VOTE TO DECIDE THE FUTURE OF CUDGEN LEAGUES CLUB

THE FUTURE OF CUDGEN LEAGUES CLUB AND ITS OPENING IN 2022 NOW RESTS IN THE HANDS OF CUDGEN LEAGUES CLUB MEMBERS

Cudgen Leagues Club members will vote at an EGM at 9am DST on 11 December to determine whether an amalgamation with Twin Towns proceeds.

If Cudgen members vote in favour, an EGM will be called for Twin Towns members to also vote on the amalgamation.

An amalgamation means a new multi-million-dollar Cudgen Leagues Club will open its doors in 2022 and become part of the Twin Towns family of Clubs.

It will also mean the long-awaited return of dining, bars, live entertainment and everything Cudgen locals have missed since their much-loved Club was almost totally destroyed by fire in May 2020.

CEO Rob Smith said a vote for Twin Towns is the only way to fast-track construction of the new Cudgen Leagues Club.

“We have already signed a Memorandum of Understanding with Cudgen’s Board and they are ‘over the moon’ with our proposal.

“Not only will it ensure the new Club opens in 2022, they will receive far more than they ever anticipated, plus they have the security of the Twin Towns organisation to back them up if times get tough.

“Twin Towns has also offered huge financial commitments to Cudgen Leagues Club’s sporting bodies to secure their future and upgrade their facilities and grounds,” said Rob.

Rob said he hopes members of Cudgen Leagues Club take the time ahead of the EGM to read through the Memorandum of Understanding as it clearly outlines their proposal and what it holds for members.

“Twin Towns funds to build the new Club, inside and out, are already committed and planning is done.

“Locals will have a new two level Club in 2022. If the amalgamation doesn’t proceed, Cudgen is back to square one. Planning starts all over again and we won’t be a party to it.

“It could take years before Cudgen Leagues Club finally gets a new Club,” he said.

CEO Rob Smith urged Cudgen Leagues Club members, and Twin Towns members who are also members of Cudgen, to consider what Twin Towns has brought to the table and the benefits the amalgamation will bring in the future.

“If members and locals want a new Club, and they want it now, they need to get along to the EGM and vote for it,” said Rob.

COOG HAS HIS SAY ON THE AMALGAMATION

Ken ‘Coog’ Prichard is a Life Member, former footy player, gold medallist in lawn bowls at the World Transplant Games and foundation Director and Treasurer of his much-loved Cudgen Leagues Club.

Coog has had a long and strong association with Cudgen Leagues Club since the ‘50s and has no hesitation in sharing his staunch support for the amalgamation with Twin Towns.

“I’d like to try and convince members it’s the right thing to do. Twin Towns will guarantee the future of Cudgen Leagues Club and I strongly urge members to vote for the amalgamation.

“To me, it’s just common sense. If they have to borrow the money, what’s the point. The Club hasn’t made a profit in

years and when it did, it was only small.

“There’ll be nothing left for sporting clubs, they’ll need to employ a manager, and I just can’t see that it’s possible to do it.

“Twin Towns’ offer is a good deal for everyone, the football club and all the sporting clubs. Plus the bowling side of things is guaranteed too and it could get better, depending how the new Club performs in the future.

“Twin Towns has been very professional, they’ve got the money behind them and they are going to rebuild our Club. If it’s knocked back by members, it could be held up another year or more.

“I’m voting for Twin Towns and the amalgamation.”

Cudgen Leagues Club Member, Coog Prichard.

The past 12 months have gone quickly but I won't be sorry to see the end of 2021, a year that was challenging for the entire population.

The effect on Twin Towns Clubs and Resorts was extremely difficult due to the lack of information provided by politicians. It was, at best, very confusing for our local and interstate members and visitors. The impact on our bottom line due to all this confusion was significant and it is only now starting to improve, albeit very slowly.

The Clubs were once again closed for a long period of time which caused real problems for our members and visitors in general. The farcical situation where Queensland residents were not permitted to venture across the border to visit their Club or be involved with the many internal clubs' activities once the Border Bubble was reinstated, was disappointing for those affected.

Unfortunately, Twin Towns does not have any input into Queensland Government decision-making, no matter how ridiculous.

The Development Application for the new Juniors Club has been approved by Tweed Shire Council and construction will commence in the not-too-distant future. The project has taken a long time to come to fruition but I am sure the brand-new Club will be welcomed by our faithful members.

At their recent Strategic Meeting, the Board of Directors agreed that a new Master Plan was required for Club Banora. This will replace the existing plan, approved by members over 13 years ago, which is now out of date in the current environment.

The Board has engaged a number of consultants and urban design specialists to prepare a new Master Plan that better suits the requirements of the Club Banora precinct.

When the Master Plan is completed, members will be consulted and any issues or suggestions you provide will be addressed prior to the plan being approved or implemented.

Aged care provider, Infinite Care, has expressed interest in developing a facility

on the vacant land known as the golf practice area. This was approved by the members but has not proceeded at this point in time due to the COVID-19 pandemic and the Royal Commission into the aged care sector in general.

The Board has decided to approach other aged care providers to gauge their interest in developing this parcel of land. Members will be kept updated of any interest.

Twin Towns' Amalgamation with Cudgen Leagues Club will be decided at an EGM of Cudgen members on Saturday 11 December. The Boards of both Clubs are keen for the amalgamation to proceed and we hope for a positive outcome.

I hope members of both Clubs consider the benefits the amalgamation will bring for Cudgen Leagues Club and vote in favour of the amalgamation.

Construction of the Harbour Terrace balcony overlooking Jack Evans Boat Harbour is nearing completion. Large umbrellas have been installed, along with a new bar which will service the balcony.

I can imagine nothing better than sitting outdoors on the balcony, partaking of a cool beverage and a snack on a sunny afternoon, while watching the activities on the harbour. Look forward to seeing you there when it opens on 17 December.

The Board has moved forward the date when members' points will be purged. From this year on, points will be purged at close of business on 31 December.

As Christmas is almost upon us, I would like to take this opportunity to thank all members for the support you have given the Board and Management during this difficult period. We can only look forward with a positive outlook for the future.

On behalf of the Board, I wish all our members and staff a very merry Christmas and a safe, healthy and happy New Year. I hope all your wishes come true and you will be able to share this special time surrounded by family and friends.

If you have a friend or neighbour who is spending Christmas alone this year because family are unable to visit, be sure to take the time to call in, say hello and make sure they are okay.

Don't forget to cash in your points because they will be purged before you wake up on New Year's Day 2022.

Stay safe, see you next year.

Brian Brown

TIME FOR SOME *Christmas* CHEER

Christmas is about the spirit of giving, spreading hope, good cheer, love, understanding and goodwill to all! After the last 12 months, we all deserve a little cheering up!

Twin Towns gets into the spirit of giving too this year with \$10 Christmas Cheer eVouchers which members can spend at the Clubs. Let us shout you a Christmas drink, \$10 off a meal at your favourite restaurant or coffee and cake in one of the Clubs' cafes.

Twin Towns Advantage Members (who pay \$16.50 per year; \$33 for three years; or Life Members) will be rewarded for being a valued member of the Twin Towns family of Clubs.

These members will receive their \$10 Christmas Cheer eVoucher INSTANTLY after they make a single purchase of \$5 or more on food or drinks between Thursday 23 December and Friday 24 December 2021. The eVoucher will reside 'virtually' on your membership card and available for you to spend.

You must use your eVoucher before close of trade on Friday 24 December.

If you're a Club Key member, upgrade to Advantage membership before 23 December and you will be eligible for the \$10 eVoucher. Get more than half your annual membership fee back in Christmas Cheer, plus other perks and bonuses throughout the year.

DINING AND DRINKS WITH A VIEW

On Friday 17 December, just in time for Summer, alfresco dining and drinks on the Harbour Terrace Balcony, with spectacular views over Jack Evans Boat Harbour and beyond, is set to be the star attraction at Twin Towns.

Twin Towns Chef David Organ will be serving up delicious share platters, with a side of sunshine. Just add an icy cold jug, or two.

The best news is you will be able to order drinks and meals via your mobile device and they will be delivered to your table on the balcony. Just sit, relax and soak up the view!

On Fridays and Saturdays, order cantina-style lunch or dinner from Amigos Express. The menu has all the Mex favourites - tacos, nachos, enchiladas, and more, with your choice of fillings, salsas and condiments. Amigos also serves up healthy house-

made salads and burrito bowls. Fridays and Saturdays, try the Mega Mates pizza deal, a giant 18-inch pizza plus a jug of beer for just \$39 for members. Regular pizzas from Flame Pizzeria are available for lunch and dinner seven days a week. Saturdays and Sundays, a BBQ Smoker will be fired up on the balcony so you and your friends can kick back with an icy cold jug of beer (or your favourite cocktail jug) and

feast on a platter of whole BBQ prime cuts, served with all the trimmings. Here is a taste of what's on the menu. Smoked beef brisket, buttery potatoes, corn on the cob, brioche bun, crème fraîche with chives, just \$28 for regular or \$40 for a large platter. Other choices include tender Texan pork shoulder and a family favourite, low 'n' slow smoked chicken, whole or half. There will be umbrellas and

seating in the sunshine or undercover. Live acoustic sessions are also planned for weekends throughout Summer. Check the [website](#) for details. Bring your hat, a healthy appetite, a giant thirst and a big smile because dining and drinks overlooking the harbour is something we've all been looking forward to! Designated smoking areas will still be available for those who wish to use them.

IT'S BEGINNING TO LOOK A LOT LIKE *Christmas*

Twin Towns doesn't just 'deck the halls with boughs of holly' at Christmas time, lounges, foyers and restaurants across every corner of the Club also receive a magical, glittering makeover.

The display includes Christmas trees, wreaths and stars, giant illuminated gift boxes, Santa in his sleigh and the four-metre high 'Big Fella' riding high on his reindeer.

Bring your phone when you visit Twin Towns and snap a selfie in Santa's chair at the top of the main staircase. Post your pic to

Facebook and tag Twin Towns when you do.

During the first week of December, the decorations also come out at Club Banora, spreading the cheer across the Clubs.

After what's been a challenging year for Twin Towns members, visitors, staff and contractors, and businesses on both sides of the border, the Board and Management hope the Christmas decorations add a little sparkle to your day. Bring on 2022 and hopefully, it's a better year for all!
