A BRAND NEW JUNIORS IS COMING MEET YOU THERE SOON!

TWENTY YEARS ON SINCE TWIN TOWNS TOOK OVER JUNIORS AND BREATHED NEW LIFE INTO THE FINANCIALLY STRUGGLING CLUB, A NEW AND EXCITING CHAPTER IS ABOUT TO BEGIN.

It will be out with the old, in with the new when Juniors closes its doors at close of trade on Sunday 2 April.

Demolition works on the old clubhouse will commence from Monday 3 April to make way for the new Juniors which will be built at a cost of \$12M.

Local residents won't be disappointed when they discover what's coming to their own backyard at Tweed Heads South.

Along with contemporary interior design and lighting, natural light-filled spaces, super stylish bar with classic timber features and an outdoor verandah, Juniors will open a new restaurant.

JR's Kitchen is set to become a prime meeting place for locals and families, with dining indoors or outdoors on

the elevated balcony overlooking the playing fields.

Two giant 98 inch screens will be installed in the lounge area, along with smaller screens throughout the Club.

The much-loved outdoor Pavilions will stay as part of the new plan but will be refreshed and outdoor screens and sound upgraded.

The popular outdoor TAB will continue to cater for those who enjoy this space for a beer and a punt.

Twin Towns knows how much locals love their little Club so a plan is already in place to keep members informed throughout the process.

Special Milestone Meetings will be held during the construction phase and members will be invited to attend and stay up to date on how the new Juniors is progressing.

FREE SHUTTLE TO CLUB BANORA

From **Monday 3 April**, a free shuttle service will transport members to and from the Juniors carpark to Club Banora. Here, they'll find most of the familiar faces from Juniors pulling their beers or looking after their needs.

Keep this timetable handy. It may change depending on the popularity of the shuttle service.

MONDAY TO SUNDAY	Hourly from 10am Last bus leaves Club Banora at 8pm to return to Juniors
FRIDAY	Hourly from 10am and every half hour from 3pm Last bus leaves Club Banora at 8pm to return to Juniors
SATURDAY	Every half hour from 10am Last bus leaves Club Banora at 8pm to return to Juniors

Members will find seating and a restroom at the clearly marked bus stop in the existing Juniors carpark.

Remember these changes are only temporary. Before we know it, it will be November 2023 and we will be welcoming an exciting new member to the Twin Towns family of Clubs.

BOARD CHAIRMAN'S REPORT

The first couple of months of 2023 were very quiet, considering there were no restrictions on gatherings and no need for social distancing. I hope everybody had a great Christmas and Happy New Year.

The three Clubs are performing really well considering a large number of our members have been impacted by recent interest rate rises and cost of living increases.

The Board and management have tried to limit cost increases in wages, food, beverages and entertainment but unfortunately some costs could not be absorbed and had to be passed onto members.

The large cost increases not only affected our customers but also our building of the new Juniors club which increased enormously but the development will still go ahead as planned.

Demolition and construction will commence in early April and be completed and reopened in November, providing members and visitors with a brand new purpose-built Clubhouse and up-to-date amenities.

I am aware that internal clubs will be holding their AGMs in March. I would like to take this opportunity to thank all the committees for their time and dedication that allows the members of those clubs to participate in their chosen recreational activity.

I attempt to attend all the internal AGMs but unfortunately, this year I will be away on a holiday that was only available at that time of year.

There will be a member of the Board or Management in attendance to assist if required.

I notice that a few of our long serving committee members are not standing this year. I sincerely thank you for the contribution you have made during your long tenure and I will personally catch up with you on my return.

The Club recently provided members with a new digital update on what was happening around the Clubs. A link was available on the members portal for one month.

The recording was not as easy as I had assumed and I was informed by my wife that I could do with a bit more practice. I just love encouragement.

We will continue with the new format and advise members of the time the recording will be available. I also welcome your feedback on the topics covered or any other issue you would like discussed.

The NSW state election will take place on 25 March 2023 with both major parties making promises about what they can deliver for the residents.

I am sure you have all heard or been made aware of both party's commitments to a cashless gaming system. The leaders talk about how the system will assist with anti-money laundering of cash gained from the proceeds of crime, identified by the crime commission. An integral component of the system is that it will have to include a harm minimisation capability ensuring problem gamblers are able to be excluded from clubs and pubs and will also allow for third party exclusions that can be initiated by their families.

The Industry supports harm minimization initiatives to assist those members of our communities affected by gambling problems, caused by all forms of gambling,

not only electronic gaming machines.

The cashless gaming system has not been developed at this point in time so there is no information in relation to how the system will work, the costs involved and who will manage the process.

To simply make a commitment and legislate that into law without any engagement or consultation with manufacturers and peak industry bodies is a recipe for disaster.

Your Club is particularly mindful that we operate in a border environment and could be significantly affected if the clubs and hotels in Qld can continue to operate with cash.

We've taken up this issue with our local member, Geoff Provest, and also the Labor candidate Craig Elliot who have both been very supportive of our concerns. We hope they can influence their parties after one is selected to govern after the election.

The Club already operates a significant responsible gambling program and we stand ready to help where we can before any future technology is introduced.

If you are experiencing problems, please reach out to any member of management who can assist or confidentially contact our Customer Care Ambassador, Marty Thompson, on 0439 565 085.

Long-serving Director Ross O'Leary will retire from the Board of Directors effective 28 February 2023.

Ross served on numerous committees and always made significant contributions in the decision-making process. Ross will continue to be a familiar face at Club Banora.

If you see him around, stop and have a chat. We wish Ross all the best in his retirement.

Until next time

Brian Brown
Board Chairman

The Board Gamers

People of all ages love board games. They're entertaining, stimulate the mind, enhance the memory and exercise cognitive skills. Most importantly, they're a whole lot of fun.

This month, Customer Care Ambassador Marty Thompson invites you to join his brand new group – The Board Gamers. Anyone can come along and it's the perfect excuse to get out of the house and enjoy a cuppa and a chat. The best part of all, it's all free.

Marty says he is sure there'll be some fierce competition as is usually the case with board games like Monopoly, Scrabble, Pictionary, Trivial Pursuit, Backgammon, Chess and more.

"This group is a fantastic opportunity for members to connect socially with other members and have a great morning out.

"The group is open to men and women of all ages and if you're not a regular board game player, don't worry, there will be someone close by to help out and explain the rules," said Marty.

The Board Gamers will meet on the second and fourth Wednesday of the month from 10.45am-12pm Qld at Signatures on the Lobby Level at The Sebel Twin Towns.

First get-together of The Board Gamers will be Wednesday 8 March.

MUNSTERBUCKS

**EARLY
ST PAT'S DAY
CONCERT
14 MARCH**

As the name suggests, MunsterBucks is a band of lads from Munster, a province in the South of Ireland.

It's basically three Bucks, who love Ireland and traditional music, having a blast and bringing the best of Irish music to our doorstep.

All three relocated to Australia and crossed paths in the traditional music scene in Brisbane. The band features

Tommy Donovan from Kerry (Banjo and Mandolin) Eddie Nolan from Waterford (Uileann Pipes, Flute and Whistle) and Jack O'Leary from Cork (Vocals, Guitar and Bodhran).

Arguably, MunsterBucks is one of the best all-Irish bands in Australia. Having collaborated for years, they made the band official and have already established a name for themselves on the Australian folk scene.

While essentially keeping true to their traditional roots, they bring in their own sense of style and feature songs in a variety of genres. They work to create a traditional groove with driving rhythms and memorable melodies.

MunsterBucks, A Celebration of St Patrick's Day, Twin Towns Showroom, Tuesday 14 March, 11am Qld. Tickets \$10 Members; \$15 Non-Members + booking fee. [Book now.](#)

**FREE
LIVE SHOW
AT THE STAGE
17 MARCH**

ASLEEP AT THE REEL

Celtic Soul, Country Roots, Australian Heart

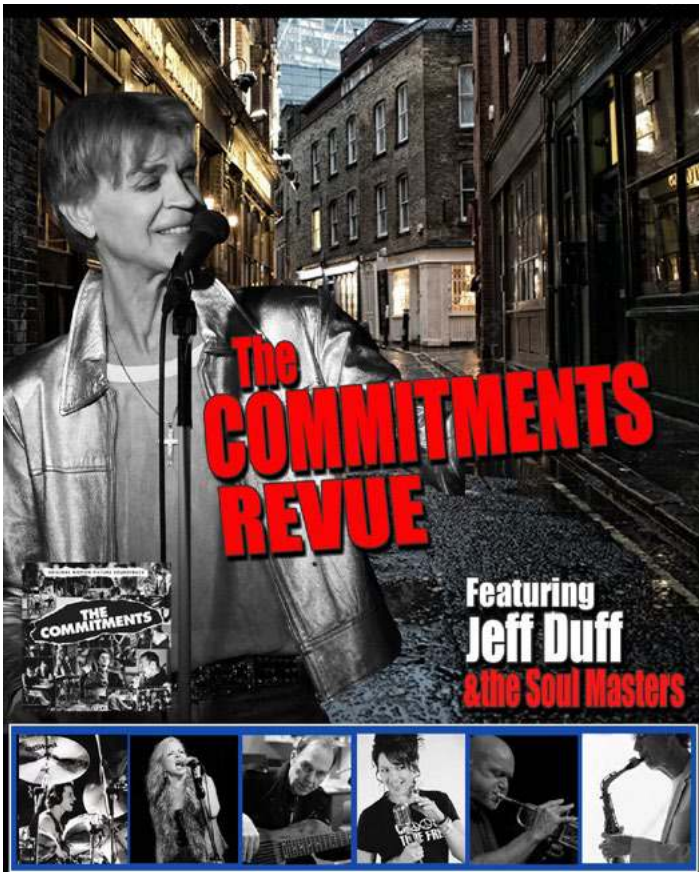

Asleep at the Reel is a Brisbane-based ensemble who enjoy nothing more than an Irish jig or singalong.

The band's repertoire is delivered with finesse by high quality musicians, including Tamworth Golden Fiddle Award winner Hugh Curtis. They play a wide range of covers, from Dylan, Van Morrison, The Beatles, Steve Earle and many more.

Their original music is powered by the deft song writing of Mark Cryle, who rose to prominence in the 1990s with Spot the Dog and was once described by the Courier Mail's Noel Mengel as 'one of the best songwriters in Australia'.

Asleep at the Reel takes its stylings from their roots in the peat-smoked pubs of Ireland and Scotland, from the kitchen, the hearth, the verandah, the dance hall and the shearing shed, all the way to the stage where they throw in a little backbeat just for the fun of it.

Asleep at the Reel, St Patrick's Day 17 March, The Stage from 4.30pm to 8.30pm Qld.

The music, laughter and drama of the cult 1991 movie comes alive as the legendary Jeff Duff and the nine-piece Soul Masters recreate the music of The Commitments movie soundtrack and more in a two hour production celebrating the soul within us all.

The Commitments Revue concert features the music of Wilson Pickett, Aretha Franklin, Otis Redding, Al Green, James Brown, Mary Wells and Clarence Carter.

Get your groove on with songs like *Mustang Sally*, *Chain of Fools*, *I Can't Stand the Rain*, *Try a Little Tenderness*, *The Dark End of the Street*, *Treat Her Right*, *In the Midnight Hour*, *Respect*, *Chain Gang*, *I Feel Good* and more.

If you're a lover of soul music, this show is for you.

The Commitments Revue, Twin Towns Showroom, Friday 28 April, 8pm. Tickets \$49 + booking fee.
