 TWIN TOWNS
BOARD CHAIRMAN'S REPORT

There has been a lot going on in the Club after a terrible couple of years dealing with Covid and all the issues involved with making sure workers and members of the public were kept safe and updated with the latest information available at all times.

The emergency has finally been contained but not eradicated.

We will have to remain vigilant as we return to our normal way of life that will never be the same as it was previously. The last couple of months have gone very quickly and the end of the year is fast approaching. Before we know it, Christmas will be upon us.

As you return to the Club you will probably notice a few changes that have taken place, especially the refurbished Harbour Bar and Gaming area. This was well overdue but was delayed due to the shortage of materials and trades people.

A number of other projects have also been delayed because of the same problems.

I am sure you have noticed the closure of some restaurants and other areas of the Club, which has been caused by staff shortages. I have great difficulty understanding how we as a country can have residents of our community not wanting to work.

If you know of any person wanting a position in the hospitality industry, please let them know Twin Towns has positions available.

I could not write a report without including a reference to the passing of H.R.H Queen Elizabeth the Second. Although it was not unexpected, when the notice was released, the world was overwhelmed with grief at the passing of a truly remarkable person, a monarch like we may never see again.

I remember one of the Queen's visits to Australia when I was a young child in school. We were all given flags to wave and taken by bus to line the streets on the route to be taken by the Queen's motorcade.

We all cheered loudly in support of Her Majesty, and I wonder if all us kids really liked the opportunity of seeing the Queen or having a day off from school.

The EGM held in July to determine the changing of the classification of the unusable parcel of land in the centre of the golf course from Core to Non-Core property was passed by a majority of members present.

This will now allow the Club to sell the land to a suitable developer as the Club has no further use for the land which will continue to degrade over time.

The Club has received a proposal from a company named GemLife, who provide over 50's lifestyle living in gated communities.

The company has been given a period of due diligence to carry out their investigations to determine if the site is viable for development and if not, look at other opportunities for the site.

As members will be aware, the Banora masterplan, which includes a proposed shopping complex, is in the process of being developed. It will shortly be lodged with Tweed Shire Council for their consideration. We will wait with bated breath for their determination.

The remainder of the plan, which includes the changes to the bowling greens and tennis courts, as well as the new children's play area, are at this time being further enhanced and improved. This will be provided to members when the designs are finalised.

The Oasis swimming pool has been emptied to allow further inspections to be carried out but the prognosis is not looking good. We are hoping for the best but planning for the worst as it appears the only satisfactory outcome will be a complete rebuild of the pool which has been quoted at around \$12M and will take two years to complete.

The Club cannot commit to the expenditure for what is essentially a community asset. We have approached all levels of Government for financial assistance and we have asked members of the community to assist us by lobbying their local politicians to provide Government funding for the pool.

There is also a petition available on the Club's website for any members of the Club or the community to sign in support of the request.

At this point in time, we have received around 1,200 responses from the community which is a little disappointing. Considering the value of this pool to the community, a lot more responses will be needed before Government will feel they are required to do anything.

Until next time,

Brian Brown
Board Chairman

LET'S TALK GAMBLING

GambleAware Seminar at Twin Towns

RIVER ROOM | TUESDAY 11 OCTOBER | 9am to 3pm Qld

The Twin Towns Board and Management invites members to join a one-day Club industry seminar at Twin Towns focussed on problem gambling and the latest initiatives to minimise gambling harm within our communities.

The seminar, which will be held ahead of this year's GambleAware Week, is a collaboration between Twin Towns, ClubSAFE, Lifeline North Coast and GambleAware.

This is an opportunity for members to increase their knowledge and understanding of problematic gambling behaviour and recognise when gambling may place them at risk of harm.

It may also be of interest to members who are concerned about

a family member or friend who shows signs of problem gambling, especially in relation to gaming machines.

Attendees will hear a range of informative and inspiring speakers from ClubSAFE, Office of Responsible Gambling, Lifeline North Coast, along with Aristocrat and Twin Towns Staff & Customer Care Ambassador, Marty Thompson.

It is the opportunity for members to be part of the conversation on new directions and developments, creative and innovative approaches, and policy and practice in the minimisation of harm.

If you would like to come along, RSVPs are essential. Please [click this link](#) to advise the names of attendees before Thursday 6 October.

FUN FOR KIDS & kids at heart

TURF AND SAND HAVE BEEN LAID, THE VOLLEYBALL NETS ARE UP, AND IT'S GAME ON FOR SOME OUTDOOR FUN UNDER THE SUN AT CLUB BANORA.

Stage 1 of improvements to the children's play area at Club Banora are complete. The old Bolf green is now home to a full-size beach volleyball court and net.

It's not necessarily for kids though. Round up your team for a fun family challenge, and a few cold beers after the game of course.

Additional play structures will arrive in November, including an architecturally designed slide, ladders, stairs and climbing apparatus, a rope tunnel, tipi carousel, picnic tables and large outdoor umbrellas.

There's another great reason to visit Club Banora with a School Holiday Kids Day on Sunday 2 October from 11am to 2pm NSW.

Club Banora and Schweppes have teamed up to present a special line up of free entertainment, along with a free soft drink or Slushee for the kids.

There will be an animal farm, pony rides, face painting and popular special guest, Sparky Doo Dah, who is bringing along his pop-up playground.

From stilts, juggling sticks and hula hoops, to skee ball, duck fishing and balancing games,

Sparky has everything he needs to keep the kids happily entertained for hours while you enjoy lunch and a few quiet drinks.

The kids will also get to see two giant red fire trucks which will be on site at Club

Banora from 12pm to 1pm NSW. Bring your phone for some pics.

Meals, pizzas and snacks from Slice & Fork, along with hot and cold beverages from the bar, can all be enjoyed outdoors.

TWEED LIGHTS UP FOR NEW YEAR'S EVE

From festivals to fireworks, the Tweed will come together over upcoming months through a series of events aimed at reconnecting the community.

Tweed Shire Council launched their 'Together Tweed: Let's Reconnect' calendar of events last month as part of the Reconnecting Regional NSW - Community Events Program.

The program, which is aimed at supporting communities and businesses to emerge and recover from the 2022 floods and the COVID-19 pandemic, includes 13 community-led events across the Tweed.

Included on the list of events, proudly funded by the NSW Government and delivered in partnership with Tweed Shire Council, is New Year's Eve fireworks at Twin Towns and Club Banora.

Council has contributed \$30,000 towards the costs of this year's New Year's Eve fireworks display, which will light up the Tweed skyline over Jack Evans Boat Harbour at 8pm Qld and 11pm Qld and Club Banora at 9pm NSW.

STAY MIDWEEK AT THE SEBEL AND SAVE

OCTOBER IS ONE OF THE BEST TIMES OF THE YEAR TO VISIT THE SOUTHERN GOLD COAST. WEATHER'S WARMING UP, DAYTIME TEMPS IN THE MID-20S, AND PLENTY OF REASONS TO VISIT TWIN TOWNS THIS MONTH TOO.

Make the most of your membership with discounted rates for midweek stays at The Sebel Twin Towns.

For many Twin Towns members, especially those from the northern Gold Coast and Brisbane, The Sebel Twin Towns has become a home away from home.

They enjoy being right on the doorstep of all the attractions of Twin Towns, including restaurants, live entertainment and bars, as well as being just a short stroll to beautiful Southern Gold Coast beaches and the Tweed River.

Midweek stays are popular because you avoid the weekend crowds and traffic, and they help stretch the holiday budget just that little bit further.

Right now, members can stay midweek (Sunday-Thursday) at The Sebel Twin Towns from just \$159* per night in a Queen or Twin Hotel Room. These rates are for a minimum two-night stay, include breakfast and wi-fi, and are available until 22 December 2022.

Members also get 10 percent discount on weekends.

Slip in a pre-Christmas midweek getaway and make the most of the sensational Spring weather. To book at members' rates, call 1800 19 20 20.

*Conditions apply. Subject to availability. Blockout dates may apply. Discounted rates for members only. Valid for stays until 22 December 2022.
