## COME OUT AND PLAY AT CLUB BANORA

Work is currently underway on Stage 1 of improvements to the children's play area at Club Banora, which involves levelling the bolf green, returning and laying sand for a full-size beach volleyball court and net for the kids and kids at heart.

It's only the beginning! Additional play structures are on order and due to arrive in November. We're sure the kids will agree it was worth the wait when they are installed.

The main additional structure is a visually appealing architectural

design featuring a slide, ladders, stairs and climbing apparatus, and it's guaranteed to keep the kids happily entertained for hours.

There will also be a cleverly designed rope arch tunnel, a tipi carousel, picnic tables and benches and three large three by three metre outdoor umbrellas.

For now, the new volleyball court is taking shape and it's expected to be 'Game On' by mid-September.

Stay tuned to Club News for updates on the next stages.

## FIRST GO2 PASSENGERS

Gerard and Maree Watts from Geelong were the very first passengers on the new Members GO-2 and were presented with a bottle of bubbles when they arrived at Club Banora.

They didn't have their own transport while here on holidays and were pleased to hear the GO-2s were available. They said they love this area and hope to visit more often as Gerard has recently retired. We hope to see them back on the GO-2 sometime soon.

Driver Glenn Bell and GO2's first passengers, Maree and Gerard Watts.

Last month, Twin Towns Community Foundation answered a call from Tweed-based organisation, Green Heroes, who needed over \$5,000 to purchase underwater cameras for their Jungarra Ngarrian (Cook Island) Conservation Project.

The Conservation Project is led by local Aboriginal youth who wish to care for (sea) country, in particular, Jungarra Ngarrian, which is a place of historical and cultural significance to the local community.

Green Heroes is upscaling the project to include preservation and recovery of local threatened species. In addition, the project brief aims to strengthen the management and preservation of local waters with Traditional Owners as Sea Rangers and the NSW Department of Primary Industries (Aquatic Reserves).

Green Heroes Director & Program Coordinator Sarah Jantos describes the project.

“Divers engage in regular trips to the island to monitor and gather information on flora and fauna species.

“On land, understanding history and culture through art and storytelling creates a deeper connection to Country and builds on community understanding of this land.

“It binds us to it. This is fundamental to creating a desire to preserve and protect these natural spaces and all that lives within them,” said Sarah.

Earlier this year, Twin Towns sponsored the Green Heroes Turtle Incubation Program, and through its ClubGRANTS scheme donated \$7,732 to help them conduct a pilot program for the incubation of marine turtle eggs.

The latest donation of \$5,245 to Green Heroes was made through the Twin Towns Services Community Foundation, the Club’s philanthropic association set up to provide financial assistance to many local community groups and causes.

# READING FOR LIFE THANKS TO TWIN TOWNS

TWIN TOWNS CLUBGRANTS DONATION OF \$10,475 HAS ENABLED LEARNING LINKS TO DELIVER THEIR READING FOR LIFE LITERACY PROGRAM TO 12 CHILDREN IN YEARS 2 TO 4 AT TWEED HEADS PUBLIC SCHOOL.

Learning Links is a not-for-profit organisation with a mission to provide children and young people who have difficulties learning with the skills, services and family support that will enable them to realise their potential. Their Reading for Life program is designed to help kids who are struggling and falling behind at a vital stage of their literacy development.

The children are paired with specially trained 'reading buddies' to support them one-to-one, weekly for 15 weeks, to improve their literacy skills and build their confidence to learn, develop and thrive.

Earlier this year, Twin Towns donated \$8,895 through ClubGRANTS to provide the Learning Links Counting for Life program at Tweed Heads Public School.

This latest donation takes the tally to \$19,370 to facilitate increased learning for local kids, just this year.

Learning Links General Manager of Funding and Partnerships, Don Tilley, said they are so grateful for the partnership with Twin Towns.

"Their commitment to their local community, through funding local charities like Learning Links, is inspiring.

"It enables us to make such a difference to the support we can provide to local children, families and schools who need it the most," said Don.

Deputy Board Chairman and Chair of the Tweed ClubGRANTS Committee, David Phillips, said he and the Board were pleased to assist with the continuation of this revolutionary program at Tweed Public School.

"Twin Towns attempts to help our local community organisations whenever we are able, specifically where the focus is on assisting early education for children.

"We hope this program provides these kids with the tools they need to move forward with confidence in the classroom," said David.

The main text 'Free family FUN Day' is in large, stylized, colorful letters. To the right, a green box contains the date 'SUNDAY 2 OCTOBER' and time '11AM - 2PM NSW'. Below this, it lists activities: 'FREE SOFT DRINK OR SLUSHEE FOR THE KIDS', 'FACE PAINTERS', 'ANIMAL FARM &amp; PONY RIDES', 'SPARKY DOO DAH'S', and 'POP UP PLAYGROUND'. At the bottom, it says 'VISIT FROM LOCAL FIRETRUCK CLUB BANORA' with a flower icon and the website 'www.twintowns.com.au'.

# GambleAware Seminar at Twin Towns

**VISIONS ROOM  
TUESDAY 11 OCTOBER  
9am to 3pm Qld**

The Twin Towns Board and Management invites members to join a one-day Club industry seminar at Twin Towns focussed on problem gambling and the latest initiatives to minimise gambling harm within our communities.

The seminar, which will be held ahead of this year's GambleAware Week, is a collaboration between Twin Towns, ClubSAFE, Lifeline North Coast and GambleAware.

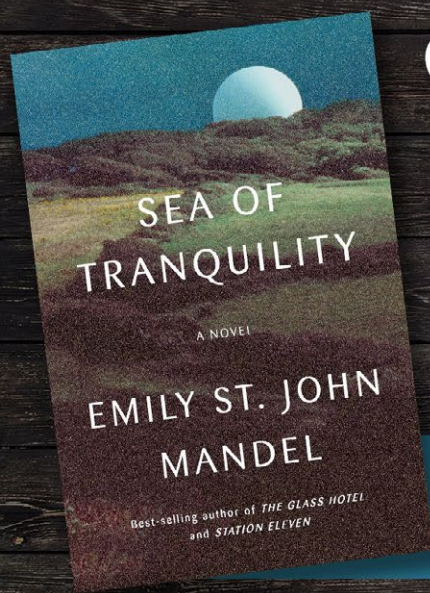

This is an opportunity for members to increase their knowledge and understanding of problematic gambling behaviour and recognise when gambling may place them at risk of harm.

It may also be of interest to members who are concerned about a family member or friend who shows signs of problem gambling, especially in relation to gaming machines.

Attendees will hear a range of informative and inspiring speakers from ClubSAFE, Office of Responsible Gambling, Lifeline North Coast, along with Aristocrat and Twin Towns Staff & Customer Care Ambassador, Marty Thompson.

It is the opportunity for members to be part of the conversation on new directions and developments, creative and innovative approaches, and policy and practice in the minimisation of harm.

If you would like to come along, RSVPs are essential. Please [click this link](#) to advise the names of attendees.

## TWEED'S LATEST TOURISM CHAMPION

Congratulations to Twin Towns Conference & Events Sales Manager Chrissie Thomas who was recently awarded the Tweed Tourism Champion for her exceptional contribution to tourism.

At the Gala Awards night at the North Coast Tourism Symposium, the lifetime achievement of a 'Tourism Hero' was noted for each individual region.

Bradley Nardi, General Manager of The Tweed Tourism Co, said it was a privilege to celebrate the legacy of Chrissie Thomas who has been a special part of the Twin Towns fabric for over 20 years.

Twin Towns CEO Rob Smith wrote a tribute for Chrissy which was read on the night.

"Chrissie Thomas has been with Twin Towns since October 1996. Over the years, she has coaxed thousands to the Tweed, generated millions in revenue, and made sure everyone left with a special memory of their time at both Twin Towns and the Tweed.

Chrissie is a Champion of Tourism because she understood early the value of contacts, networking and sharing. Being available, before, during and after, in fact anytime, is what sets Chrissie apart and gives her the edge on many in our industry.

You don't just get to create that trust; you have to earn it and garner the support and trust in your team that your product is every bit as good as you are selling.

You do that and you get happy, repeat customers who promote you, your services, your team, your contacts and your region to others.

That's what makes a Tourism Champion. Congratulations Chrissie".

If you're considering holding a business or special event at Twin Towns, rest assured you'll be in the best possible hands with the latest Tweed Tourism champion, Chrissie Thomas!

Keep the tissues handy and take a look at how it all unfolded. You'll be hooked on Powerfish too and easy to see why he's such a popular dude around town!

# TRIPLE TREAT WITH THE THREE ITALIAN TENORS

SATURDAY  
17 SEPTEMBER  
8PM

Direct from Italy, The Italian Tenors return to Australia for their fifth tour, calling into Twin Towns for a concert performance in the Showroom on Saturday 17 September.

Evans Tonon, Sabino Gaita and Luca Sala are three of Europe's most successful operatic tenors. This worldwide pop-opera phenomenon first toured Australia in 2016, playing to sell-out audiences across the country.

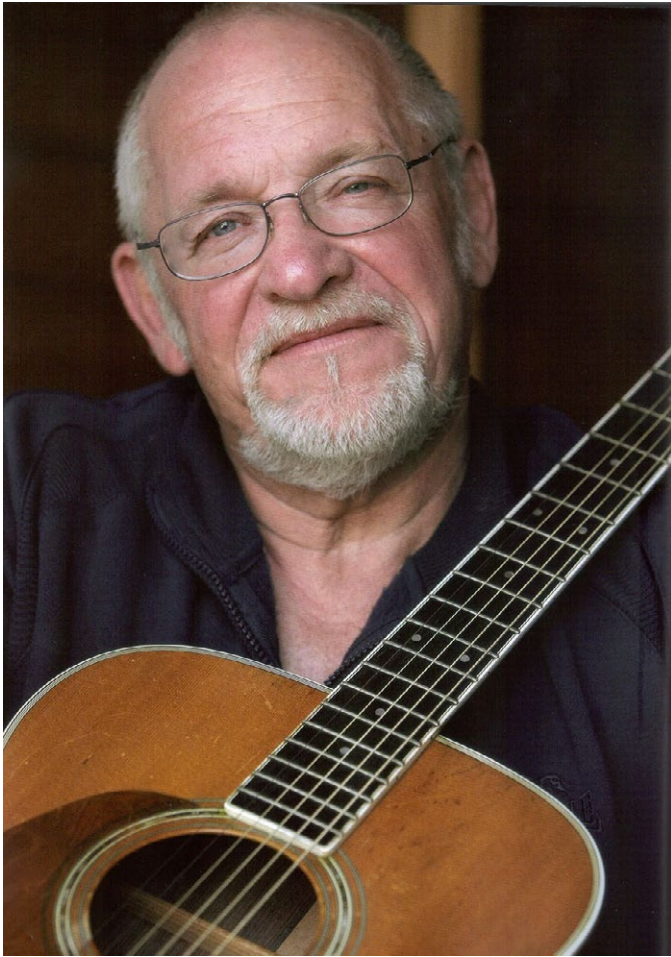

These three talented tenors combine their classical roots with Neapolitan songs and their own blend of Italian pop classics.

This is a must-see event for those who love the great arias of Puccini and Verdi, the Neapolitan standards of Caruso and Mario Merola and the melodious hits of Sanremo.

Their 2022 Australian tour promises all the Italian charm and vocal power of their sold-out European tour, and an incredible musical montage of vocal passion and entertainment excellence.

# AND THE BAND PLAYED WALTZING MATILDA

ONE OF AUSTRALIA'S FINEST FOLK SINGER-SONGWRITERS, ERIC BOGLE, IS HEADING TO TWIN TOWNS FOR A MATINEE PERFORMANCE IN THE SHOWROOM ON SUNDAY 20 NOVEMBER.

Eric is best-known for songs that tell the story of futility of war, including *And the Band Played Waltzing Matilda*. Written in 1972, the lyrics tell of the ANZAC experience and the Battle of Gallipoli.

Another is *No Man's Land*, a World War I themed song commonly known as *The Green Fields of France*, a title it was first given by Irish folk band, The Fureys.

In a similar theme but with a more contemporary setting is the troubles-inspired *My Youngest Son Came Home Today*, the tale of a young man killed during factional fighting in Northern Ireland.

Eric's songs cover a range of subjects and themes and often take a comedic twist. In his classic song, *Aussie Bar-B-Q*, he had to change the word snags to sausages so it didn't confuse his international audience.

Don't miss Eric Bogle at Twin Towns on Sunday 20 November at 3.30pm Qld. Tickets are \$69 + booking fee. [Book now.](#)

# ORIGIN RUMBLE AT THE TAVERN

TAKE YOUR SEAT AT 1ST ON WHARF TAVERN ON THURSDAY  
15 SEPTEMBER FROM 7PM WHEN PAUL GALLEN WILL ATTEMPT THE  
IMPLAUSIBLE, FACING NOT ONE BUT TWO OPPONENTS ON ONE NIGHT!

The Blues legend will fight back-to-back with Queenslanders Justin Hodges and Ben Hannant, taking State of Origin rivalry to a whole new level.

Gallen was recently quoted in the media as "affectionately" referring to Queensland fans as having two heads. He's throwing down the gauntlet again to Queenslanders by taking on two of their most popular Origin stars, and he's planning on taking them out.

It's not likely to matter whether you barrack for Queensland or New South Wales, we're pretty sure the crowd at the Tavern will be firmly behind Gallen as he takes on one of the gutsiest nights of boxing in history.

## CANELO VS GGG

Back it up with more boxing action on Sunday 18 September, when Canelo and GGG return to the scene of their previous two battles in this highly anticipated trilogy!

After a controversial draw and a Canelo victory, GGG now gets the chance to avenge two fights he felt should have gone his way.

Watch it on the MEGAscreen at the Tavern from 10am.

# LADIES GOLF ANNUAL PINK DAY AND BIRTHDAY CELEBRATIONS FOR BETTY

When the Twin Towns Ladies Golf Club held their annual Pink Ladies Day at the Island House, they took the opportunity to celebrate the 96th birthday of member Betty Hall.

Betty's philosophy is to "keep active and not sit around". She grew up on a farm in the Griffith area where she spent her days helping her father farming rice and sheep. Transport was unavailable so if she wanted to go anywhere, she either walked or rode a horse.

Betty was part of the Australian Women's Army Service when she met and married an English Navy man in 1947. She convinced her husband to-be to stay in Australia.

Betty says her life is a simple one - she always eats sensibly, doesn't smoke and only drinks on special occasions.

On the course, Betty is known for her incredible knowledge of birds. She can identify every bird, and their calls and whistles, much to the amazement of all the lady golfers.

Betty hasn't played golf for a few months but her friends at the Club are sure once the weather warms up again, she'll be back on the course.

Happy birthday to Betty, who is the same age as another famous 'Betty', Queen Elizabeth II.
