Proposed Juniors Club will reach new heights

FREQUENT BATTLES WITH FLOODWATERS AND MOUNTING COSTS OF REPAIRS AT TWIN TOWNS JUNIORS WILL BE A THING OF THE PAST, PENDING COUNCIL APPROVAL TO DEMOLISH AND REBUILD THE EXISTING CLUBHOUSE.

In determining a new design for Juniors Clubhouse, Twin Towns CEO Rob Smith said the Board has taken the position that the current footprint has worked well for decades, and it has become the much-loved “local” for South Tweed and Banora residents.

“We are taking the current model and totally rebuilding it, elevating the Clubhouse by 1.5 metres to mitigate the risk of flooding.

“So far, we’ve been incredibly lucky. During recent extreme weather events, we’ve been left holding our breaths. Had floodwaters risen another 150mm last time, that small increase would have been disastrous, and increased the cost of repairs by many millions of dollars.

“We know the day will eventually come when this happens. We’re sick of bringing in sandbags, time and time again, year after year, so we decided the time to act is now,” said Rob.

Every service provided at Juniors will be flood safe year-round and new and improved disability access and parking is also an important part of the plan, given the Club will no longer be on

ground level. Although the design of the new Clubhouse will be very contemporary, everything that works well and members enjoy most will be modernised and refreshed, including retaining the much-loved outdoor area.

Once construction commences, Rob said they aim to reopen Juniors in record time to minimise inconvenience.

“We tried to come up with a solution to offer temporary operations during the process but this couldn’t be achieved. Instead, we’ve opted for a rapid-fire approach to reduce downtime and if all goes to plan, Juniors will be rebuilt in just nine weeks.

“During that time, locals can visit Club Banora – it’s just a few minutes from Juniors. We’ll also be working on ways to continue to engage with the local community so Juniors’ regulars don’t miss the opportunity to catch up with their mates for a beer.

“Perhaps there’ll be kegs and BBQs in the carpark, we’ll see what’s possible,” said Rob.

With DA approval expected later this year, it is hoped the project will commence in the first quarter of 2022.

Don't let a day slip by this month without getting an entry in the draw for Twin Towns Members Cash Grab!

TWIN TOWNS AGM 18 MAY 2021. See pages 4 & 5 for details and nominees for election to the Twin Towns Board of Directors

BOARD CHAIRMAN'S Report

The Twin Towns Services Club 64th Annual General Meeting will be held on Tuesday 18 May 2021 at 7pm in the Showroom. I would like to encourage as many members as possible attend this important event.

There will be an election to fill three Board positions which become vacant due to the triennial rule. Three current Board members are seeking re-election and four nominations have been received so a ballot will be required on the night.

The Board approved Life Membership for Cec Anshaw, former President of Twin Towns Services Men's Bowls Club, subject to members' endorsement. Cec joined Twin Towns in 1983 and the Bowls Club later the same year. Cec has been a member for 37 years and is still an active member of the Bowls Club.

I am pleased to inform our members that most of the Club's restrictions have either been eased or totally removed, which makes entering and moving around the venue much easier. I was pleased to see that the restrictions on singing and dancing have been removed as this small gesture certainly makes a difference around the Clubs. You can feel a different vibe through the properties.

The alterations to 1st on Wharf Tavern are progressing and by the time you receive this update, the makeover should be completed. If you get the opportunity, go and have a look for yourself. It's amazing what a difference natural light can make in what was a very dark area.

Many members and visitors have been asking what is going to happen with the old coffee and cake section near the Flame dining area. Well, I can now let you know there will be a new Mexican restaurant on the site. The name of the restaurant will be released as the opening date gets closer. Coffee, cake, donuts, sandwiches, toasties and jaffles, plus delicious ice-creams, are now available from Bliss Café & Dessert Bar which is situated near Harbour Fresh and Gusti.

The Development Application for the extension to the rear deck has finally been approved by Council so works will commence shortly. The new area will be designated a restricted smoking area, meaning that while food is being consumed on this section of the deck, smoking will not be permitted. This area of the Club has not been utilized to its full potential but once work is completed, the natural ambience of the harbour area can be enjoyed by everyone.

Refurbishment of the rooms at Mantra Twin Towns Resort commenced in late April. Works will continue floor-by-floor until all floors in the Resort are completed, which should be sometime next year. The work is certainly required as the rooms were looking very tired and worn. At a cost of over one million dollars per floor, maintaining this facility is not cheap.

The time has arrived to now look forward to some good news. It is my pleasure to inform you that finally, after many years, the Development Application for the building of a brand new Juniors was submitted to Tweed Shire Council in late April.

The redevelopment will commence as soon as practicable after the application is approved. I would not hold my breath waiting for the final decision anytime soon as the Council does not have a good record with these types of applications, but we shall wait and see.

On behalf of the Board, members and management, I would like to congratulate Tweed Heads Bowls Club who this year will celebrate their 100th Birthday. What a wonderful achievement, have a great year, and I wish you every success in the future.

Looking forward to catching up with you at our AGM.

Twin Towns Evening VIEW Club President Rosie McDermott and Zone Councillor Jill Mason meet the children at Centaur Primary School.

A VIEW to the Rainbow Bridge

For the past six years, Twin Towns has donated \$2,000 annually through the ClubGRANTS scheme to support the Twin Towns Evening VIEW Club's breakfast program at Centaur Primary School at Banora Point. Twin Towns also provided an additional \$300 for an end-of-year BBQ.

Previously, a team of volunteers from the Evening VIEW Club, led by Club President Rosie McDermott, has served up a healthy breakfast of cereal, toast, fruit, juice and chocolate milk every Monday to kids at Centaur.

Over the past 12 months, however, CovidSafe restrictions have made it impossible to continue the program.

Jill Mason, Zone Councillor at the Twin Towns Evening VIEW Club, said they wrote to Twin Towns to request permission to redirect some of their 2020 donation to another important project.

"The Special Needs teachers at Centaur approached us about the possibility of purchasing a rainbow bridge for their play area.

"The rainbow bridge is a sensory 'soft play' toy designed to help with the development of balance and coordination skills in autistic children. They can identify the colours, climb on the bridge and crawl through its tunnel.

"The kids were so excited when we arrived with the rainbow bridge and they all helped unwrap it and put it together. It was really heartwarming to see them so happy," said Jill.

Jill said their "Fingers are crossed" that they will get the go-ahead from the NSW Department of Education to reintroduce the breakfast program in May.

Every year, more than 80 local charities, community groups and services throughout the Tweed Shire are supported by local Clubs, including Twin Towns, through the ClubGRANTS scheme.

Over one million dollars is donated annually and without it, many of these worthwhile groups would simply not exist.

Every member of Twin Towns should feel proud that through their membership and patronage of their Club, they contribute to making these donations possible.

MR. T. (TREVOR) ARBON

To be nominated for the board of Twin Towns Clubs and Resorts is both an honour and a privilege. As an owner and operator of a local business for the past 30 years, I have connection with both older and younger locals and residents of the area.

My local tourism business is constantly rated as one of Tweed Head's top attractions. Through my business, I have worked with local tourism operators, other businesses in the area and with local politicians from all sides of the political spectrum.

My previous experience in organisation within the community include the following: President of Tweed Coast Surfriders Foundation; Club House Director of Rainbow Bay Surf Life Saving Club; Vice President of Surfers Against Nuclear Destruction; and Festival Director of Moolies and Doolies Festival.

I have been involved as a local organiser at Jack Evans Boat Harbour for Clean Up Australia Day for the last 30 years.

In my prior community roles, I have helped raise over \$1,000,000 for a range of charities including the Child Abuse Trust, the Brain Foundation and others. In 2020 I was the Northern Rivers Adult Nominee for the NSW Volunteer of the Year award.

"Twin Towns is an important part of our community as it supports many internal clubs, charitable endeavours and junior sport. It also provides wonderful social outlets for people to come together and have a good time. I have a very strong interest in making sure it continues to fulfill these roles and provide benefits to the members in new and exciting ways."

THE CHANGING FACE OF 1ST ON WHARF

It's been a stressful few months for the local construction crew who battled the elements at every twist and turn during renovations at 1st on Wharf Tavern. Now the job is done and members are encouraged to plan a visit to the new look Tavern on the ground level next time they visit Twin Towns.

Work commenced in February on remodelling the lane and entryway to improve access to the Tavern and TAB and the installation of a large picture window to bring in the natural light.

A new seating area and larger benchtop along the existing drinking rail now allows more people to enjoy a better view of the NRL and AFL matches, races and other popular sports on the Tavern's 5.4 metre wide by 2 metre high mega screen. The extended benchtop also provides

space for drinks as well as meals, an improvement many members have requested over the past few years.

The Tavern now has all-weather, automatic entry doors from Wharf Street and a large picture window which allows a view from the inside out to Wharf Street.

A new sound system now syncs with the big screen on the exterior of Twin Towns to provide audio accompaniment to the light shows on the building at night.

1st on Wharf Tavern is already a favourite meeting place for Cooly and Tweed locals who love to watch the footy or have a punt on the races.

If you haven't been there, you should!
1st on Wharf Tavern opens every day, from 9.30am until late.

Picture windows bring natural light to the Tavern

Raffles at Twin Towns on Sundays will be a full-on afternoon of entertainment with some of the Club's best loved musos taking the stage for live music throughout the afternoon.

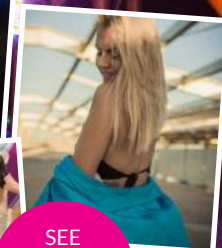

Maria (from popular party band and Twin Towns' regulars, The Frocks) and all-time favourite showman Steve Cummins (legendary for his Neil Diamond Superhits show) alternate throughout May.

Entertainment kicks off at 2.30pm and each artist will play through to 6.30pm, as well as hosting the raffle draw at 4.15pm.

Make next Sunday a funday at Twin Towns and spend the afternoon listening to some great live music and maybe pick up a raffle prize or two along the way.

THIS MONTH THERE'S A HUGE AND EXCITING LINEUP OF FREE KIDS DAY ENTERTAINMENT AT CLUB BANORA'S OUTDOOR PLAYGROUND.

On Sunday 9 May, there will be three hours of full-on fun with a balloon artist, who will twist and turn some magical creations for the kids from 12pm to 3pm.

It's arts and crafts day for the kids on Sunday 16 May from 12pm to 3pm. They'll get the opportunity to make pull-out cards, wind chimes and 'mini-chefs' can put their artistic talents to work decorating their own cookie.

The popular Circus Workshop returns on Sunday 23 May between 12pm and 3pm, with a roving expert entertainer who'll teach the kids juggling, hoola hooping and heaps of cool circus tricks.

At a special interactive event on Sunday 30 May from 1pm to 3pm, the kids will be introduced to some creepy creatures from the deep when the Marine Touch Tanks are set up in the outdoor playground.

The Marine Instructor will provide a presentation and introduce the kids to precious marine inhabitants such as sea stars, sea urchin and sea cucumbers. They'll even get the chance to get up close and personal with a baby Bamboo Shark!

The kids can explore the tanks and learn about the importance of caring for our marine environment.

Put these dates in your diary so you can relax and enjoy a social catch-up with family or friends while non-stop fun and games keeps the kids happily entertained for a few hours.

All kids' entertainers will implement COVID-Safe protocols on the day to ensure their time spent with the children incorporates social distancing measures and safe, hygienic activities.

A CURRUMBIN COOLANGATTA TWEED ROTARY PROJECT

Level 3 hotel room refurbishments at Mantra Twin Towns are underway, scheduled for completion late June 2021.

All 24 rooms and hallways will be transformed, continuing the stylish, beach-themed vibe in the foyer, reception, Signatures, and recently refurbished rooms on Levels 4 and 5.

The new décor features Hampton's style coastal colours, with neutral tones and natural timbers and textures. The design reflects the resort's spectacular views and location, just a few minutes' walk to Greenmount and Coolangatta beaches.

The rooms will have a full fit-out with new carpet, drapes, lights, mirrored wardrobes, stone benchtops and cabinetry in kitchenettes, new tiling in bathrooms and modern furniture.

As has been the case with previous renovations at the Resort, local tradies are carrying out the million-dollar refurbishment.

Scott McClintock from Tweed-based TLF Developments said around 40 tradespersons are currently onsite or will be over the next few weeks.

"It's been fantastic to work on the Mantra project since 2019 and see it progress. Many of the tradies have worked on all three levels at Mantra and everyone really appreciates the work.

"We all agree, the views from the hotel rooms make it a very easy place to work."
