Dear Rob,

The Twin Towns Diggers Swimming Club members would like to express their appreciation for the continued use of the Oasis Pool facilities and the ongoing support they receive from Twin Towns Clubs & Resorts.

Our Club feels very privileged to have the use of these modern facilities year round. Unfortunately we couldn't commence our winter competition due to Covid 19 restrictions dictating the closure of the pool. Until then we had been swimming every Sunday morning at our home pool, as well as sending teams away to compete at the Lismore and Moree AIF carnivals, where our swimmers won many events at both meets. We are grateful that club swimming has been allowed to resume albeit with a few conditions in place.

Lastly, we wish to thank all staff with whom we have dealings who have always provided a helpful, courteous, and professional service.

Yours sincerely,

Toni Cameron

Twin Towns services Club

Dear Mr Smith,

This has been an exceptional year for all members and Staff at "Twin Towns Services Club," having to cope with COVID 19, and the problems associated with the lock down etc.

Members at Twin towns master's Swimming appreciate the difficulties for the Club and would like to thank "Twin Towns Services Club" and the "Board of Management" for their continued support in 2019/2020.

We appreciate the time and effort required to maintain the Banora pool., and we are also thankful for the Financial support provided to the master's Sub-club which again was most welcome. This support gives us the opportunity to finance the Christmas party and various functions at the Twin Towns club.

During 2019 we lost a few members as was expected. At the end of that year we finished up with 40 members

'Swim meets' in 2020 have been curtailed for the time being but members attended quite a few swim programs in 1919 as well as participating in our own Swimming club events which are always well patronised. They are fun for all, and the winners are rewarded with end of year trophy's and medals.

We continue to have a great social Calendar, including picnics and outings. We will be back to the "Tivoli" as soon as they can be safely presented. These outings provide members with outlets other than swimming.

The Members and Committee again thank Twin Towns Services Club for their generous support.

To Chairman Twin Towns Clubs & Resorts

Dear Mike,

The President, committee, and members wish to thank you for your ongoing support, and recent grant of \$2220 to our bowls club.

This grant will be spent solely within the club on activities for our members.

We acknowledge it has been a very difficult period, but through the diligence of your board, management, and staff, we and most internal clubs have been able to resume social and sporting activities.

Thank you for the ground staff in maintaining and presenting the greens in top condition.

We also thank club director Ross O'Leary for his support in promoting and developing sponsorship.

We wish the club all the best for the future.

Yours sincerely
