BACK ON TRACK

Torrential rain put a dampener on 1st on Wharf Tavern's renovations, with concreters finally finding the right weather to pour the driveway late last month.

Project Manager Scott McClintock from Tweed Coast-based construction company, TLF Developments, said they are hopeful April brings dryer weather and his team can resume work on the renos.

"Weather permitting, we should make up for some of the unexpected downtime and be on track for completion around late April," said Scott.

More than 20 local tradies are working on remodelling the laneway outside the Tavern, building a timber arbour at the entry and installing picture windows.

Carpenter Lee Wilson and Project Manager Scott McClintock from TLF Developments.

Twin Towns CEO Rob Smith said the Board is pleased so many local tradespeople are working on the project.

"We try to award contracts, wherever possible, to local companies. Over the past few years, we've offered a raft of projects to local companies, including TLF Developments.

"Another crew is working on renovations to hotel rooms at Mantra Twin Towns and DA approval has been received for the Harbour Terrace extension.

"There's lots more work in the pipeline for local trades," said Rob.

THE VERONICAS ARE COMING!

BOARD CHAIRMAN'S Report

The last few months have certainly passed quickly and the mood and feeling around the Clubs is more optimistic than previously encountered. It's good to see more members getting out in the community and enjoying the freedom to go and do whatever they enjoy. The lifting of restrictions which included no standing while consuming alcohol on Club premises has seen an increase in customers, as more members enter the Club to enjoy the facilities.

The Showroom has also seen some improvement with more entertainment being allowed with the easing of social distancing. I don't know when music and dancing will be allowed to fully operate but when this happens, the environment and atmosphere in the Club will almost feel like we have returned to normal. I am careful not to make too many assumptions as circumstances can change at the drop of a hat.

The Internal Clubs have returned to normal and are enjoying being able to participate in their chosen recreational activities. The majority of our many Internal Clubs have conducted their AGM's and the amount of work the committees put in is unbelievable. They work tirelessly for their members, making sure everything is up to date.

I would like to congratulate the outgoing Committee members and thank them for their time and effort in making their Internal Clubs operate smoothly. To the incoming Committee members, I wish you all the best for the coming year.

Nominations for the Board of Directors closed on 17 March 2021 at 5pm. The following nominations were received: Brian Brown, Ragina Rogers, John Keating and Trevor Arbon. A ballot will be conducted at the AGM to elect three Directors.

The Annual General Meeting of the Twin Towns Services Club Limited will be held at Twin Towns Services Club, Wharf Street, Tweed Heads at 7pm on Tuesday 18 May 2021 in the Showroom. I look forward to catching up with you on the night.

The Tweed Heads & Coolangatta RSL Sub-Branch will not be holding any of their annual ANZAC Day Services at Jack Evans Boat Harbour due to restrictions on events taking place. The community, as a family unit or individuals, can still share in remembering the sacrifices made by our service personnel in all conflicts, past and present, throughout the world.

I read an article recently about the history of the first World War, the ANZAC legend and the spirit of ANZAC. I have copied the contents below. More information can be found on the [Australian War Memorial website](#).

"On the morning of 25 April 1915, the ANZACs set out to capture the Gallipoli peninsula in order to open the Dardanelles to the allied navies. The objective was to capture Constantinople (now Istanbul in Turkey), the capital of the Ottoman Empire, and an ally of Germany.

The ANZACs landed on Gallipoli and met fierce resistance from the Ottoman Turkish defenders. Their plan to knock Turkey out of the war quickly became a stalemate, and the campaign dragged on for eight months.

At the end of 1915, the allied forces were evacuated. Both sides suffered heavy casualties and endured great hardships. Over 8,000 Australian soldiers were killed. News of the landing on Gallipoli and the events that followed had a profound impact on Australians at home. The 25th of April soon became the day on which Australians remember the sacrifice of those who had died in the war.

The ANZACs were courageous and although the Gallipoli campaign failed in its military objectives, the Australian and New Zealand actions during the campaign left us all a powerful legacy."

Lest We Forget.

Until next time

Brian Brown

A MESSAGE RE ANZAC DAY 2021 from the Tweed Heads & Coolangatta RSL Sub-Branch

Over the past few weeks, the Tweed Heads & Coolangatta RSL Sub-Branch Committee has assessed whether ANZAC Day commemorative activities could be compliant, as well as safe, especially for elderly veterans. This assessment led to an earlier decision to cancel commemorations for 2021, based on the prevailing regulations at that time.

Recently, New South Wales and Queensland governments and RSL's issued updated guidelines for 2021 ANZAC Day commemorations. On review, the NSW requirements were still impractical for this Sub-Branch to hold a service at Tweed Heads.

Queensland guidelines were more liberal and provided the possibility of holding a COVIDSafe compliant commemoration in Queensland.

Subsequently, the Committee is planning for a small-scale commemoration in Queen Elizabeth II Park in Coolangatta at 11am on Sunday 25 April. This will comprise a march for members and veterans only within the park and a commemorative service at the cenotaph.

Details are being finalised and will be available on the Sub-Branch [website](#).

Please remember that plans for the commemoration in Coolangatta are dependent on there being no further changes to Queensland guidelines in the lead up to ANZAC Day.

We acknowledge the disappointment shared by veterans and the local community at not having the usual ANZAC Day commemoration at Tweed Heads this year. The primary concern of the Sub-Branch Committee, however, is the health and safety of elderly veterans and members.

LIGHT UP THE DAWN

On ANZAC Day, the community is encouraged to pause and remember not only those lost, but all who came home and those who follow in their footsteps.

Last year's Light Up the Dawn initiative was a huge success and once again, it is hoped people will stand in their driveways, on their balconies or in their living rooms at 6am to commemorate ANZAC Day.

Whether you're in uniform or pyjamas, wearing medals, poppies or sprigs of rosemary, let Australia's veterans know that their service and sacrifice will never be forgotten.

[Click here](#) for more information.

ANZAC Day ceremonies across Australia will be broadcast live by various television networks and online.

THE ART OF AGEING 2021

The NSW Government's 'Art of Ageing' photographic exhibition returns to the big screen on the exterior of Twin Towns to coincide with the 2021 NSW Seniors Festival.

The inspirational exhibition celebrates the value, experience and contributions older people bring to their communities and challenges outdated perceptions of ageing.

Accomplished and unconventional best describes the many diverse individuals that feature in this year's exhibition; extraordinary people who have carved out interesting and active lives.

From artists, authors, advocates and athletes, to chefs, farmers, mentors and students, we hope the images motivate you to embrace and live life to the fullest.

The exhibition comprises works by outstanding NSW photographers Kerri Ambler, Tina Milson, Julie Slavin, Tim White, Trevor Green and Tayla Martin, and was curated by Sue Mitchell.

Each of the 24 images will be projected onto Twin Towns exterior 17 metre by five metre screen during a 50 minute presentation which will screen on the hour from 6.10pm to 11.10pm from 13 to 24 April.

The Art of Ageing is an initiative under the NSW Ageing Strategy 2016-2020 and funded by the NSW Government Department of Family and Community Services.

To read more stories about all the amazing seniors featured in the exhibition, scan the QR code on the right.

Meet Cobber Webb

Cobber is one of the seniors featured in the Art of Ageing Exhibition.

Cobber was born in Molong in 1940 and has lived there all his life. Entering his house is a veritable trip back in time. Cobber looks like he's just stepped out of a shearing shed in the 1950s.

A ragged black Akubra sits forever atop his weathered face. His trademark shirt, with cut-off sleeves, and worn workpants are his uniform. He loves nothing more than a good chinwag over a cuppa and a biscuit or two. His stories are endless and he's a wealth of knowledge on all things Molong.

Sitting in his favourite armchair, Cobber is surrounded by trophies from his racing days. Faded ribbons and photos of his winners take pride of place on the walls. He's always had a great love of horses, was in the racing game for years, and had 'plenty of winners'.

A knee replacement means he can no longer ride. However, he still takes in unwanted horses, 'gets them going again' and sends them on to loving homes.

Cobber was a reluctant interviewee - 'I don't want to say anything, I'm too young!'

"The Bowls Day provides the opportunity to meet some of the Clubs' bowlers, get an introduction to the game, learn about its history and most importantly, how the game is played. All the equipment you need will be supplied.

"We suggest wearing comfortable clothes, flat-soled shoes or sandals are fine, or you can slip off your shoes and play barefoot," said Terry.

There will be coffee, tea and biscuits after bowls.

FOOTY WITH ATMOSPHERE

In January, it was all about cricket. February, we moved to tennis. But now we've stepped into that time of the year that gets (almost) every Aussie seriously excited. Footy Season!

This month, some excellent NRL and AFL matches will be played and if you're craving a weekend footy fix with an atmosphere your home tele just can't deliver, head to 1st on Wharf Tavern at Twin Towns.

When it comes to watching footy on the big screen at the local, bigger is always better! 1st on Wharf Tavern doesn't have a big screen; it has a MEGAscreen. This giant 5.4-metre-wide by 2-metre-high wall of footy will make you feel like you're sitting in the front row at the stadium.

And if you love your footy with a side of food, 1st on Wharf Tavern has that covered too. From bar snacks to devour with an icy cold beer or two, to a hearty pub-style meal with a beer thrown in, they're all on the menu. If you're a member, you'll dine for less.

If you're in the footy tipping competition this year, it's the best place in town to cheer on your teams.

Former NRL star Paul Gallen and former WBA world champion Lucas Browne have been trading verbal blows in the lead-up to their heavy-weight clash on 21 April.

The pair have argued about everything from the prize money to the fight date and at a recent media conference, Gallen took the verbal stouthing to a new level with a shot at Browne's physique.

Veteran heavyweight Lucas Browne, now aged 41, made short work of former NRL player John Hopoate with a second round TKO at his last professional fight in 2019. Gallen, who's 39, lays claim to a 10-0-1 professional boxing record - 10 wins, five of them KO's, zero losses and one draw.

Gallen and Browne clearly don't like each other, at all, so this one is shaping up to be one of those fights you really don't want to miss.

Catch all the action on the MEGAscreen at 1st on Wharf Tavern. Make sure you get there early for the best seats.
