# ONE YEAR, TWO NEW COMMUNITY CLUBS

## TWIN TOWNS SET TO STEAMROLL INTO 2022

NEXT YEAR WILL BE THE BIGGEST YEAR IN TWIN TOWNS' HISTORY AND THE FIRST TIME ANY NSW CLUB HAS BUILT TWO BRAND NEW CLUBS, IN ONE COMMUNITY, IN ONE YEAR.

Twin Towns long term strategy of continually investing, reinvesting, growing and evolving the organisation, its Clubs, their assets, services and facilities, has never been more evident than in the plans on the table for 2022.

Last month, Twin Towns Development Application to build a new, elevated club house on the flood-prone site at Twin Towns Juniors was approved. Twin Towns also awaits DA approval to build a new club house at Cudgen Leagues Club.

Twin Towns CEO Rob Smith said one Club, Juniors, had continually battled major flooding over the years and Cudgen Leagues Club was almost totally destroyed by fire back in May 2020.

*"It's time to give both Clubs back to their communities."*

"When we took over Juniors in 2002, it was in the midst of a financial crisis. We turned things around and locals got their Club back.

"But the time has come to fix the problems with flooding, once and for all. The new Club will be flood-safe all year round and improved disability access and parking is part of the plan," said Rob.

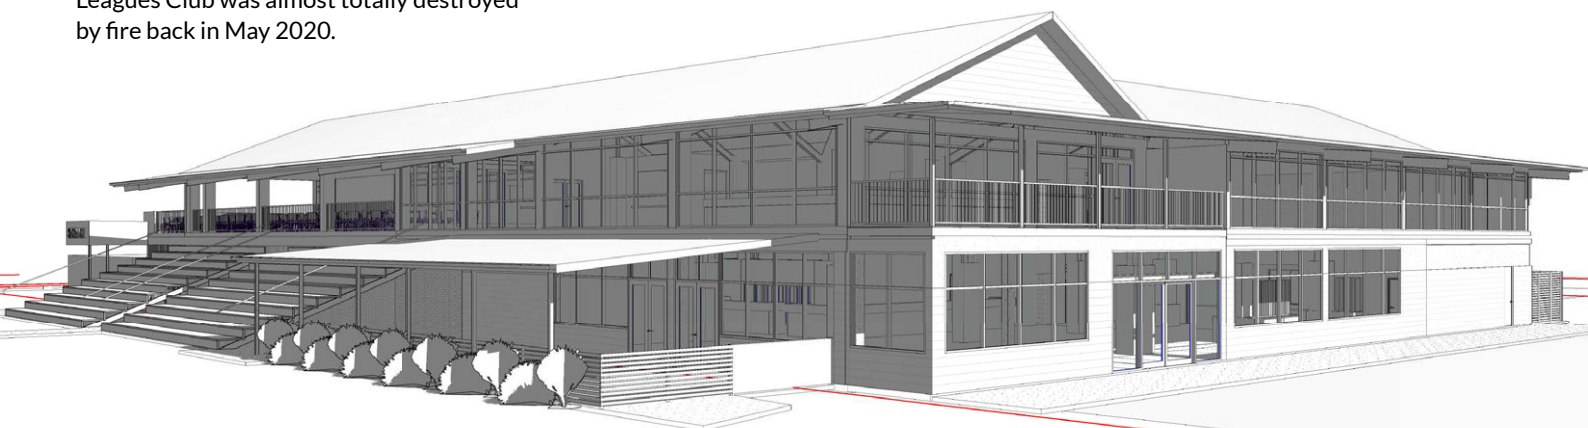

While Juniors will have a contemporary new design, everything that currently

works well and members enjoy most will be modernised and refreshed, including the outdoor area.

"If weather is on our side, the modular design of the new Juniors will allow us to reopen in just nine weeks, so members and locals won't have too long to wait between drinks."

The Twin Towns Board of Directors is so confident in the community Club model they have created at Juniors and Club Banora, they have embarked on their second project for 2022, Cudgen Leagues Club.

Continued page 3

Cudgen Leagues Club Chairman Peter McConnell and Twin Towns Board Chairman Brian Brown sign the Memorandum of Understanding between their two Clubs.

The signing of a Memorandum of Understanding between Cudgen Leagues Club and their Board's chosen amalgamation partner, Twin Towns, has paved the way to opening a new, multi-million-dollar club at Cudgen next year.

"Twin Towns will use its solid financial resources and management expertise to ensure Cudgen Leagues Club evolves and grows its market into the future, as Twin Towns has done throughout its 64-year history," said Twin Towns Board Chairman, Brian Brown.

Twin Towns currently has 65,000 members, many of which are locals from the Border, Tweed and Tweed Coast communities. Twin Towns will welcome Cudgen Leagues Club members who will enjoy the same membership benefits, advantages, promotions and discounts.

In the Memorandum of Understanding between the Clubs, the existing plan for the

Club house submitted by Cudgen Leagues Club to Tweed Shire Council will be adopted. Cudgen Leagues Club Board believes approval of the Development Application is only weeks away, which means construction can be completed in 2022.

This will allow Cudgen Leagues Club to bring back the dining, entertainment and club facilities its locals and members have missed for the past 18 months. Cudgen's sporting Clubs will also receive huge funding commitments from Twin Towns to assist their clubs and their grounds.

With Twin Towns at the helm, the future looks bright for Cudgen Leagues Club.

Twin Towns tops off 2021 with the completion of a \$10.5M refurbishment of Mantra hotel rooms, its reception area, foyer and lobby bar, ahead of a rebrand and relaunch of the hotel in 2022.

The new Cudgen Leagues Club will have contemporary décor with spacious dining and entertainment areas.

Twin Towns will continue to support ALL local sports.

Cudgen Leagues Club will be designed for the family market, following the path of Twin Towns successful community Clubs, Club Banora and Twin Towns Juniors.

Cudgen Leagues Club will once again be a Club for the ENTIRE community, with bars, dining, entertainment and first-class facilities.

# KIDS FLOORED BY TWIN TOWNS DONATION

When Pottsville Community Preschool put a call out to Twin Towns for a helping hand to replace their ageing floor, how could we resist these super cute kids, and their dedicated army of educators!

Twin Towns sent \$7,300 their way to replace the Preschool's floor which was laid back in 1986. Are they happy? Educators at the school let the kids have their say.

*Did you know the preschool got a new floor during the school holidays?*

**Bonnie and Remy:** "Yeah."

*How did you know?*

**Remy:** "The floor was lighter."  
**Bonnie:** "The builders came here and did it. It took three days."

**Owen:** "Yeah, it was a different colour."

**Miles:** "Yeah, I was there."

**Marcus:** "Yes, because it looks cleaner."

*Can you tell me about it?*

**Miles:** "It was sticky and then it wasn't."

*Did you know that our preschool didn't have any money for the floor so someone gave us the money?*

**Bonnie:** "What? That was so nice of them!"

**Jarra:** "That so nice."

*What could we do, make or send them to say thank you?*

**Miles:** "We could send them money."

*But preschool doesn't have any spare money to send them?*

**Miles:** "I do."

**Jarra:** "Yeah, I have \$100 we could give them."

**Noah:** "Next year we could give them money or maybe a letter."

Thanks to all the Pottsville Community Preschoolers and their educators for telling it how it is! Safe to say, Miles and Jarrah can hang onto their money. Their heart-warming response is the only

payback Twin Towns needs. Enjoy the new floor, Pottsville Community Preschool!

In 2020/2021, Twin Towns donated over \$1.4M to the local community through ClubGRANTS. Twin Towns Services Community Foundation donated another \$270,793, including \$200,000 in grants for lifesaving medical research. Twin Towns contribution to medical research brings benefits to entire local community and all Australians.

# FOOD WITH A VIEW ON THE HARBOUR TERRACE BALCONY

In early December, Twin Towns throws open the doors to the new Harbour Terrace balcony, setting the scene for Summer with alfresco dining and drinks, cruisy acoustic sets and sunset sessions, all with a stunning view of Jack Evans Boat Harbour and beyond.

The extension adds an additional 140 square metres to the existing balcony, with a non-smoking area for dining and drinks. It gets better!

On weekends, a new BBQ Smoker will be fired up on the balcony so diners can relax over a few cocktails or icy cold jugs and kick back with a feast of whole BBQ prime cuts, served with all the trimmings.

Twin Towns Head Chef David Organ said he is planning a rotating menu of meats to share at the table with friends.

“On the smoker we’ll be cooking pork and lamb shoulders, beef brisket, chicken and gourmet snags, served on platters with roasted root vegetables, corn on the cob, slaw, Texan smoky BBQ sauces and condiments.

“The meat will be served by weight so if you have a table

of four or six, you may choose to order a whole cut of meat to share at the table.

“Top that off with a jug of beer or one of Twin Towns cocktail jugs and I think you have all the ingredients you need for the perfect Sunday session,” he said.

As well as meals from the smoker, which will be available on Saturdays and Sundays, diners can order from Amigos Mexican Express Cantina and enjoy a Mexican feast outdoors in the sunshine.

Add the convenience of a brand new bar on the doorstep to this fantastic new space and you’re set for an afternoon or evening of Summer fun.

Members who choose to smoke are reminded they won’t be overlooked with the opening of the new extension. Designated smoking areas will still be available for them when they wish to use them.

Stay tuned for more updates in December Club News. In the meantime, get excited about the taste of things to come.

# MORE TIME TO USE YOUR POINTS

Twin Towns understands that this has not been an easy year for members!

With ongoing issues with travel restrictions and border closures, many of our valued members have been unable to visit their favourite Twin Towns Clubs as often as they would have liked.

If all goes to plan and the Qld/NSW border reopens in December, we can't wait to welcome EVERYONE back!

In the meantime, Twin Towns has decided to extend the final date to redeem your Members Advantage Points for 2021.

Previously, points had to be redeemed by close of business on Christmas Eve. This year, Members can cash in their points any time up until close of trade on New Year's Eve. This will ensure more members have the chance to redeem their points before the Club reopens for 2022.

There are lots of ways to use them, whenever you visit the Clubs. Here's how.

- Head to the Pitstop terminal for physical or electronic gift cards from popular national

retailers. Use them for Christmas gifts, groceries or to stock up the fridge with your favourite beverages. Minimum card value is \$50, so you'll need 5,000 points.

- Redeem points for VISA and EFTPOS cards, which can be used wherever accepted (small transaction fee applies).
- Purchase a Twin Towns gift card, valid for up to three years. Minimum card value is \$20 so you'll need 2,000 points. They can be used for food and beverage purchases at the Clubs.
- Spend your points at the Clubs ANYTIME for food, beverages and more.

Check your points balance at any point of sale, on the Twin Towns App, at the Kiosks or via the Members Portal on the Twin Towns [website](#).

The most important thing to remember is to redeem this year's points before the end of 2021.

Whether it's now or next month, we recommend you check the Club's [Conditions of Entry](#) before you visit the Clubs.

# Belinda Carlisle

## DECADES

American singer Belinda Carlisle returns to Australia in February 2022 with her 'Decades' tour, marking 35 years of her incredible solo career.

It all began for Belinda in 1978 as lead singer of all-female band, the Go-Go's, who gained instant stardom with hits including *We Got the Beat* and *Our Lips Are Sealed*.

After the band's break up, Belinda embarked on a hugely successful solo career, releasing her first album in 1986. Her second album *Heaven on Earth* produced the worldwide hit *Heaven is a Place on Earth*, which hit number one on US and UK charts.

The hits kept on coming with the release of her iconic 1989 album, *Runaway Horses*, which boasted the top 10 hits *Leave a Light On* and *Summer Rain*. Belinda continued to produce hits, including the number one classic *In Too Deep*, further cementing her longevity in the pop scene.

Belinda's 'Decades' tour features all her biggest hits from a catalogue of music that influenced a generation.
