Head Chef David Organ, ready to get the party started at Amigos!

OPENS
THURSDAY
10 JUNE

Arriba, Arriba! AMIGOS IS COMING IN JUNE

If you're craving a 'south of the border' dining experience with a few drinks, need a late-night taco fix after the show or you're a full-on fan of fresh Mex anytime, day or night, Amigos at Twin Towns is about to bring some colour and fun to the table.

From Thursday 10 June, head to Level 1 and follow the irresistible aromas of Mexico to Amigos. Express, Cantina-style meals are on the menu, including Tacos, Nachos, Burritos, Burrito Bowls, Chimichangas and fresh and healthy house-made salads.

Amigos dishes come with your choice of tender charred chicken, pulled beef brisket, spicy grilled chorizo or the 'vego mexo' vegetarian option. Head Chef David Organ says the key ingredient in all Amigos' dishes is "FRESH"!

"Our signature Amigos' tomato salsa and pineapple salsa will both be made inhouse, using the best and freshest produce from the market.

"Amigos smoky chipotle mayo, guacamole, slaws, salads, along with all meat and vegetarian fillings, will be prepared in our kitchen by Twin Towns chefs.

"Fresh limes, coriander, avocados, capsicum, chillies, heirloom

tomatoes, butter beans, roasted vegetables such as cauliflower and broccolini feature throughout the menu.

"Amigos will be distinctly different to any other restaurant at Twin Towns," said David.

Express meals from the new outlet will be perfect to share at the table with your amigos or just go solo and clutter the table with your favourites for a Mexican feast.

Grab your Amigos-to-go meal, an icy cold beer, Margarita or drink of your choice, and enjoy some great Mexican food wherever you choose within the Club. You can also take your Amigos with you if you're heading home or staying at the Resort.

It may be the hottest new thing at Twin Towns but meals at Amigos won't be too spicy so don't be scared to give it a try. If milder Mex is nacho style, there's the option to add Amigos house-made chilli sauce for some firepower.

Enjoy a taste of Mexico at Amigos at Twin Towns or as the Mexicans say, "Buen provecho".

Amigos will open Thursday to Sunday. Check the [website](#) for opening times.

The number of members and visitors attending the Clubs has increased, albeit slowly, as we become more confident about going out and engaging with other members of our community. The theme for the future could well be remaining vigilant and abiding by all health orders as they are issued. This may not be easy but may help to stop the transmission of the virus into the community.

The new Mexican restaurant called AMIGO'S is certainly taking shape and is due to open for business in early June. I really like the look of the fit-out, especially the sombrero light shades which I think will be a real conversation starter. The restaurant adds a new variety of food offers available at the main Club.

There is not much new information available at the moment as we are focusing on providing new and exciting entertainment at all our venues, eg live music, raffles, shows and many other attractions which will be added in the future.

The Cash Housie which was held at Club Banora finished at the end of May 2021. The Currumbin Coolangatta Tweed Rotary Club found that providing the sessions was cost prohibitive and were forced to cease their involvement.

Until next time

Brian Brown

The 64th Annual General Meeting of Twin Towns Services Club Limited was held on 18 May 2021. The 110 members in attendance at the meeting enjoyed supper and refreshments at the conclusion.

A ballot was required to elect the three directors as required under the Club's constitution. The successful nominees are as follows: John Keating, Ragina Rogers and Brian Brown.

There were several questions received in relation to the potential amalgamation with Cudgen Leagues Club which were answered by the CEO Rob Smith. The meeting concluded at 7.30pm.

Vale Life Member Cec Anshaw

Twin Towns Board of Directors, management and staff were deeply saddened to hear the news that Life Member Cec Anshaw passed away on 28 May.

At the Twin Towns AGM on 18 May, members voted unanimously to endorse a resolution to honour Cec with Life Membership. He received his Life Membership badge at a presentation at Club Banora on 22 May.

Board Chairman Brian Brown said Cec will be remembered as a highly respected bowler and much appreciated member of the Men's Bowls Club.

"Cec was a Foundation Member in 1996, President on nine occasions, Vice President five times, Games Director twice, Assistant Director twice and Club Patron for eight years. Not only was he dedicated to his Club, he was an outstanding bowler, winning Club Championships in Pairs, Triples and Fours.

"His commitment to the game was unwavering, taking up roles as National Coach and National Umpire. Cec's generosity in giving his time to assist and guide others made him an invaluable member of Twin Towns and Men's Bowls," said Brian.

Condolences are extended to Cec Anshaw's family, friends and fellow bowlers.

Twin Towns CEO appointed to ClubsNSW Board

Last month, ClubsNSW announced that Twin Towns CEO Rob Smith would be appointed to the Board to fill a casual vacancy resulting from the retirement of long-serving Director Keith Gomes.

ClubsNSW Chair George Peponis, OAM, MBBS, said Rob Smith brings extensive club industry knowledge and significant experience in the operation and evolution of gaming, as well as club property developments and acquisitions.

"Rob has also represented ClubsNSW as the appointee to the Tourism Industry Council and been a member of the ClubsNSW Gaming Advisory Committee since 1992," said Mr Peponis.

Rob said he is pleased to take up the position on the Board of ClubsNSW, which currently represents over 1,200 member clubs and assists with strategic direction and vision for ClubsNSW and clubs across the State.

"To have the opportunity to take up this role as a ClubsNSW Director is both an honour and a career highlight.

"ClubsNSW is the peak representational body for NSW clubs and the fundamental role of its Board is to manage the organisation's operations and activities to ensure they are geared towards sustainability and optimal outcomes for the industry.

"The organisation also contributes to state and national policy direction and development of legislation that may impact its member clubs.

"I look forward to working alongside the Chair and my fellow Board Directors, and offering a regional perspective to the discussions on issues that affect all clubs."

WHEN THE MEMBERS CASH GRAB JACKPOT HIT A MASSIVE \$25,500 FOR THE DRAW ON 22 MAY, ONE VERY HAPPY WINNER, LOCAL MEMBER BRIAN ANDERSON, WAS THERE TO CLAIM THE PRIZE!

Brian said he worked that Saturday afternoon so just came in for the major draw. He said when his name was called, it was a "numbing experience".

"It was numbing, but it felt good. I thought, the universe has been good to me and now I can spread that goodness around with some friends and work colleagues that aren't well off.

"I've already shared \$4,000 of the win and called another friend who is doing it tough to tell him we are both going on a holiday."

Brian said he went to bed the night after the win but woke up at 4am. He thought to himself, did I dream that I won that money at Twin Towns last night?

It soon came flooding back. He did win over \$25,000 and Brian is living proof that good things can happen when you least expect it.

Brian said he does have a few things he would like to do for himself and the jackpot is certainly going to help cover the costs.

Congratulations Brian, it's great to hear the big win, and your generosity, is bringing smiles to so many faces.

Comedy & Cocktail Club at Breezes Bar & Lounge

They say laughter is the best medicine and now you can get a healthy dose of it at Breezes Comedy & Cocktail Club on the first Thursday of every month.

The new concept kicks off on Thursday 3 June, with a line-up of some of Australia's standout stand-up comedians.

Headline act is Steve Allison from Brisbane's famous Sit Down Comedy Club at Paddington. Laid-back Steve is Aussie humour at its best. He's a genuine larrikin and his well-crafted mix of snappy one-liners, hilarious stories and funny home truths will have you in stitches.

MC on the night will be Yorkshire comedian Dan Willis. After studying Computer Sciences at Liverpool University and spending 10 years in the IT industry, it comes as no surprise to most that Dan turned his head to comedy. Although he says the IT crash of 2001 also made his move slightly easier, if not essential.

After more than 3,000 gigs in 11 different countries, including the Edinburgh Fringe, Willis is a regular performer at major comedy clubs here in Australia.

There will also be two support acts

bringing more laughs on the night.

Tickets for the Breezes Comedy and Cocktail Club are \$20. And we weren't joking when we said '& COCKTAIL'. Your ticket includes a complimentary Breezes 'Comedy Cocktail' on the night.

Breezes is a small, intimate bar and lounge on Level 1. Seats are limited so [book now!](#) Be seated by 7pm for your cocktail; showtime's 7.30pm.

If you miss out this time around, the next Breezes Comedy & Cocktail Club will be Thursday 1 July. Keep an eye on the [website](#) for details.

THE ANGELS ARE COMING TO THE TWIN TOWNS SHOWROOM

REGARDED AS ONE OF AUSTRALIA'S MOST ENDURING BANDS, THE ANGELS HAVE PERFORMED TO SELL-OUT CROWDS ACROSS AUSTRALIA SINCE THE '70S.

When Bluesfest cancelled a few months back, The Angels (John and Rick Brewster, Dave Gleeson, Nick Norton and Sam Brewster) were devastated. They wanted to put something big together as a way of reconnecting with their fans.

This year, The Angels celebrate some major milestones, so their Greatest Show on Earth Tour is going to be very special, for the band, and fans too.

It's 45 years since their debut single - *Am I Ever Gonna See Your Face Again* - a song that left an indelible mark on Aussie music culture. The tour also marks the 10th anniversary of Dave Gleeson joining The Angels, a role he treats with great reverence.

"I'm definitely respectful of the fact that I'm not the creator of the Angels' sound and I'm always mindful of bringing that energy that Doc brought to the band.

"It's a real treat for me to be up there blasting out songs I've loved since I was a kid," says Dave.

"As we all know, it's been a very tough year for the music industry and every music fan. Our relationship with the audience means everything to us," says Rick Brewster.

"It's time to get back out there and do what we love doing," adds John Brewster. "It's time to rock."

And rock they will, with wall-to-wall hits including *No Secrets*, *Take A Long Line*, *Shadow Boxer*, *Marseilles*, *Comin' Down*, *After the Rain*, *Face the Day*, *Fashion and Fame*, *We Gotta Get Out of This Place*, *Mr Damage* and, of course, their legendary *Am I Ever Gonna See Your Face Again*.

RARE GEMS ON THE TOP SHELF AT BREEZES

Over one hundred bottles of hand-selected premium spirits glisten on the top shelf at Breezes Bar & Lounge at Twin Towns, all wearing a \$9 price tag around their necks, and they're calling your name!

Breezes Top Shelf invites you to explore an ever-evolving range of rare and expensive whiskies from Japan and Scotland, quality bourbons and revolutionary rums from around the world, and colourful gins made right here in our own backyard.

Some 'hot' new drops have hit the Top Shelf in recent weeks, including Queensland-made Black Cockatoo chilli spiced rum that's guaranteed to ward off the Winter blues. The habanero-infused Eros Chilli Vodka is not for the faint-hearted, but if you're feeling a little adventurous, here's your drink!

Japanese are still nudging out Scotches for top spot on the best-sellers list at Breezes. Akashi White Oak Blue Japanese Whiskey, which retails for around \$120 at the bottle, leads the race. Try it at Breezes for just \$9 a nip.

Not surprisingly, the Macallan 12 Years Fine Oak Whiskey is not far behind. Made by one of Scotland's first legal distilleries, this rich, smooth and nicely balanced Scotch is one for the whisky 'not on the rocks' traditionalists.

Gentleman Jack continues to hold top spot in the bourbon range, Knob Creek's a close second. Manly Spirits Lilly Pilly Pink and McHenry Butterfly are top sellers in the gin range. Dictador 12 Rum from Columbia and Ratu Fijian Spiced Rum lead the charge in the rums range.

GET YOUR FOOTY FIX at 1st on Wharf Tavern

Whether you're barracking for New South Wales or Queensland or more interested in seeing your favourite team grind the opposition into the turf at Friday night footy, there's no better place to watch it live than 1st on Wharf Tavern.

Recent renos have created even more 'best seats in the house' so there are plenty of spots to watch the game with your eyes glued to the Tavern's giant 5.4 metre-wide screen. All up, there are more than 30 screens throughout the Tavern so you won't miss a minute of the action.

If cold beer and hot food are all part of

a night at the sports bar, 1st on Wharf Tavern has that covered with classic pub-style meals from \$18 for members, including a handle of beer, a wine or spritzer.

1st on Wharf Tavern is giving footy fans the chance to win a Blues or Maroon jersey with one of each to be given away during the three State of Origin clashes. See below for details.

If you're looking for the atmosphere you just can't find in your loungeroom, the Tavern is the place to watch the NRL and AFL this season.

1ST ON WHARF TAVERN INSIDE AND OUT

Members are making the most of the new-look 1st on Wharf Tavern at Twin Towns, with big crowds rolling in to watch the Friday night and weekend footy and other live sports on the sports bar's 5.4 metre megascreen.

A new seating area and benchtop offer premium seats with the best view of the action on the screen and a large picture window now brings natural light to the Tavern and a view outside to Wharf Street.

A makeover, upgrade and additional screens at the TAB have also proved a hit with punters.

The new outdoor area outside on Wharf Street has become a cool and casual meeting place for Cooly and Tweed locals. If you need to take a break from sport, grab your drink, wander outside, take a seat and watch the world go by.

1st on Wharf Tavern and TAB opens every day, from 9.30am until late.

Kids Days are FUN Days at Banora

Sunday Kids Days in the outdoor playground at Club Banora roll on through June, with lots of opportunities for families to get out and about and enjoy some winter sunshine.

On Sunday 6 June, there are free arts, crafts and activities for kids from 12pm to 3pm. Kids can make their own dream catchers or try their hand at creating some musical instruments.

On Sunday 13 June from 12pm to 3pm, the popular Circus Workshop returns. A roving performer will teach the kids juggling, hula-hooping and loads of cool circus tricks.

A Balloon Artist will keep the kids entertained on Sunday 20 June from 12pm to 3pm with an afternoon of twisty-twirly fun under the sun.

Put Sunday 27 June in your diary and bring the kids along for Wild Rangers Wildlife Encounters from 12pm to 3pm. There will be a presentation for the kids about Australian native wildlife and they'll get to meet some of the Wild Rangers critters, including creepy reptiles, a cute possum, a beautiful bird and a friendly frog.

Club Banora's outdoor playground is fun for kids, every day of the week, all year round. If you're planning a family get-together or kids birthday party, ask about hiring out one of the all-weather outdoor cabanas. Call the Club on 07 5536 2277 for more information.

Wild Rangers Wildlife Encounters comes to Club Banora in June.
