## PEEK BEHIND THE DOOR OF THE DEN

With DA approval underway, Twin Towns is excited to announce that the first Sebel guests will be welcomed to 'The Den', hopefully before the end of the year.

Located on the lobby level at The Sebel, The Den will be a haven designed for exclusive use by guests staying in Sebel hotel rooms. Rather than wait in the lobby, the Den will offer a tranquil space to relax, read a book and enjoy some quiet time while your room is prepared for early check-in.

It will also be an elegant lounge where Sebel guests can catch up with colleagues or friends for a few drinks before a night out or after a business event.

Although the décor of the space will be luxe, it will have a homely feel, a cosy den where you can feel at home, surrounded by the comforts of home.

During busy times, The Den will have a dedicated desk exclusively for The Sebel guests, streamlining their guest check-in experience and honouring the impeccable standard of service for which The Sebel brand is renowned.

# WELCOME TO A NEW ERA OF HOLIDAYS AT TWIN TOWNS

FROM WEDNESDAY 1 JUNE, TWIN TOWNS RESORT BECOMES THE SEBEL TWIN TOWNS - SAME ICONIC LOCATION WITH THE ADDED STYLE AND SOPHISTICATION TWIN TOWNS MEMBERS DESERVE.

The introduction of The Sebel brand is the culmination of the recent \$11 million transformation of five floors of Twin Towns Resort hotel rooms, the foyer and reception, and Signatures Lobby Bar, which commenced in late 2019.

The project was scheduled over five stages over two years, until Covid hit in 2020. Despite border closures and restrictions during that time, the refurbishment was fast-tracked, and an army of local tradies welcomed the opportunity for the additional work during the downturn for both the construction and tourism industries.

The Sebel Twin Towns now offers luxuriously appointed Queen and Twin Hotel rooms. Their contemporary coastal vibe and Hamptons-style colour palette complements the resort's idyllic beachside location.

For many members, especially those

from Brisbane, the Gold Coast and northern New South Wales, Twin Towns has become their home away from home. They park in the underground carpark, check-in, stroll across the overhead covered walkway and make the most of all the attractions of Twin Towns, without the need to drive home.

The Sebel Twin Towns is also just a short stroll to stunning local beaches but if the weather is too chilly for a walk or swim, cosy-up alongside one of the outdoor fireplaces on the Harbour Terrace Balcony and enjoy a drink or two with a view.

Twin Towns members can experience The Sebel Twin Towns at exclusive discounted rates. Midweek stays (Sunday to Thursday) start from \$159\* per night in a Queen or Twin Hotel Room, including buffet breakfast at Signatures.

Members also receive 10 percent discount on weekends.

\*Conditions apply. Subject to availability. Blockout dates may apply. Discounted rates for Twin Towns members only. Valid for stays until 22 December 2022.

The 65th Annual General Meeting of Twin Towns Services Club Limited was held on 17 May 2022. On the night, the 126 members who attended enjoyed supper and refreshments at the conclusion of the meeting.

The meeting was conducted under the new format for modern AGM's. It was a little different to the usual format but I am sure this will improve as more members become familiar with the requirements into the future.

A ballot was not required to elect the three directors as required under the Club's Constitution as there was no other nominees. The successful nominees are as follows: David Phillips, John Griffin and Ken Culpitt. Congratulations on being returned for another three years.

There were several other orders of business dealt with including the adoption of a new Constitution. This was adopted unanimously by the members present.

The name change proposed was defeated by the members and we respect their decision as we move forward. There were no other questions received in general business and the meeting concluded at 7.38 pm.

## TWIN TOWNS CONSTITUTION

An important change in the new Constitution is one that all members should be aware of. It relates to the 'Giving of Notices'.

Members who are not familiar with this change can visit the Twin Towns [website](#) and [login](#) via the Members portal to view the new Constitution in its entirety; in particular, Section 40 – Notices, Meetings and Voting - Requirements and Facilitation.

Under mandatory requirements of legislation under the Corporations Act and legislation applying to NSW Registered Clubs, notices of meetings, voting, or other notices or documents or information must be provided to members in a timely manner.

The recent change to the Constitution allows the Club to supply documents or information to members via electronic means chosen by Twin Towns including, where permissible under the legislation, a link to the notice, document or information which can be viewed or downloaded.

Providing information to members electronically not only allows them immediate access, the document will also be readily accessible for future reference.

Although members may elect to receive documents in hard copy, I strongly encourage all members to continue to receive information from the Club electronically.

Important Club communications relating to members meetings are always issued via email and are also available by logging into the members portal on the [Twin Towns website](#).

Full Members (Ordinary and Life Members) who wish to receive Meeting Notices and/or Annual Reports in hard copy must notify the Club's Secretary in writing. Once this has occurred, you will then receive the information addressed to the mailing address in our membership records.

Now more than ever, it is important for all members to provide an email address as their chosen form of communication with Twin Towns. If you have already recorded your email address on your membership details, it is equally important to ensure it is up to date.

A member is deemed to have received a notice, document or information the day after it is sent. This applies even if the member does not receive the information; or the Club, having sent to the member's registered email address, receives an error message.

Section 40 of the Constitution also allows the Club to livestream meetings online including an Extraordinary General Meeting (EGM) or Annual General Meeting (AGM) at any stage, if the Board decides to do so.

Thank you to our members for approving this change to the Constitution which will allow Twin Towns to significantly reduce the environmental impacts, and costs, of print and postage.

Until next time,

**Brian Brown**

Board Chairman

## TWIN TOWNS AGM

At the Twin Towns Services Club Annual General Meeting on Tuesday 17 May, Dr John Griffin, Kenneth Culpitt and Deputy Board Chairman David Phillips retained their positions as Board Directors unopposed.

## An artist's view: Margaret Olley and contemporaries

From now until the end of June, the huge 17 metre screen on the exterior of Twin Towns showcases a selection of paintings from one of Tweed Regional Gallery's latest exhibitions, *An artist's view: Margaret Olley and contemporaries*.

*An artist's view* brings together interiors and still life paintings by Margaret Olley and works by contemporary artists who have taken inspiration from Margaret Olley, her practice and her famous

Duxford Street home studio. Including painting, photography and works on paper, the exhibition presents different artist's views and responses to her still life and interior subjects.

Artists exhibiting alongside Margaret Olley in this exhibition include Steven Alderton, Danelle Bergstrom, Cressida Campbell, Christine Druitt-Preston, Nicholas Harding, John Honeywill, Lewis Miller, Greg Weight and William Yang.

This exhibition is drawn entirely from the Tweed Regional Gallery collection.

You can see the full exhibition at the Tweed Regional Gallery until Sunday 28 August. [Click here](#) for more information about current and upcoming exhibitions at the Gallery.

**See a selection of works from this exhibition on the big screen, now until Thursday 30 June 2022. Plays on the hour, every hour from 5.05pm to 11.05pm daily.**

## Blokes, Books and Beers

If reading is your passion, or even if you haven't picked up a book in years, the guys at Twin Towns' Blokes, Books and Beers club don't mind. In fact, they may convert you to an avid reader.

Blokes, Books and Beers is not just about the book. It's about connecting, socialising, lively conversations and making new friends. It's on the fourth Wednesday of every month, 7pm to 8.30pm, at 1st on Wharf Tavern on the ground level at Twin Towns.

There is a new book to read each month but if you haven't had the chance to read it ahead of the night, that's okay. There are no set rules and perhaps you'll be inspired to read the next one.

June's book is from a writer considered one of Britain's best: Nobel Prize in Literature and Booker Prize winning novelist, Sir Kazuo Ishiguro.

Ishiguro's book tells the story of Klara, an 'Artificial Friend' with outstanding observational qualities, who, from her place in a store, carefully watches the behaviour of those who come in to browse, and of those who pass in the street outside.

She remains hopeful a customer will choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans.

Klara and the Sun asks readers to love a robot and the strange thing is, they do.

**The next Blokes, Books & Beers night is on Wednesday 22 June. For more information, contact Marty Thompson from Twin Towns on 07 5599 0271 or send him an email.**

# THEIR BEST CASE SCENARIO WAS TO WIN!

Jackie Buttelman \$20,000 winner

On Saturday 28 May, the names of 12 lucky Twin Towns members were drawn and each had the opportunity to open a briefcase to see how much cash was inside.

What a moment for Steve who opened briefcase number 11 to find he'd won the major cash prize of \$50,000. Steve, a regular visitor to the Clubs, said his first thoughts were: "Oh My God! I have never won anything in my life".

Second highest winner was Jackie Buttelman who won \$20,000 with case number five. Jackie said it was a feeling of amazement, unbelievable.

Jackie will spend some of her money on a small renovation at home and some will go towards a skiing holiday in New Zealand next year.

Third biggest cash winner was Matthew Sims who scored \$10,000 in cash in case number two.

Matthew only had one ticket in the draw on the day it was drawn but it turned out to be the lucky one.

Congratulations to all the winners. See the full list below. Keep an eye on Club News for details about the next exciting promotion coming to Twin Towns soon.

# STATE OF ORIGIN AT THE TAVERN

It's that time of year again when battle lines are drawn for the fiercest and most popular rivalry in Australian sport - NRL State of Origin.

Whether you're a blues supporter or wear the maroon for QLD, head to 1st on Wharf Tavern at Twin Towns for the matches on 8 and 26 June and 13 July.

Find yourself a prime viewing spot in front of the 5.4 metre MEGAscreen or one of the 30-plus screens located throughout the Tavern. As always, the Tavern will be jam-packed with the atmosphere and excitement you just can't get in the lounge room at home.

If cold beer and hot food are all part of a night of footy, 1st on Wharf Tavern has that covered with classic pub-style meals from \$18 for members, including a handle of beer, a wine or spritzer.

1st on Wharf Tavern is giving footy fans the chance to win a blue or maroon jersey and one of each will be given away during the three State of Origin clashes. Purchase a draught beer from the selected range (see below) for an entry ticket and place it in the 'Blue' or 'Maroon' barrel.

Choose your barrel carefully so if you win, you'll get the one you want.

# THE PERFECT PLATE AT TWIN TOWNS

THE NSW CLUB INDUSTRY'S PREMIER COOKING COMPETITION IS ON AGAIN AND HEAD CHEF DAVID ORGAN HAS CHOSEN AN ALL-ROUND FAVOURITE, THREE AMIGOS, TO PRESENT AS TWIN TOWNS 'PERFECT PLATE'.

The competition is designed to showcase the incredible quality and diversity of food on offer at local Clubs and highlight the talented chefs working in the industry.

So why do Twin Towns chefs think their THREE AMIGOS is the perfect plate? Its versatility for starters.

These delectable soft-shell, go-anywhere tacos may not come on a 'plate' but hey, that's the best part. Thanks to their neat eco-friendly packaging, you can take your tacos anywhere in the Club you choose.

Here's what you get.

Three soft-shell corn tortillas, folded and filled a choice of pulled beef brisket for the taco traditionalists, charred chicken for a lighter note, spicy chorizo for those who like a little heat or vego mexo for a colourful burst of freshness.

Then they're topped with cheese, slaw, mesclun and guacamole, topped with Amigos house-made salsa, sour cream,

smoky chipotle mayo, fresh lime and coriander.

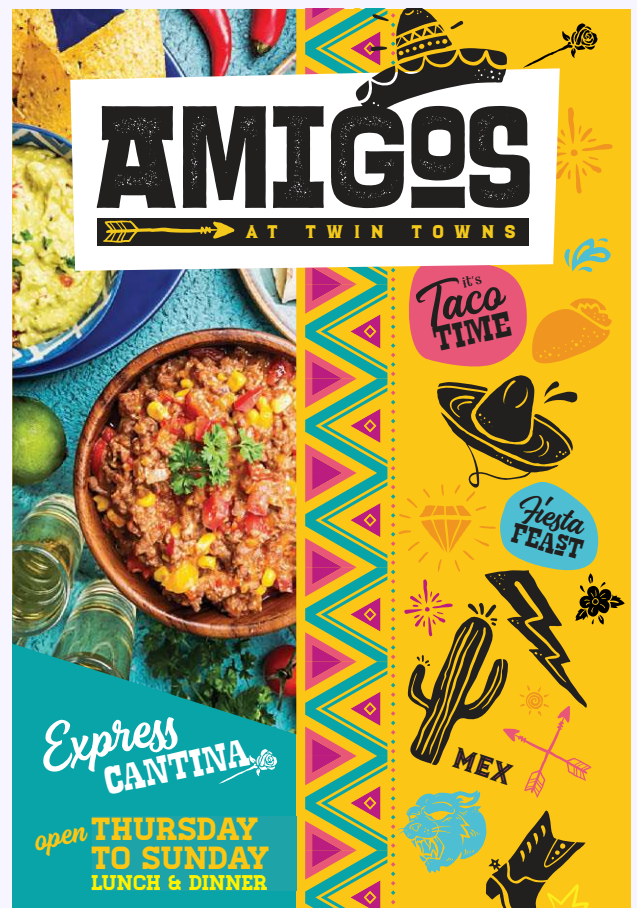

The Three Amigos are just \$20 for members or \$22 for visitors and if you manage to eat your way through all three, you've done amazingly well. Then it's time to vote.

The Three Amigos has a unique Perfect Plate QR code located near the counter. Scan it and submit a score between one and five. Then you will be in the running to win \$100 dining vouchers each day and a Foodie Getaway for two valued at \$3,000.

Three overall state-wide winners will be awarded based on the Clubs' membership size.

Get behind the awards and your Club's chefs and let your tastebuds decide if the Three Amigos is the Perfect Plate without a 'Plate'.

Amigos Mexican express cantina celebrates its first birthday this month so if you haven't tried the food yet, start with the tacos. Amigos opens Thursday to Sunday for lunch and dinner.

# TWIN TOWNS COMMUNITY RACE DAY

A fantastic time was had by all at the Twin Towns Community Race Day last month, and even though the track was deemed too wet for racing, it didn't dampen the spirits of the 70 staff and five Board Directors who attended.

The group stopped by the Condong Bowls Club along the way, which was hit hard by the February floods. No doubt the stopover added a boost to their day's takings.

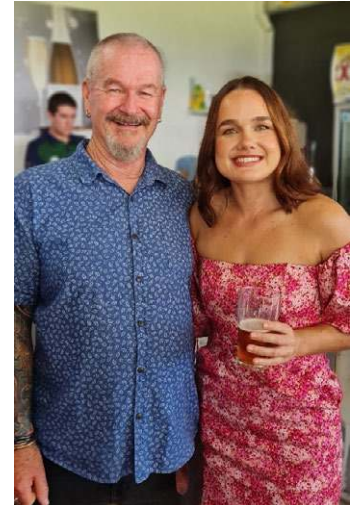

Then onto the Gallopers Restaurant at the Tweed River Jockey Club for refreshments, canapes and live music throughout the afternoon.

Twin Towns Board Chairman Brian Brown thanked all the staff for their huge efforts over the past few years, especially in dealing with the challenging times presented by Covid.

Big shout out to the loyal staff that remained on deck at the Clubs to keep the doors open. It will be their turn next time around.
