ONLINE SESSION

FOR TWIN TOWNS MEMBERS

A REMINDER TO TWIN TOWNS MEMBERS THAT THEY CAN LOGIN TO JOIN THE FIRST ONLINE CLUB INFORMATION SESSION ON MONDAY 5 DECEMBER AT 4PM QLD/5PM NSW.

Members will have the opportunity to hear an update from Twin Towns CEO on Club matters that may be of interest, such as the redevelopment of Twin Towns Juniors which gets underway in March, the latest on the Banora Masterplan and Oasis Pools, and other news items.

The online sessions will now replace the previous internal club consultative meetings which only reached around 100 sub-club members. In their new online format, information shared will be readily accessible to a much broader cross-section of interested members.

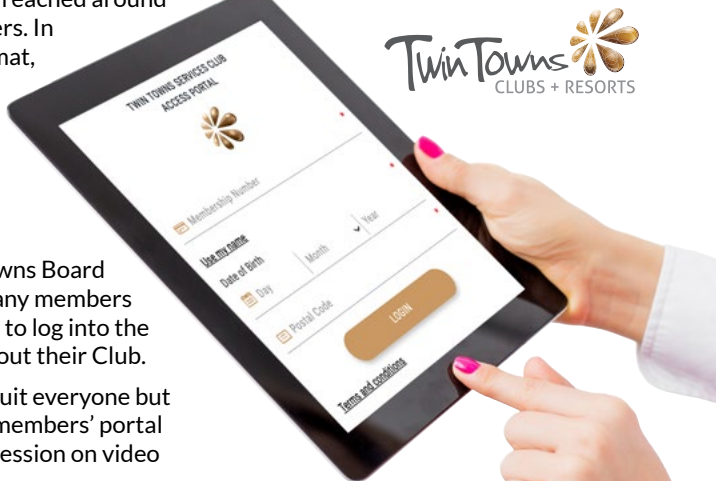

Rob and the Twin Towns Board of Directors hope many members take the opportunity to log into the meeting and hear about their Club.

The timing may not suit everyone but you can login to the members' portal and view the entire session on video

from Monday 5 December (4pm Qld) until Saturday 31 December 2022.

To access the session, simply login to the Members portal on the website or [click here](#). Once you are logged into the portal, follow the prompts.

We hope you enjoy the convenience of logging in to get the latest news about your Club, delivered directly to your PC, laptop or mobile device.

Christmas Cheer

FOR MEMBERS

Twin Towns gets into the spirit of giving this month with \$10 Christmas Cheer eVouchers which members can spend at the Clubs on food or beverages.

We'll shout you a Christmas drink, \$10 off a meal at one of the Club's restaurants or coffee and cake at one of the cafes.

Twin Towns Advantage Members (who pay \$16.50 per year; \$33 for three years; or Life Members) will be rewarded for being a valued member of the Twin Towns family of Clubs.

These members will receive their \$10 Christmas Cheer eVoucher INSTANTLY after they make a single cash, EFTPOS or credit card purchase of \$5 or more on food or drinks between Friday 23 December and Saturday 24 December 2022.

The eVoucher will reside 'virtually' on your membership card and will be available for you to spend at the Club of your choice – Twin

Towns, Club Banora or Juniors.

You must use your eVoucher before close of trade on Saturday 24 December.

If you're a Club Key member, upgrade to Advantage membership before 23 December and you will be eligible for the \$10 eVoucher.

Then you'll get more than half your annual membership fee back in Christmas Cheer, plus other perks and bonuses throughout the year.

REMEMBER TO REDEEM YOUR MEMBERS ADVANTAGE POINTS

POINTS EXPIRE 31 DECEMBER

Last year, Twin Towns extended the final date to redeem Members Advantage Points to New Year's Eve, rather than Christmas Eve.

This year stays the same so members can cash in their points any time up until close of trade on New Year's Eve, Saturday 31 December, before the Club reopens for 2023 on 1 January.

There are lots of ways to use them up when you visit the Clubs. Here's how:

Head to the Pitstop terminal for physical or electronic gift cards or Visa/EFTPOS Gift Cards in many varieties. Use these for Christmas gifts, groceries or to stock up the fridge with your favourite beverages. Minimum card value is \$50, so you'll need 5,000 points.

Purchase a Twin Towns gift card in the month of December, valid for up to three years. Minimum card value is \$20 so you'll need 2,000 points. These can be used for food and beverage purchases at the Clubs.

Spend your points at the Clubs ANYTIME for food, beverages and more.

Now is the time to check your points balance at any point of sale, on the Twin Towns App, at the Kiosks or via the Members Portal on the Twin Towns website. The most important thing to remember is to redeem this year's points before the end of 2022.

BOARD CHAIRMAN'S REPORT

The past 12 months have gone very quickly but I won't be sorry to see the end of 2022, a year that was very difficult for the entire population.

The effect on Twin Towns Clubs and Resorts was extremely difficult due to the lack of staff, which didn't allow the Clubs to provide our members and visitors with access to all the facilities that are usually available. This included our events space, which is normally booked out at this time of year.

The Clubs are showing an improvement in revenue and visitation which we hope continues leading into Christmas, and we look forward to an improved 2023.

Clubs and hotels are once again under the microscope, this time by State Government, after the much-publicised findings of misconduct into money laundering by Star and Crown Casinos.

The Government set up a crime commission enquiry into money laundering in clubs and pubs through electronic gaming machines. The enquiry found there was a possibility, even with no evidence, that money laundering may be occurring in these venues.

The Government has decided to implement a cashless gaming card that would require members to load the card with funds to play gaming machines. No thought has been given as to how this card would work, nor the cost involved in implementing and monitoring the system, and who will pay for the software required.

The Club takes very seriously the responsibilities placed on their licence to operate gaming machines. The club and gaming machine industry has been conducting trials into the use of cashless cards at clubs on the central coast. These trials only recently commenced and are ongoing.

On Monday 5 December at 4pm Qld (5pm NSW), the Board will hold a meeting with members in a virtual format. This will be the first

time we have provided current information to members via this technology. To access the meeting, [log into the members' portal](#) on the website where a link will be provided. I encourage all members to be part of the audience.

The Juniors redevelopment will commence in March next year and be completed and re-opened in time for Christmas 2023.

The decision not to commence this year was because of the difficulty in sourcing all the materials to complete the construction and fit out. We didn't want to be left with a partially completed building while chasing materials and trades people at the last minute.

I'm sure the members will be satisfied with the new premises. We are aware that members will be inconvenienced and measures will be put in place to make sure some of these issues will be minimised as much as possible. More information will be provided to members and the community as the project nears commencement.

As Christmas is almost upon us, I take this opportunity to thank our members for the support you have given the Board and Management during this difficult period. We can only look forward with a positive outlook for the future.

On behalf of the Board, I wish all our members and staff a very merry Christmas and a safe, healthy and happy New Year. I hope all your wishes come true and you're able to share this special time surrounded by family and friends.

There are members of our community who, through no fault of their own, will be on their own without any support. Please spare a thought for those less fortunate than we are.

Don't forget to cash in your points on or before 31st December as all points are purged at close of business on New Year's Eve.

Stay safe, see you next year.

Brian Brown

CURTAINS

FOR TYALGUM COMMUNITY HALL

Fundraising to replace the aging stage curtain at Tyalgum Community Hall was always going to be a tough gig for their small but dedicated committee but thanks to a massive donation from Twin Towns Service Community Foundation, their call for help was answered.

Very few improvements have been made to the stage and dressing room area of the heritage-listed hall since it was built in 1908. The committee's to-do list is a long one, and many projects are out of reach as there is always something more pressing to spend the money on.

Treasurer of the Tyalgum Community Hall Committee, Rona Quayle, said the stage area was desperately in need of renovating for community benefit and to attract the arts community.

"Tyalgum Hall has been internationally recognised as having exceptional acoustics, attracting musicians from all over Australia as a venue for chamber music concerts and performances.

"The annual income from hiring the hall is only just adequate to meet operational and some minor repair costs.

"We are also aware of the unique characteristics of the hall's acoustics and the importance of maintaining its future as a regional venue," said Rona.

Rona reached out to Twin Towns as the committee felt they would understand the importance of having appropriate stage infrastructure to attract cultural and entertainment events.

"Twin Towns' \$18,000 donation has allowed us to achieve a renovation that the community takes

pride in and we look forward to the benefits of the Hall being fully utilised as an arts performance venue.

"It was a wonderful surprise to receive the funding, very unexpected and we are so grateful," said the Treasurer.

Twin Towns Deputy Chairman David Phillips said the Tyalgum Community Hall had more than its fair share of setbacks over the past few years - the impacts of Covid, the floods and subsequent closures of Tyalgum Road further dashed their hopes of fundraising the large amount required for this important project.

“ We hope all Twin Towns members take immense pride when they visit Tyalgum to see the new red curtains glide open on a concert in this historically significant and much-loved local hall. ”

"Without our members, there would be no Club, and without their membership and strong support of their Clubs, we would not be in a position to make amazing things happen for financially challenged organisations within the community.

"We were happy Rona and the Tyalgum Community Hall committee reached out to the Foundation for assistance. We send our sincere wishes for a much improved and highly successful 2023 for the Committee and local community," said David.

UFC 282

BLACHOWICZ ²
VS **ANKALAEV** ³

LIGHT HEAVYWEIGHT BOUT

Jan Blachowicz will battle Magomed Ankalaev for the title after Jiri Prochazka vacated it following a devastating shoulder injury in training camp.

Ankalaev will enter his first title opportunity on a nine-fight win streak, while Blachowicz earned a win over Aleksandr Rakic in his last outing.

The UFC bumped Jan Blachowicz and Magomed Ankalaev to the main event, which was a surprise to both light heavyweight fighters.

You'll need to get in early for this one for the best seats in front of the Tavern's 5.4m MEGAscreen.

Order the Main Meal Deal for lunch - from \$18 members / \$20 visitors - for a hearty main including beer, wine or spritzer. Members jugs are just \$12. Not a member? Join today from just \$2.
