WHO WOULD HAVE LOVED AN 85" TV DURING LOCKDOWN?

Twin Towns MEGAscreen 85" TV giveaways at Club Banora and Juniors was shaping up to be one of the most popular promotions ever, until the lockdown of all NSW Clubs in August and September put a dampener on the excitement.

Just to ensure all members get a crack at getting entries in the SIZE MATTERS TV GIVEAWAY, the draw date has been extended to Christmas Eve, Friday 24 December.

Members have the chance to win one of four state-of-the-art, supersized 85" Samsung QLED Q70A MEGAscreens valued at around \$5,000 each. The prizes also include installation, provided you live locally.

Members can get one ticket in the draw each day with their first purchase of ANY beverage at Club Banora and Twin Towns Juniors. It can be a beer, wine, spirit, tea, coffee or soft drink.

The more days you visit, the more tickets you'll have in the barrel. Visit both Clubs on the same day to get even more entries in the draw.

The TVs will be drawn at 6pm on Christmas Eve, Friday 24 December and you must be present at Club Banora or Juniors for the draw to win.

And if you're not a Twin Towns member, you should be! Join today from just \$2 a year at www.twintowns.com.au and start getting your tickets in the draw.

You may win yourself the best Christmas present EVER!

CHANGES FROM 11 OCTOBER AT ALL TWIN TOWNS CLUBS

Twin Towns, Club Banora and Twin Towns Juniors are currently open.

We would like to ensure ALL members and visitors are aware that Twin Towns will soon move into a new phase of how we conduct business.

From Monday 11 October 2021, Twin Towns, like all NSW Clubs and hospitality venues, must adhere to the mandatory requirements of the NSW Government's three-stage roadmap which outlines the way forward:

1. From Monday 11 October, (70 percent of NSW people fully vaccinated), only fully vaccinated members, visitors, staff, contractors and others can enter the Club premises;
2. From Monday 25 October, (80 percent of NSW people fully vaccinated), further restrictions will ease, including intrastate travel for fully vaccinated people only.
3. From Wednesday 1 December, unvaccinated people will have the opportunity to enjoy the same freedoms as those who have received their double vaccination.

The most important message for members and visitors to Twin Towns, Club Banora and Juniors is that from 11 October, you will need to show confirmation that you are fully vaccinated to enter the Clubs. This includes those who have tickets to a show in the Twin Towns Showroom.

With the Tweed's vaccination rate steadily climbing, we are sure many members have already received their double vaccination and after 11 October, they can continue to enjoy the Club's facilities whenever they wish.

BOARD CHAIRMAN'S REPORT

I would have liked to have commenced this update with some positive news like the border has reopened but sorry to say, that's not the case.

Life as we know it is far from easy, with political interference taking precedence over simplicity. Who could have imagined that the Queensland/New South Wales border would be closed to local residents of the so-called border bubble? Who would have thought we would endure the closure of our three Clubs, three times in the past 18 months?

The speed with which the last snap lockdown occurred took everyone by surprise. One day we were open and within a few days we were closed. The hard border between Qld and NSW is still causing problems for many and has impacted everything we usually take for granted.

Border restrictions have also caused significant personal issues for staff who have been either stood down or had their hours reduced. It has also caused a great deal of angst and concern about how to provide the necessities of everyday living for them and their families. Some staff may never return to work at Twin Towns again. The Board is well aware of their concerns and our thoughts are with them all during these extraordinary times.

Although the latest lockdown ended after seven days, the Qld Premier has maintained strict conditions relating to crossing the border, which has created enormous confusion. No-one can cross the border for other than essential reasons, in accordance with the onerous and confusing Health orders at this time.

The Qld Premier and Chief Medical Officer should try filling out and applying for their own Border Pass before placing that burden on the public. I doubt either would be allowed to cross back into Queensland.

Border protests staged were extremely disappointing and caused more trouble rather than a successful outcome. The large Police presence assisted

in containing a difficult situation and they should be congratulated for their professional attitude and expertise. I am not against peaceful demonstrations but wasting police resources on an issue that was not going to resolve the border problems was, from my point of view, a waste of time.

I would like to thank our 64,000 members for their understanding and patience during these times, especially those from Queensland. I understand your frustration at not being able to visit your Clubs and enjoy their facilities. I am sure you also miss the comradery and socialising, which is an important part of our social fabric.

As we all deal with the impositions on everyday life on the border, please spare a thought for the challenges your Club faces as we try to adapt to new restrictions outlined on the previous page. How do you manage a 140 room resort when Queenslanders can't cross the border to visit or a large conference and events space when capacities are so reduced, and artists who can't get to Twin Towns due to travel and border restrictions? We still need to maintain all the facilities that make up your Clubs.

I frequently attend Twin Towns which, as you are aware, has a very large footprint and am concerned by the lack of people in the Club; the building is like a ghost town with very few patrons visiting during the current environment. I am aware that Club Banora and Juniors are being well supported by their regular customers. Their continued support is much appreciated now and hopefully into the future.

Hopefully, restrictions will end soon and when that time comes, Twin Towns Clubs and Resorts will be there to welcome people from both sides of the border to enjoy the amenities at our world class venues and facilities.

Until next time,

Brian Brown

Getting social at Twin Towns & Club Banora

The Stitch & Smile Club at Twin Towns and Fun Bingo at Club Banora are back in full swing this month!

These free morning get-togethers are an opportunity for all ages to get out of the house, socialise and have some fun.

Twin Towns Staff & Customer Care Ambassador Marty Thompson said everyone is welcome and if you're new to the area or here on holidays, you can come too.

"Morning tea is on the house at both social mornings.

"If you come along to Fun Bingo and you've had a great time, we invite you to offer a gold coin donation to Guide Dogs Australia."

Marty said Banora's Fun Bingo is a bit of a twist on traditional bingo.

"It's about having some laughs, playing a few not-so-serious games and if you win a prize along the way, we hope it makes your day," said Marty.

"We saw a good turnout at both mornings when we resumed after the lockdown. I think people are just happy to have the chance to be out socialising again. Both Clubs ensure it's a safe and healthy environment and Covidsafe requirements are adhered to."

Stitch & Smile Club is on the first and third Wednesday of the month from 10am Qld in Flame at Twin Towns. Fun Bingo at Club Banora is on Thursdays at 10.30am NSW.

It was definitely 'fun and games' for June Goodrum who enjoyed a morning out last month at Club Banora's Fun Bingo.

Ken Done: Up to 80 on the big screen

Tweed Regional Gallery & Margaret Olley Art Centre is once again helping Twin Towns brighten the Tweed skyline with a selection of paintings from their current exhibition, Ken Done: Up To 80

The Ken Done paintings can be seen each evening on the 17-metre screen on the exterior of Twin Towns from now until Sunday 31 October, on the hour every hour from 7.10pm to 11.10pm Qld.

Since his first solo exhibition in 1980, Ken Done has become one of Australia's most renowned artists. His work has been described as 'the most original style to come out of Australia', and his paintings are in collections throughout the world.

His works have been shown in the Archibald, Sulman, Wynne, Blake and Dobell Prizes. In 1992, Done received the Order of Australia (AM) for services to Art, Design and Tourism. In many parts of the world, Ken Done has come to symbolise Australia and Australians – creative, optimistic and bold.

The Tweed Regional Gallery's exhibition, in partnership with the Ken Done Gallery, presents a new and vivid collection of works created over the last two decades. It represents many of the artist's favourite and best-loved subjects - the beach, the reef and portraiture, as well as his own personal environment- his garden and cabin studio in Sydney.

The full collection of works will be on display at the Tweed Regional Gallery until Sunday 31 October. For more information, visit their [website](#).

To see more of the works from the exhibition, scan the QR code on the right.

True Blue THROUGH AND THROUGH

IT IS HARD TO DESCRIBE JOHN WILLIAMSON AND HIS MUSIC WITHOUT THINKING THAT YOU HAVE LEFT SOMETHING OUT OR UNDERRATED HIS CONTRIBUTION AND ACHIEVEMENTS.

How do you sum up an artist who has captured a country in song and had such a successful career in one of the most cutthroat industries around? It's an almost impossible task.

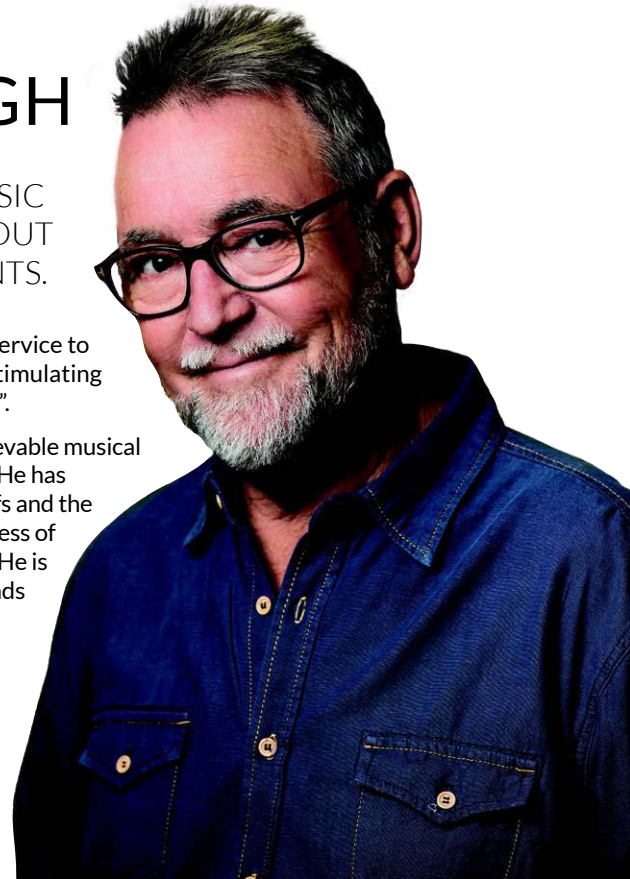

After 51 years in the music industry, and touring continuously, John's career is stronger than ever and he is still writing and recording new songs. But during this time, he has shunned celebrity and resisted offers to take his music to the international stage, preferring to stay true to his passion: Australia.

An ARIA Hall of Fame member, John Williamson has won three ARIA Awards, four APRA Awards, eight TSA Awards, eight MO Awards, 24 Golden Guitar Awards and sold more than four million albums in Australia. On Australia Day 1992, Williamson was made a Member of

the Order of Australia (AM) "for service to Australian country music and in stimulating awareness of conservation issues".

John is not only an artist of unbelievable musical poetry but also a man of integrity. He has always stood firm to his own beliefs and the courage of his convictions, regardless of the outcome and without regrets. He is truly proud of his country and stands and sings tall with each note.

Due to demand for tickets to see John Williamson on [Saturday 30 October](#), Twin Towns recently announced a second show on [Friday 29 October](#). Book now. [Click here](#) to see a video of John's famous song, Old Man Emu.

MAMMA MIA, HERE WE GO AGAIN!

World famous ABBA super-troupers, Bjorn Again, perform all the biggest and best ABBA hits in a highly entertaining, fully produced show featuring all the authentic ABBA costumes, boots and makeup. And yes, we can guarantee there will be plenty of blue eyeshadow.

Combing theatrical antics and a healthy dose of parody, the show sends audiences into a sing-along frenzy, leading one European critic who saw their show to say: "When Bjorn Again leave the stage the disappointment is almost heart-breaking!"

Those who have been to a Bjorn Again show quickly become lifelong fans. If you are one of the few that hasn't seen this amazing act live, now is the time to experience the electric atmosphere, feel good songs and see why this band is one of the most popular of all time with audiences at Twin Towns.

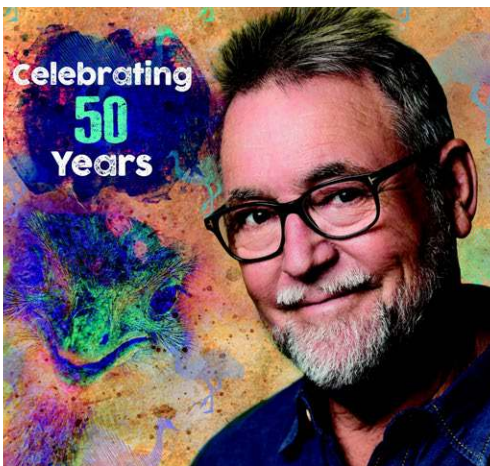

[Book now](#) for Bjorn Again's Mamma Mia, We are Back Again concert on Friday 10 December. [Click here](#) to see Bjorn Again performing live.

ENTERTAINMENT WAS CORRECT AT THE TIME OF WRITING BUT MAY BE SUBJECT TO CHANGE WITHOUT NOTICE. FROM 11 OCTOBER, THE NSW GOVT REQUIRES ALL PATRONS ENTERING THE CLUB TO BE FULLY VACCINATED AND SHOW PROOF OF THEIR VACCINATION RECORD.

Finally it's happening, well at least at the time of writing it is. Fingers crossed the trilogy continues on Sunday 10 October!

WBC and The Ring heavyweight champion Tyson Fury and former WBC heavyweight champion, Deontay Wilder III are set to square off for a third time, following a series of lengthy delays.

After the pair were controversially locked in a draw first time around in 2019, the world was shocked when Fury dethroned Wilder just 14 months later.

Both previous fights delivered explosive atmosphere and nonstop action. Their third encounter, aptly billed 'Once and For All', is set to be a thriller.

Wilder has been training with former opponent, Malik Scott. While it seems many have written off Wilder's chances of reclaiming his former title, Scott told Sky Sports in a recent interview he is confident Wilder can cause a major upset.

"They underestimate his IQ. He is not some big, dumb guy who just throws a right hand. There is method to his madness. Deontay will knock Fury out inside of five rounds," said Scott.

Many aren't convinced, with betting odds favouring the current champ at the time of writing.

Feel like you're ringside in front of the 5.4-metre-wide MEGAscreen at 1st on Wharf Tavern at Twin Towns. Get in early for the best seats. The event gets underway from 11am Qld.
