TWIN TOWNS EGM, TUESDAY 26 JULY, 7PM

TWIN TOWNS MEMBERS ARE ADVISED THAT AN EXTRAORDINARY GENERAL MEETING (EGM) WILL TAKE PLACE THIS MONTH. MEMBERS WHO ARE ELIGIBLE TO VOTE SHOULD HAVE RECEIVED THEIR MEETING NOTICE VIA EMAIL ON 27 JUNE. IF YOU HAVEN'T SEEN IT, CHECK YOUR INBOX OR [CLICK HERE](#) TO VIEW IT ONLINE.

WHY HOLD AN EGM?

The reason for the EGM is to determine whether members agree to an area of the golf course, which has been closed to the public for over eight years, becoming 'non core' property of Twin Towns Services Club Limited. Non core means that the land is not essential to the Club's activities.

This area of the course became unsafe and unplayable as a result of large-scale cracking of the surface and sub-surface in 2014. A Risk Assessment was conducted around this time but unfortunately, consultants were unable to identify a solution to mitigate the risk of injury to those using the course.

Experts predict more challenges may lay ahead for the course in the future, especially if we experience another serious drought. But it's important for members to know that Twin Towns is committed to maintaining and operating golf on the remaining parts of the course while it is still viable.

The area we're talking about is the orange section in the map below.

WHY IS THE LAND FOR SALE?

As most members already know, the Twin Towns Board is always seeking new ways for the Club to become less reliant on income from gaming and alcohol, both of which are shrinking markets. The Board strongly believes diversification is paramount to future-proofing the Twin Towns organisation for generations to come.

Over the years, this strategy has proved successful in generating and maintaining new sources of revenue for the organisation, such

as the resort (The Sebel Twin Towns) and our motels in Mackay (Shakespeare Motel and Galaxy Motor Inn).

Importantly, this project, if approved, will form part of the overall diversification strategy, or master plan, for the entire Banora Point site, including Club facilities, sporting facilities and the proposed retail development.

WHO'S INTERESTED IN THE LAND?

At an EGM in December 2019, Twin Towns members voted in favour of a disused parcel of land at Club Banora becoming non core. A call for expressions of interest in developing the land took place earlier this year.

Over-50s lifestyle resort developers, GemLife, who saw the land as ideal for a seniors' living community, were identified as the preferred purchaser. The Board believes GemLife will be a good fit for Club Banora, and the local community as a whole.

Recently, GemLife indicated they wish to purchase a larger parcel of land than what was originally offered for sale by Twin Towns. They see potential in also developing the disused section of the golf course. While not suitable for golf, they believe it may be suitable for alternative development.

Under the Registered Clubs Act, members must also vote to determine whether this additional piece of land also becomes non core.

At this point, the sale has not been finalised. The purchaser would like to carry out further assessments of the disused section of the golf course, but before they commence, need to be sure the Club will be in a position to sell this land as a non core asset if they achieve favourable results.

LIKE TO KNOW MORE?

Ahead of the EGM on Tuesday 26 July, an Information Session will be held in the Twin Towns Showroom on Tuesday 12 July at 7pm. The session will be presented by Board Chairman Brian Brown and Twin Towns CEO Rob Smith.

All Twin Towns members are invited and we look forward to seeing you there.

Brian Brown

Board Chairman

The Federal election for the Party that will govern Australia for the next three years has been decided by the citizens eligible to vote.

I hope the winners, whichever political party they are, truly understand the trust being placed in them by all Australians, no matter which party they voted for.

We as a nation face some serious challenges ahead and Government will have to make some tough decisions for the good of all, not only those who supported them at the ballot box.

I was certainly surprised at the number of independents elected and hope they have the vision for the future and the wisdom required to deliver on the changes that were promised during the election.

The Labor Party has been delivered a majority and can form government without requiring support from the Greens or the Independents. This decision places enormous trust in them to deliver a better standard of open and transparent government and consideration of all Australians, no matter their political persuasion.

I find the way political parties operate confusing, due to the fact that the incumbent party try to convince the voters they are doing a great job of running the country.

Whereas the opposition try to cast the incumbent as irresponsible managers of

the country's economy and resources and they should be elected to government.

The promises made by both major parties when in opposition are rarely delivered upon. When the final result is declared, the opposition forms government and is provided with the current financial reports, the first press conference called informs the public that the economy is in worse shape than they were led to believe. Unfortunately, all the promises can't be delivered until the outlook improves. Call me cynical if you like but the situation seems to be happening more frequently within both political parties.

The Club, as a business, is a keen follower of politics and elections as the election result in 2010, and at other times, saw our industry thrown into turmoil and put our forward planning on hold. On this occasion a clear decision by the people is very welcome and we trust our first observations of a stable period of government for Clubs is realised.

The rain has finally stopped and the cleanup is well underway but we know from previous experience not all incidents are treated equally. All areas of our community that were affected have not been fully restored but have been caught up in the government red tape that always follows these natural disasters.

I am concerned at the discrepancies around the decision-making process - who will be repatriated first and in what priority

are the remainder of the community then identified. I have some friends who are still waiting for insurance assessors to issue confirmation that their claim has been accepted and they can commence the task of rebuilding their lives.

The golf course at Club Banora was again impacted by the recent rain event and was once again closed for a couple of weeks. Like all golfers, me included, we think we haven't had that much rain, well not enough to close the course. Once you go and have a look, however, you can see the amount of water that is laying over the course and it will not dissipate for a long period of time.

The golf course will be undergoing some alterations in the coming month as the 16th hole will be rejuvenated to make the hole more player friendly than is the current situation.

Due to the pandemic and issues with cost blowouts, not being able to source structural building materials and tradespeople, the Juniors redevelopment has not commenced at this time and may not commence until early next year at the earliest. I will keep you informed as we move closer to a start date for the project.

The new DA for the shopping centre at Banora is progressing and will be submitted to Council for determination before the end of the current year. We are hopeful this will be approved within the next 12 months but don't hold your breath. We have been involved with Council many times and nothing seems to go to plan.

Until next time,

Brian Brown

WIN CASH TO SPLASH ON A HOLIDAY

Starting Monday 1 August, there's a brand new members only promotion coming to Twin Towns, Club Banora and Juniors, giving you the chance to win a share of \$88,000 in cash to splash on a holiday.

As countries around the world open up to tourists and Aussies now travel freely from State to State, Twin Towns can help dip your toe in the water and rediscover the thrill of packing a suitcase for a holiday.

Whether it's overseas to Thailand, Bali or Hawaii, interstate to tour Tassie

or Western Australia, a Whitsundays getaway or yacht charter or a luxury cruise on the high seas, they're all doable if you pick up one of six major prizes.

There are plenty of reasons to get excited about this one! There will be TWO major draws, one at the end of August and one at the end of September. At each of the major draws, someone from each of the three Clubs will win \$5,000 in holiday cash plus another \$2,000 spending money.

There will also be consolation prizes to be won at the major draw.

To spread the cash far and wide, there will be a \$1,000 holiday prize draw every week at each of the Clubs. If you are present for the weekly draw, you'll get an extra \$1,000 EFTPOS card to put in your travel bag for spending money.

Your ticket will remain in the barrel during each month, unless your entry is drawn out at one of the weekly draws. At the end of August, the barrel will be emptied and it all starts again for September.

Weekly draws take place at Juniors on Fridays, Club Banora on Saturdays and Twin Towns on Sundays.

You must be present to win at the major draws so whatever you do, put these dates in your diary so you don't miss out. All draws take place at the three Clubs at 6pm.

- Friday 26 August Juniors, Saturday 27 August Club Banora and Sunday 28 August Twin Towns;
- Friday 23 September Juniors, Saturday 24 September Club Banora and Sunday 25 September Twin Towns.

From Monday 1 August, get your entry ticket with your first bar purchase of the day at any of the three Clubs. Place it in the barrel and you're in with a chance.

Triple your chances of winning by visiting each of the Clubs on the same day. Then you will earn three entries a day in the weekly and major draws at the three Clubs.

Your holiday, plan your own itinerary, and have some money to spend along the way. BE IN IT TO WIN IT.

*Terms and conditions apply. See website for details. NTP pending.

Club Banora Snooker Club junior players, Cooper Thomson and Christiano De Azevedo.

Foundation helps Banora Juniors get to National Championships

Twin Towns Club Banora Snooker juniors, Cooper Thomson and Christiano De Azevedo, have their sights set on taking out the Under 16 titles in Snooker and Billiards at the Australian National Junior Championships in Albury this month.

Both juniors recently played well at the NSW Under 16 Championships, with Cooper finishing as runner-up and Christiano in third place. The results earned them the chance to represent the NSW State Team in the Junior Teams Championships against the other States. They will also play individually in the National Under 16 Championships.

This will be the boys' second visit to Albury thanks to Twin Towns Community Foundation, the Club's philanthropic

association set up to provide financial assistance to local community and sporting groups, charitable organisations and causes.

The Foundation proudly sponsors Cooper and Christiano and this year, contributing \$1,650 towards their airfares and accommodation.

Cooper's Dad and Snooker Club Secretary, Jimmy Thomson, expects the boys to perform well and believes they could potentially win the event.

"Being able to attend the Championships makes a huge difference to the players and is hugely appreciated. Without the support of Twin Towns, it would be difficult to get the boys to these types of events.

"We are delighted to have Twin Towns as

a sponsor and both boys will display Twin Towns on their tournament clothing.

"Cooper and Christiano have firmly put Twin Towns Club Banora on the Australian Snooker circuit map. Everyone at the Club is proud to have two juniors competing at this elite level.

"Both boys are graduates of the 2018 Junior Coaching program, which is a testament to its success," said Jimmy.

Another junior snooker program, free for 12 to 17-year-olds, commences in late July and runs to mid-September. Interested young male or female snooker players should contact Jimmy Thomson on 0427 764 286 or email clubbanorasnooker@gmail.com

Session times will be 10am to 12pm and 1pm to 3pm. Select the time slot that best suits you and advise ACE when you book.

MANU TESTS THE PERFECT PLATE AT TWIN TOWNS

TWIN TOWNS HEAD CHEF DAVID ORGAN WAS EXCITED TO MEET CELEBRITY CHEF AND CLUBNSW PERFECT PLATE AWARDS AMBASSADOR, MANU FEILDEL, WHEN HE VISITED THE CLUB LAST MONTH.

Manu was on a rolling trip through Northern NSW, stopping by local Clubs, meeting the chefs and tasting the dishes they entered in the Perfect Plate Awards.

Twin Towns' dish for the 2022 Awards was the Three Amigos - three delectable soft-shell corn tortillas, folded and filled a choice of pulled beef brisket, charred chicken, spicy chorizo or vego mexo, a fresh meat-free option.

In true MKR style, Manu was quick to offer his critique after tucking into his Three Amigos: "A trio of goodness. Tasty, moreish and fresh. Just yummy!"

Manu stayed inhouse at The Sebel Twin Towns during his visit, which coincided with Game One of State of Origin. He took the opportunity for a night out at 1st on Wharf Tavern to watch the match, much to the delight of patrons.

Many couldn't believe their eyes

when they discovered the famous French chef, right there amongst them, enjoying a few beers and cheering on the Blues.

Game 1 may not have been the Blues' night but for those who managed a selfie with Manu or an autograph, whether their team won or lost, that was the highlight of their night.

Voting for the 2022 Perfect Plate Awards has now closed. The winners will be announced at a special Awards Night on 21 July. Thanks to those who cast their vote for the Three Amigos.

Try the Three Amigos or one of the other tasty meals available at Amigos Mexican Express Cantina. All dishes are served in an eco-tray which can be taken with you to enjoy anywhere in the Club.

Amigos opens Thursday to Sunday for lunch and dinner.

Cheers to once again settling in to enjoy the fab flavours and relaxed beachy vibe of Twin Towns' favourite restaurant.

It's not just the sensational food that makes Harbour Fresh so popular. As regulars know, the service is exceptional too!

Harbour Fresh isn't a large bustling restaurant, it's an intimate venue with light and airy surrounds. It wasn't designed with a huge crowd of hungry diners in mind, and that's what makes Harbour Fresh such a rare find in a Club space. It's what makes your dining experience here such a treat, and it's why you need to book ahead.

With some of the biggest shows in years coming to the Twin Towns

Showroom from mid-July, we advise you book your table now to avoid disappointment. Treat yourself and [book now!](#)

NEW CULINARY TALENT AT TWIN TOWNS

Paving the way for the Harbour Fresh reopening and expansion of restaurant hours was the recent appointment of Michelle Roderick to the role of Senior Sous Chef. Michelle previously worked at Twin Towns from 2011 to 2016 and was highly regarded for her skills and creativity. Her forte is à la carte and event catering and we're excited to see what Michelle 'brings to the table' in her new role, managing the culinary teams on the mezzanine level.

MAMMA MIA, BOOTS AND ALL!

Twin Towns show-goers just can't get enough of Bjorn Again! That's why there's now an additional **MAMMA MIA! WE ARE BACK AGAIN** concert in the Showroom in July.

In their fully produced and choreographed shows, Bjorn Again's super-trouper sing and dance their way through the biggest and best ABBA hits, from *Mamma Mia* and *Dancing Queen* to *Waterloo* and *Rock Me*.

Bjorn Again perform in authentic ABBA costumes and the trademark boots we all loved, and yes, there will be plenty of blue eye shadow.

The team behind the awesome foursome are rockstar guitarist singer, Björn Volvo-us; Benny Anderwear, the bearded boppy keyboard player; Agnetha Falstart, the blonde one; and the feisty brunette, Frida Longstockin.

Those who've seen Bjorn Again before know what goes on. It's a riotous dose of music and nostalgia, combing theatrical antics and a healthy dose of parody that whips the audiences into a sing-along frenzy.

Don't miss your chance to see Bjorn Again in action. Send an SOS or *Ring Ring* your friends, then strap yourselves in for a wild ride through the seventies.

BIG BROTHER IS WATCHING IN 1984

“The best books are those that tell you what you know already.” George Orwell, 1984

Twin Towns' Blokes, Books and Beers club invites you to get reading this month, then come along to the next get-together on Wednesday 27 July and tell us what you think.

This month's book is an interesting one. 1984 is a dystopian masterpiece by George Orwell, described by critics as “A powerful and prophetic novel that defined the twentieth century”.

Despite being published over seven decades ago, you will be surprised by how relevant this book seems in today's world.

With terms such as ‘Big Brother’, ‘newspeak’ and ‘thoughtcrime’ now firmly entrenched in the English language, Orwell's novel has influenced everything from reality TV to David Bowie's album Diamond Dogs. The book has been adapted into a film, stage play and even a ballet.

If you read 1984 some years back, pick it up again. If you haven't read it or don't have time to get through it, it doesn't matter. These monthly get-togethers are about a great bunch of blokes who enjoy connecting, socialising, conversations and making new friends.

Blokes, Books & Beers is on the fourth Wednesday of every month from 7pm to 8.30pm at 1st on Wharf Tavern on the ground level at Twin Towns.

Bowls lessons at Banora

For over 10 years, Club Banora bowls members have volunteered their time to host hundreds of local primary and secondary school students and help them discover how much fun it is to play lawn bowls.

The volunteers are happy to teach the kids the rules and share their skills and are always surprised at how quickly many of the students pick up the game. They are also appreciative of how polite and respectful they are whenever they visit the Club.

Around 20 Year 8 students from St Joseph's College descended on the greens at Club Banora last month as part of their school sports curriculum.

Ross extended his thanks to the team of bowls volunteers who regularly give up their time to mentor the students – Men's Bowls President Terry Deecke, John Hutchinson, Rob Tonges, Garry Dewberry, Peter Tindale and Brian Bruce.
