A BRAND NEW CHAPTER FOR JUNIORS

TWENTY YEARS ON SINCE TWIN TOWNS TOOK OVER JUNIORS AT SOUTH TWEED AND GOT THE FINANCIALLY STRUGGLING CLUB BACK ON ITS FEET, A BRAND NEW AND EXCITING CHAPTER IS SET TO UNFOLD EARLY NEXT YEAR.

The Development Application has been approved and the construction of a new, elevated Clubhouse will commence in March. The project is expected to cost around \$10M.

Although preliminary designs favoured a modular construction because of a reduced build time, it became apparent that this

would mean some critical limitations including ceiling height.

During the planning and approvals stages of the project, the overall costs for the design dramatically increased but the Board resolved that the redevelopment is so important it must proceed as soon as possible.

Juniors has already suffered flood damage on two occasions this year alone and the Board decided “enough is enough”.

The Club is now engaging with Tweed-based TLF Developments to refine the design and look at other quick build concepts which meet the design criteria.

TLF Developments have carried out numerous projects at Twin Towns, including the refurbishment of five floors of hotel rooms, the reception and Lobby

Bar at the Resort, renovations at 1st on Wharf Tavern and most recently, the Harbour Terrace Balcony.

Although the build time will take a little longer at approximately 30 weeks, it will ensure the critical elements of height, light and clear open spaces can be delivered.

CEO Rob Smith said that TLF Developments and their tradies have developed a trusted working relationship with the Club and their design team.

“We know TLF have a great work ethic and their workmanship is of a high standard.

“Another key factor is that TLF use local sub-contractors and suppliers, which will ensure money spent by Twin Towns on the Juniors project stays local,” said Rob.

CONTINUED NEXT PAGE

Taking into account likely material delays experienced across the building industry, once a contract is agreed, TLF and Twin Towns will commence a three-month procurement period from December.

This will ensure all materials and equipment are ordered and stored for when work begins on the project in March.

Flooding issues which have plagued the Club for more than a decade will become a thing of the past, with the new design ensuring the Club will be flood-safe all year round.

Although the Clubhouse will be contemporary in its design, everything that currently works well and members enjoy most will be modernised and refreshed, including the outdoor area and beer garden.

For more than six decades, Twin Towns' long-term strategy of investing, reinvesting and growing the organisation, its Clubs, its assets, services and facilities for members, has been paramount to the success of the organisation.

This strategy continues to evolve as the plans roll out for a new Juniors Club in 2023.

IN BETWEEN DRINKS

The Board has recognised the impending closure of Juniors for redevelopment in March means many members will sorely miss catching up and socialising at their local.

As the saying goes, time flies, and before we know it, the doors will be opening to a brand new contemporary-styled Juniors Club around September/October 2023.

In the meantime, during the construction phase from March, the plan is to keep members and

locals well-informed on the progress and timelines.

Transport alternatives between Juniors and Club Banora may be an option during the shutdown period but this is yet to be determined.

As members know, Club Banora is conveniently located just a few minutes from Juniors.

There will be lots of familiar and friendly faces from the Juniors team waiting to pull you a beer or two at Banora.

GET READY TO GO-2 TWINNIES

TWIN TOWNS CONSTANTLY MIXES THINGS UP FOR MEMBERS AND YOU NEVER QUITE KNOW WHAT EXTRAORDINARY MEMBERS' BENEFITS YOU'RE GETTING NEXT. WELL, THIS IS BIG NEWS!

Twin Towns is currently working on the introduction of a fleet of GO-2 Club transport vehicles, exclusively for the convenience of members, with the first one expected to hit the road running in coming weeks.

The GO-2s will pick you up from home or your holiday accommodation and deliver you to the Club, or vice versa, for just \$20. The even better news is you get your \$20 back as an e-voucher to spend on food and beverages while you're at the Club. It's a way better option than ride share or public transport.

If you use a GO-2 to travel home, you will have seven days to use your \$20 e-voucher.

The GO-2 can take you to Twin Towns,

Club Banora or Juniors and once it's up and running, you can book your VIP members' transport via the Twin Towns App or the Twin Towns website.

Soon you will be able to visit the Club, enjoy a few drinks and not have the worry of driving home.

In next month's Club News, we'll give you more details and tell you what areas the GO-2s will initially service. In the meantime, get excited, they're coming soon.

WIN CASH TO SPLASH ON A HOLIDAY

From Monday 1 August, Twin Towns gives members the chance to win a share of \$88,000 in cash to splash on a holiday.

Whether your dream holiday is sipping cocktails by the beach in Fiji, kayaking in the Kimberleys or snowboarding the slopes of Queenstown, pick up one of six major prizes and you'll be packing your bags.

There will be major draws at the end of August and September, where someone from each of the three Clubs will win \$5,000 in holiday cash plus \$2,000 spending money.

To spread the cash far and wide, there will be a \$1,000 holiday prize draw every week at each of the Clubs. Be present at the

weekly draw and get an extra \$1,000 EFTPOS card if your name is drawn.

If any of the major draw winners are not present to claim their cash in August, the prize will carry over to September for what could become a 'bumper' draw!

You must be present to win at the major draws so put these dates in your diary. All draws take place at 6pm. See below.

Get an entry ticket with your first bar purchase of the day at any of the three Clubs. Place it in the barrel and you're in with a chance. Triple your chances of winning by visiting each of the Clubs on the same day.

Get your passport in order!

CIRCUS QUIRKUS

Last month, Circus Quirkus rolled into town and thanks to Twin Towns, an additional 63 local kids got the chance to see an eclectic and wildly entertaining mix of clowns, jugglers and death-defying acrobatics.

Around 2,200 children were able to enjoy the event, through the live show at SOPO (Southport RSL) and the streamed version. This year marks the 30th anniversary of this annual event hosted by the Broadwater Southport Rotary Club.

Circus Quirkus has become a highlight of the year for disadvantaged and special needs children from all over the Gold Coast and Tweed.

This year, kids from Shaping Outcomes at Tweed, ACT for Kids and 17 kids nominated by the Department of Communities and Justice were able to attend thanks to Twin Towns.

Anna McLachlan from Broadwater Southport Rotary Club said she put in a late call to Twin Towns when just days before the show, many Tweed kids were still on a waitlist, pending funding to cover the costs.

"Twin Towns jumped on board at the last minute and kindly donated \$3780 which covered 63 Tweed children to attend.

"The last few years, the show has been streamed rather than a live performance because of the pandemic.

"The upside was it reached kids in hospitals and regional areas and the opportunity to watch it in the comfort of their own homes worked well for some children on the spectrum who don't cope well in crowd settings," said Anna.

Along with the live show, it was streamed again this year for these special kids but those who were there were so excited to have their live show back.

Proceeds raised from this event support the Children's Critical Care Unit at Gold Coast University Hospital.

The Twin Towns Board of Directors were pleased to be able to give local kids the chance to go to this amazing event and hope all those who saw it, and their families, had a fantastic time.

TINNIES FOR SCHOOLS OR COMMUNITY GROUPS

Twin Towns is calling for expressions of interest in acquiring one of three fishing boats which are no longer required by the Club and will be donated to suitable recipients.

The boats may be of interest to a local community organisation or not for profit club. They would also be suitable for schools whose students participate in marine environment studies, sailing or watersports.

The three 1994 3.5 metre Quintrex aluminium boats are registered and two are fitted with 15HP Yamaha outboard motors.

Their galvanised trailers are almost new and accessories include a 24 litre fuel cell, swivel seats, life jackets, oars and anchor. They are also fitted with bimini covers.

If you would like to know more about the boats or register your interest, please [email](mailto:angie.thornhill@towntowns.com.au) Angie Thornhill at Twin Towns, before Wednesday 31 August.

Twin Towns Food & Beverage attendant Vanessa enjoys her job 'with a view' on the Harbour Terrace Balcony.

Your new job at Twin Towns

It's no secret that pubs, clubs and hospitality venues across Australia are screaming for staff. Well, Twin Towns is too, and right now they're offering secure jobs in a fantastic environment and a location you can't beat.

Plus, you'll get an attractive salary, paid on time every week, the uniforms you need will be supplied and you'll be working for an organisation where training to increase or enhance your skills is encouraged.

Twin Towns offers a large and progressive workplace that spans three different venues - Twin Towns on the border, right across the road from the beach; Club Banora at Banora Point; and Twin Towns Juniors at Tweed Heads South.

If you don't have experience in the industry, that's okay, Twin Towns HR Department is looking for people who are passionate

about customer service and enthusiastic about learning something new.

You'll need to have good presentation and be reliable, punctual and enjoy working as part of the team. A great smile and willingness to learn the ropes may be all you need to get a foot in the door.

Lots of different jobs often come up across the three Clubs so it's a great idea to make sure your name is on the list for future opportunities.

To work at Twin Towns, you need to hold a NSW RSA and be double Covid vaccinated. Twin Towns will arrange and pay for your NSW RCG and Police Check.

Twin Towns is hiring people right now! Once you apply, meet the employment criteria and impress our HR team and it may just be a matter of a days before you

kiss your old job goodbye and start your first day at Twin Towns. Exciting!

BANORA BOYS GRAB NATIONAL BILLIARDS GLORY

Congratulations to Twin Towns Club Banora Snooker junior players Christiano De Azevedo and Cooper Thomson who made history at the Under 16 Australian National Junior Championships in Albury last month.

Twin Towns Club Banora now has its first national title in Billiards, with 15-year-old Christiano De Azevedo taking out the championship.

The achievement was even more impressive for the Club as Christiano played the final against his fellow Club Banora junior member, Cooper Thomson.

Cooper qualified for the semi-finals in top spot and Christiano in third spot. This kept them apart for the semi-final matches but the two boys had battling wins

through the heats to set up the all-Banora final.

Cooper had already beaten Christiano in the group stage by 177-128 and was considered a slight favourite but it was the final result that counted.

The final went for 90 minutes, with Cooper ahead for the first 60 minutes before Christiano gradually gained control and built up a lead that he kept all the way to the buzzer. Final score was 246 - 192 for Christiano.

As well as the first ever Billiards National Champion for the club, Christiano also became only the fourth Twin Towns Banora member to win a National title after Snooker titles for Craig Duffy, Megan Fullerton and Jessica Woods.

This was the boys' second visit to Albury thanks to Twin Towns Services Community Foundation, the Club's philanthropic association set up to provide financial assistance to local community and sporting groups, charitable organisations and causes.

The Foundation proudly sponsored Cooper and Christiano again this year, contributing \$1,650 towards their airfares and accommodation.

HINDLEY STREET COUNTRY CLUB

With over 200 million YouTube views and 600,000+ followers around the globe, it's high time you get to see this juggernaut of show-stopping musicians and vocalists LIVE when they take over the Showroom stage on Saturday 1 October.

The internet-busting Aussie group known as Hindley Street Country Club is a musical force to be reckoned with. The 13-piece band debuts dynamic new content on YouTube every Friday afternoon and are hailed by many music

experts and fans as the 'Greatest cover band in the world'.

HSCC are best-loved for their interpretations of famous anthems and heart-wrenching ballads from the '70s, '80s and '90s, taking on The Doobie Brothers, Chaka Khan, Phil Collins, Chic, Michael Jackson, Whitney Houston, Fleetwood Mac, Heart and Boston, to name just a few.

Bass player, musical arranger and founding member of HSCC, Constantine

Delo says, "Recreating iconic songs from an incredible era of music, always with a unique arrangement twist for each song without taking anything away from the original, is a trademark of HSCC.

"I work with the best musicians I can find and fortunately, they were right under my nose here in Adelaide. Go figure!"

THOMPSON TWINS TOM BAILEY

Tom Bailey, original member of the '80s hit pop group Thompson Twins, is coming to Twin Towns in October to perform some of the great songs from the Thompson Twins, along with all the tracks from their global hit album, *Into the Gap*.

Whilst the Thompson Twins started as a seven-piece band in the late '70s and went through a few personnel changes, it was the trio of Tom Bailey, Alannah Currie and Joe Leeway that achieved massive international success.

Their biggest and most successful album was *Into the Gap*. It featured the hit singles *Doctor, Doctor*, *Hold Me Now* and *You Take Me Up* and was one of the biggest album releases of the year. It reached #1 in the UK, Top Ten on the US Billboard charts and was a Top 5 album on the Australian album charts.

Don't miss Tom Bailey on his *Into the Gap* Tour, Twin Towns Showroom, Friday 21 October, 8pm Qld. Tickets: Gold \$89.90; Platinum \$129.90; VIP \$229.90 + booking fee. [Book now!](#)

JOHN WILLIAMSON

True Blue, through and through

From his humble beginnings as a young wheat farmer from the Mallee, who walked into Richmond's GTV9 studios in 1970 with a guitar under his arm and one song, *Old Man Emu*, to his name, John Williamson has made an art of capturing Australia in song.

In 2020, John says COVID made a liar out of his 'Winding Back' tour, with all his concerts having to be postponed and rescheduled again and again.

But this time gave John the break he'd been craving, the opportunity to spend more time at his property at Springbrook working on other creative projects.

"I missed the audiences who have been so beautiful to me for such a long time," he says.

With honours including the ARIA Hall of Fame, an Order of Australia, 28 Golden Guitar Awards, Australian Roll of Renown induction, 52 albums, including 20 original studio albums, over five million albums sold and thousands of shows performed, it's hard to begrudge the 76-year-old singer-songwriter a less hectic schedule.

John Williamson performs **TWO** big shows at Twin Towns, Friday 4 November at 8pm Qld and a matinee on Sunday 6 November at 2pm Qld. Tickets \$69, under 14 years \$49.

TGIF HAPPY HOURS AT THE TAVERN

WHETHER YOU'RE ROUNDING UP YOUR MATES TO WATCH THE FRIDAY NIGHT FOOTY OR IT'S FRIDAY DRINKS AFTER WORK, THERE'S NO BETTER PLACE TO BE THAN 1ST ON WHARF TAVERN.

Friday Happy Hour drink prices are easy on the wallet and guaranteed to put a smile on your face. A schooner of draught beer will set you back just \$5. Selected bubbles, red or white wine are \$5 too and the legendary members \$10 jugs will keep the entire table happy.

Once footy starts, all the action is live on the Tavern's giant 5.4 metre-wide MEGAscreen. All up, there are more than 30 screens throughout the Tavern so you won't miss a minute.

If a hearty meal is part of a night at the sports bar, 1st on Wharf Tavern has that covered with classic pub-style feeds from \$18 for members, including a handle of beer, a wine or spritzer. See right.

You can slip into the Tavern any day, seven days a week if you're looking for a quiet spot for a beer, to read the paper or a punt at the TAB. It's open from 9.30am.
