ingredients provided in a "mystery box", the contents of which were only revealed just before the start of the cook-off.

For their entrée, Lloyd and Brad created Asian Steak au Poivre with enoki mushroom fan, heirloom beetroot and lime leaf dressing.

For main, they served alebraised and roasted pork brisket, pork floss, celeriac

roesti, Agrodolce Brussels sprouts and rhubarb gastrique.

Dessert was a lime and roasted raspberry panna cotta, pinot noir caramel, chocolate lattice and pinot noir-rhubarb meringue fingers.

Lloyd said the time restraints involved in the competition were challenging but he was pleased with how well he and Brad worked together as a team.

"We opened Harbour Fresh together and it was easy to rely on each other's strengths," said Lloyd. Dishes in the competition were judged by renowned executive chefs Julio Azzarello and Adam Moore, former Masterchef contestant Courtney Roulston and The Red Spoon Company's Nenad Djuric.

Winners were announced in late July, after August Club News had gone to print. See September Club News to see how Lloyd and Brad fared in the ClubsNSW Chef's Table.

BOARD CHAIRMAN'S REPORT

Overview of XXI Commonwealth Games

From 4-15 April 2018, the Gold Coast hosted a world-class, spectacular sporting competition, the XXI Commonwealth Games, which we were lucky enough to witness on our very own doorstep.

The 2018 Games represented the largest ever competition schedule in the history of the Games and the first time a record seven Paralympic Sports were included within the one sporting competition. Around 6,600 athletes and team officials from 71 Commonwealth Nations participated in 18 separate sports.

The sporting events were well covered by television and the media generally, with many local residents glued to their big screen TVs watching an enormous sporting extravaganza unfold on Australian soil.

It would be remiss of me not to thank the many members who volunteered their services in a voluntary capacity to ensure the success of the Games.

One was extremely proud to witness the successes of our own Australian athletes with a substantial winning medal tally of 80 Gold, 59 Silver and 59 Bronze Medals, making a total of 198 medals.

England was runner-up with 136 Medals followed by Canada with 82 and India with 66 medals.

During the months preceding the Games, the organisers and media managed a campaign to encourage businesses within the Games precinct to close or take annual leave. Residents were generally advised to prepare for a mass explosion of competitors and visitors who were expected to invade the Gold Coast to watch the Games, causing huge disruptions and congestion to traffic, transport and accommodation.

The local Gold Coast community was asked to stay clear and prepare for lockdown to allow for event road closures, as well as to allow public transport

to convey the multitude of Games enthusiasts to sporting venues unhindered. Twin Towns Clubs and Resorts initially were required to organise suppliers to deliver goods between midnight and dawn, which required extra staff and suppliers to work through the night making deliveries.

This action was supported by Tweed Shire Council who undertook to temporarily lift restrictions on night deliveries. This, of course, was on top of partial road closures around Coolangatta. Sanity prevailed, and our loyal suppliers chose to adopt the traditional delivery times in support of Twin Towns, which as it turned out worked perfectly with little, if any, of the anticipated interference from traffic congestion.

This unprecedented campaign to encourage locals to evacuate the city unless attending sporting venues was profoundly successful, with a mass exodus of residents moving away from the Coast during the first two weeks of April covering Easter, school holidays and the Games.

One of the unforeseen benefits of this so-called evacuation campaign, supposedly to benefit the Games, was the open and deserted M1, even with its temporary speed reductions in place allowing free flowing traffic, with major roads around the

Coast also basically clear of any significant traffic.

Travellers, builders and trades people working around the Coast couldn't believe their luck with freedom of movement on empty roads for two weeks. Add to that the many accommodation venues that increased rentals and minimum stay periods, resulting in a reported 30% downturn in accommodation, causing disastrous effects to business revenue along the Coast with many retail and hospitality businesses struggling to survive, or worse.

Mantra Twin Towns Resort was booked out by Games Emergency Services personnel who required early breakfast meals (extra staff, extra hours) to allow them to be available up and down the Coast prior to the opening of Games venues, returning late. Hence local benefit was minimal. I dare not touch their internal infrastructure management issues.

Twin Towns' main club was not excluded from the major downturn suffered by business entities along the Coast.

Revenue suffered falls in all departments and ironically, after the games competition was completed, our generally loyal support base chose to have an extended holiday before gradually returning to their favourite entertainment venue.

This sudden downturn in Club revenue was anticipated in early planning, although perhaps not as severe in dimension as was experienced, with special additional programs organised for Club Banora and Twin Towns Juniors.

Extra bus runs were provided for all members who may have been warned away by the media-predicted traffic congestion preventing a smooth transition to attend their regular social activities at the main club and consequently, utilised the offering at Banora and Juniors.

Club Banora and Twin Towns Juniors saw a massive marketing campaign supporting 'The Biggest Games in April are at Your Local'.

Inflatable play castles and toys, pony rides, reptile shows, Easter Egg hunts, guest appearances by the Easter Bunny, organised games for kids, massive fireworks displays, movies under the stars, face painting and balloon sculpting were just some of the programs and games provided for kids and families during 29 incredible days.

For members, mums and dads, the party didn't stop there. Extra bands performed at Club Banora, additional and amazing, super prizes were on offer to encourage member and community participation locally during the Games, Easter and school holiday period, and beyond.

Last but not least, a shipping container converted to 'The Cube' became a fully-equipped, temporary bar serving drinks and snacks on the old bowls green which is now the kids' play area. This enabled families to stick together without having to leave kids on their own and proved a great success.

'The Biggest Games at your Local' proved a resounding success in introducing many locals to Club Banora and providing entertainment for the many who took heed of the unfortunate warnings (scare campaign) to stay at home and avoid the Gold Coast under any circumstances (unless you purchased tickets and attended the greatest sporting event ever seen on the Coast, The Commonwealth Games).

Obviously, this tremendous programming boost for locals at Club Banora and Twin Towns Juniors during the Easter holidays and the Commonwealth Games came at a cost. However, management's vision with Board support saw a strategy developed as a not-for-profit Community Club to support members and community locally during this exciting extravaganza of sport and entertainment.

Good health to all and I look forward to catching up around our Clubs and Resorts.

FEATURED CLUB

Ladies Bowls at Banora

With our 34th Birthday celebrations finished, the Ladies Bowls Club is back into the serious business of enjoying Tuesday and Friday social games and competing in club competition matches on our renewed greens.

The 3-bowl triples social games include all our bowling members and are club selected to achieve an even mix of ability and socialisation; not that these games are 'hit and giggle'. All bowlers try to put down their best deliveries on the day.

Our Club Championships and competitions, open to affiliated bowlers, have all been decided, thanks to the good weather and our Games Director Judy Johnson and her assistant Maude Tate.

Club President Julie Johnston says she can't

recall so many closely fought matches, with the results coming down to the very last end.

Club Singles Champion Maude Tate, Fours Champion Mavis Plant, Margaret Sykes, Carol Groch and Esther Hasler and Pairs Champions Karen Watson and Ester Hasler all qualified to compete in the District-run 'Club Champion of Champions' event that was staged in July. See the September Club News for the results.

Pennants, with 2 Divisions, have been played throughout July against sides from the southern section of our District. A final match between winners of the north and south sections will be played at Robina on 17 August.

Last year our successful Division 6 side reached the

final, coming home with the runner-up flag.

In late September and early October, we will travel to Robina and Beaudesert for their annual shield invitation challenges.

The combined Patrons' and Past Presidents' Day on Tuesday 18 September is our next social event, followed by our popular Fundraising Day on Friday 26 October.

TTSBLC Queen of the Green 2018, Ester Hasler, joined our club in mid-2016, transferring from the Vikings Club in Canberra.

Her unassuming likeable personality, expert leadership and accurate shot making have made Ester a popular, successful and respected social and competition skip here.

This year Esther has led both her Fours and Pairs teams to

Championship wins and will again skip a pennant team for us.

The day ends with a get together and two lucky prize draws.

# Twin Towns ranked in top 5 in ABIA Awards

At the recent Australian Bridal Industry Academy 9th National Designer of Dreams Awards (ABIA), Twin Towns Clubs & Resorts was named in the top five Resort Reception Centres in Australia.

The ABIA Awards are judged on voluntary feedback from newlyweds about service received on their wedding day from various wedding providers.

Over the past four years, 102,293 couples have taken the time to nominate and offer feedback about 3,712 wedding businesses across Australia, based on quality of product and service, value for money and attitude of staff. These ratings determined the list of 316 finalists, which included Twin Towns.

Qualifying as an ABIA National finalist or winner represents consistency in delivering high

quality wedding products and services, and most importantly, excellence in customer service.

Twin Towns Conference & Convention Manager Chrissie Thomas said to qualify for the prestigious Awards, venues had to receive exceptional ratings every year for the past four consecutive years.

"To be named in the top five in Australia is a massive achievement for Twin Towns and its events and catering teams.

"When choosing Twin Towns for their weddings, couples can be extremely confident they are dealing with experts in the industry, a team who have earned a strong, national reputation for delivering dream wedding experiences," said Chrissie.

Twin Towns' award-winning

chefs and dedicated wedding coordinators work with every couple to design a wedding that suits their theme or budget, from lavish, gala banquets to casual and relaxed parties, and everything in between. # 25 years of Neil Diamond Super Hits

On Friday 17 August, multi award-winning vocalist Steve Cummins takes centre-stage in the Twin Towns Showroom to celebrate the 25th Anniversary of the first performance of his Neil Diamond Super Hits Show.

Steve's lengthy love affair with the music of Neil Diamond began in the Pandanus Lounge at Club Banora back in 1993. The following

year, he played the Anchor Lounge, Twin Towns' Level 2 entertainment hub back in the 80s and 90s.

The Neil Diamond Super Hits Show was in demand! Steve toured Australia and New Zealand, winning the hearts of Neil Diamond music fans wherever he performed.

In 2006 and 2007, Steve was named Queensland Entertainer of the Year. In 2007, he featured

on the UK's BBC radio program, Beautiful Noise, The Neil Diamond Story, to an estimated three million listeners, becoming the only tribute artist to be on the same program as Neil Diamond himself.

Steve says countless shows at Twin Towns and Club Banora over the past 25 years, along with a special request performance for the King of Java and a pre-match concert

at the World Rugby Super 12's in Carisbrook Stadium New Zealand, have been highlights of his illustrious career as a singer, musician and showman.

In his latest show, Steve said the audience will hear their favourite super hits.

"Solitary Man, Cracklin' Rose, Cherry Cherry and I Am, I Said and the biggest crowd pleaser Sweet Caroline."

A 12-piece band including brass section will join Steve. Special guests including members of Steve's original band, Hi-Class Company will also make an appearance.

## Snooker Club's Jessica wins Australian Championship

Twin Towns Snooker Club is proud to announce their member, Jessica Woods, is the 2018 National Women's Snooker Champion.

At the recent Australian Championships held in Adelaide, Jessica and fellow Twin Towns Snooker Club member Megan Fullerton, battled it out over three gruelling days of competition against 16 of the best players in Australia.

Jessica and Megan both made the final four in the semi-final but the dream of an 'all Tweed' final wasn't to be as the two clubmates drew each other in the semis.

Jessica won through by 4 frames to 1 to make the final, where she repeated the score line of 4-1 against South Australia's Judy Dangerfield to take out the Australian National Women's title.

Jessica also made the two highest breaks of the tournament with 67 and 50. Megan was next best with 39.

She may only be 24 years of age but already Jessica has firmly stamped her mark on Australian snooker, and this latest Australian championship win isn't her first.

Jessica held the Australian Women's title in 2013, 2014, 2015 and 2016. She missed the championships in 2017 as she was overseas but has now added the 2018 championships to her long list of achievements.

Jessica, who started out as a junior player with Twin Towns Snooker Club, also won the Under 21 Women's World Championship.

Twin Towns Snooker Club is aiming to build a thriving junior division, thanks to coaching initiatives driven by a dedicated committee.

See page 8 for more information about their current junior coaching sessions or for more information, call Jimmy Thomson at 0427 764 286 or email [clubbanorasnooker@mail.com](mailto:clubbanorasnooker@mail.com)

2018 Australian Women's Snooker Champion, Jessica Woods

Boys and girls aged 12 and over are welcome to play at the Twin Towns Snooker Club and as Jessica's successes have shown, starting young and learning the correct technique from an early age is a surefire pathway to success on the baize.

# Samantha Jade at Twin Towns

To mark the release of her latest album, *The Best of My Love*, Samantha Jade is taking her new touring show on the road, calling into Twin Towns for one dynamic concert on Saturday 8 September.

Samantha Jade's latest show includes a shimmering homage to the disco era, filled with tributes to greats like Donna Summer, Diana Ross and Gloria Gaynor with songs such as *Best of My Love*, *I Will Survive*, *We Are Family*, *Upside Down*, *How Deep Is Your Love*, plus Samantha's pop smashes like *Firestarter*, *Always* and *What You've Done To Me*.

Samantha Jade said *Best of My Love* is one of her favourite songs of all time.

"It has a beautiful sentiment and was the most fitting title for the album," said Samantha Jade in a recent interview.

"The idea for the album was 'disco'; if it was going to come out today, how would

it sound, how would it look, how would it feel?"

"We're not reinventing disco, we're just bringing back the love.

"Disco was not just about the music, it was a time of freedom. The fashions were amazing, sequins, glitter, gold, silver.

"I've been really inspired by disco and the Seventies, that was a time of female empowerment and women really coming up and being confident with themselves, their sexuality and their confidence," said Samantha Jade.

Samantha Jade's special guest support artist is winner of *The Voice Australia* 2016, Alfe Arcuri.

**Samantha Jade: Best of My Love, Twin Towns Showroom, Saturday 8 September. Tickets \$47. Call 1800 014 014, go to [www.twintowns.com.au](http://www.twintowns.com.au) or book on the Twin Towns app.**

Hailed as one of Australia's strongest female comics, Mandy has the ability to bring a room to its knees, whether that be Melbourne's *Last Laugh*, Gold Coast's *Comedy in the Basement*, Brisbane's *Sit Down Comedy Club* or the crowds she's wowed at *The Star's Laugh Your Pants Off* comedy gala's.

## TRIATHLON

This year's season will see our first event being held on Saturday 22 September commencing at 6am, culminating in our Club Championship event on 9 March 2019. We will be holding a sign-on event from 6am to 7.30am; course familiarisation ride on Saturday 15 September. Our race distance is ten laps of the Oasis Pools, Club Banora, a 14 km ride through the neighbourhood of Banora Point, riding up Fraser Drive to the new estate, Aspire, and then down for a lap through Flametree Park, making our way home along Darlington Drive and then finishing with a run along Darlington Drive to Lochlond Drive, then back to the pool. This year will see the introduction of timing chips for all competitors. Our race fees are \$10 for Triathlon Club members \$15 for non-members. Information about our club can be found on our website [www.twintownstriathlon.org.au](http://www.twintownstriathlon.org.au)

## FISHING

Welcome once again fishing friends. Another month and hopefully a fish or two in the bag. Word on the fishing grapevine is there are some big bream around. The Twin Towns Fishing Club June competition ran over the weekend of the 2nd-3rd. Seventeen

enthusiastic members and their partners headed to South Ballina for a weekend away. Needless to say the company was fantastic but the fish must have headed off somewhere else for the weekend. Club boat captain, Steve Lovegrove chose to stay in the Tweed for the weekend, which paid off for him as this month's champ. Second spot went to Rod Davis, and Michael Currie took out 3rd place. A meagre total of 13 fish were caught across the weekend but a lot of fun enjoyed trying. For enquiries, contact Rod Davis on 0420 743 995. The Fishing Club welcomes new members. Until next time. Tight lines fisho's.

## MASTERS SWIMMING

Our Masters Club are so proud of our 100 year (young) member George Coronos. Once again, George has excelled in the pool, breaking five records at the Albany Creek Carnival. He needed to break two more records, so competed at Brisbane Southside Carnival. Once again, he broke the world record in 100 metre freestyle, smashing the record by 34 seconds. He also smashed the 50 metre freestyle record by 20 seconds. A real champion, and only started swimming at 80 years of age. Paul Mayberry who also competed in his age group was successful in gaining a 1st, 2 x 3rds and a 4th. Great achievement, as his age group is very competitive. Welcome to new member Evan Matthews. It won't take you long to realise we are the best Club for Fun, Friendship and Fitness (which is Masters' motto).

## TENNIS

Saturday night saw Tennis Club members attend the Community Wimbledon Charity Ball at Lindisfarne. Everybody had a wonderful time raising money for the Terranora Tennis Club and catching up with friends. It was lovely to see people dressed up in formal cocktail dress. Listening to Greg Ritchie interview Patrick Rafter was interesting, casual and very informative. Congratulations to Banora's Tuesday ladies division 2 and 3 winners at Kingscliff. Tweed District Saturday Competition at Club Banora will be held on 4 and 25 August from 12.30pm for a 1pm start. Other clubs are hosting the event on different dates. Come along to the Trivia Night in the Clubhouse at 6pm on Monday 6 August. Sunday 12 August sees our annual Barefoot Bowls Day at Club Banora with a pizza meal. See notice board for further details. Lots happening.

## DIGGERS SWIMMING

Recently we attended two away swims with success. The first interclub meet was conducted at the Miami pool, and saw Freda Shaw the equal winner in the 30 metre event. A week later, we were one of the many clubs that accepted Tweed Dolphins' invitation to attend their annual competition in the Greenmount surf. Last year the dolphins (the real ones) joined us, and this time two whales put on a magnificent display. Eleven teams sent their first swimmer out in the six person relay, only to be told they would have to do it again as the stopwatches hadn't been started, which was accepted in good humour. The goal was to be closest to nominated time and we were the winners with an

error of just 14 seconds. Relay members were: Sue and Bert Deegenaaars, Jeanie McKenzie, Toni Cameron, Brian Boyd and Warwick Dredge.

## GOLF

Congratulations to Ladies Captain Pauline and her team for management of the Ladies Club Championship. The presentation was an opportunity to celebrate Life Member, Joyce Flanagan's contribution to Club Banora golf. Kay Mills is the Ladies Club Champion for the ninth time after a dominant performance and Peggy Williams won the Division 2 Championship after a terrific second round. The Division 3 Championship was the closest competition, with winner Lucy Ablett and runner-up Coral Rasmussen tied with two holes to play. Thank you to Vice President, Rosie and Men's Captain, Max for organisation of the Mixed Club Foursome Championship. Congratulations to 2018 Champions, Wayne Muir and Galemaree Dawes who recorded the best score for both rounds. Division 2 was won by Wayne Howlett and Margaret Bee by four strokes. Thank you to members for their support of the Championships. Congratulations to Men's Pennant Teams 2 and 3 for winning the District final.

## MENS BOWLS

Lawn bowls looks to be a very simple game; however, a bowler must do a lot of things correctly to get his bowls close to the kitty! The one thing that must be done right is to have the bias of the bowl correct; otherwise the bowls will not track towards the kitty. In fact, it will go away from the intended line. This is called a 'wrong bias' and players are fined 50 cents for this mistake. The money collected goes into a 'wrong bias fund' and for many years now, the

money has been allocated to the Children's Ward at the Tweed Hospital. Over the years, vital medical equipment has been purchased. Recently, Men's Bowls donated a reclining chair to the Children's Ward. This will allow parents of sick children to spend time in comfort with their children whilst they recover. So, bowlers, make sure you keep those wrong bias bowls coming, so that we can look after sick children in the future. To those on the sick list, get well soon and we will see you on the green again.

## RUNNERS & WALKERS

We have some great Sunday meets planned for August, including Tallebudgera, Fingal and Dungay. It's a great way to enjoy the beautiful area in which we live, especially in this cooler weather. We will be working on our summer programme soon so if members have any new runs on offer, please let the committee know. August is also the month for some fun runs including Bridge to Bridge and the

Sunshine Coast Marathon. We are a friendly group of runners and walkers and new members are always welcome. We meet three times a week and cater for all ages and levels of fitness. We vary the routes and distances and like to work together achieving goals. Come run or walk with us for up to three times before you need to commit. Check us out on Facebook or our website [ttsrunnersandwalkers.org](http://ttsrunnersandwalkers.org) For all enquiries contact Tracy Mo 0414 590 940.

## GARDEN

Garden Club competition entry forms are available at the next meeting on 2 August. They need to be returned by the September meeting. There is an opportunity for every garden enthusiast and if you are not a member, you are welcome to enter the competition. Prizes galore. Begonia tips: very easy to propagate by placing stem in water and after about 3 weeks there will be delicate roots. Treat gently when planting and water in with Seasol. If you notice powdery mildew, remove affected leaves and dispose of in the rubbish bin, not compost. The Begonia society meets every third Saturday in the Uniting Church hall, Mt Coot-tha. Fertiliser recommended 'Dr Grow It All' made on the Sunshine Coast. Visitors welcome at meetings to enjoy morning tea, guest speaker, plants, flowers and lots of raffle prizes. Next meeting is 2 August at 9.45am. Enquiries to Maria on 07 5524 8234

# Movies in the Showroom this August

A hilarious biopic, a thrilling murder mystery, a dramatic true story and an historic masterpiece all feature on the big screen in August.

Starring James Franco and his equally talented brother Dave, **The Disaster Artist** is based on the life and uprising of Tommy Wiseau, an actor, writer and producer who gained a cult following for making what some may call the 'Best worst movie ever made'. The star-studded cast also stars Penelope Cruz, Johnny Depp and William Dafoe.

**Only the Brave**, starring

Set in the 1800s, **The Birth of a Nation** follows Virginian-born Nat Turner, a literate slave and preacher who leads a rebellion which became known as the Southampton Insurrection. This powerful film features

phenomenal performances by Nate Parker (The Secret Life of Bees) and Armie Hammer (Final Portrait).

# Junior Snooker coaching

Twin Towns Snooker Club is pleased to see junior player numbers climbing but are keen to see more take up the sport at Club Banora.

"We know they are out there, playing some pretty competitive snooker or pool, often around the home table with their families or friends.

"We would like them to come and join us," said Club President, Peter Campbell.

To help recruit new junior members, the Twin Towns Snooker Club is hosting a Junior Snooker Coaching Program. The program, which commenced in July, runs every Saturday until 22 September from 3pm to 5pm.

Boys and girls aged 12 to 17 are welcome to attend the free program. The lower age limit is 12 years as children younger than 12 are often too small to effectively reach the table for shots.

The Head Coach is Terry Stewart, an experienced player with an Accredited Level 1 Coaching Certificate. Terry will be assisted

Twin Towns Snooker Club has a program for junior players.

by members of the Twin Towns Snooker Club. All necessary equipment will be supplied.

This program is designed to teach juniors the basic technique required to be a good player, progressing to the higher level skills and strategies of the game.

At the conclusion of the program on 22 September from 12pm, a tournament will be held so the young players can test out their new skills.

Parents of children interested in

joining the program are asked to contact one of the following Committee members: Club President Peter Campbell 0481 342 289 or email [petercampbell1950@hotmail.com](mailto:petercampbell1950@hotmail.com); Secretary Jimmy Thomson 0427 764 286 or email [clubbanorasnooker@mail.com](mailto:clubbanorasnooker@mail.com)

Those aged 18 and over who wish to learn to play the game are also welcome to come along to the Twin Towns Snooker Club. Contact any of the above Club officials for more information.
