## BOARD CHAIRMAN'S REPORT

The Annual General Meeting of Twin Towns Services Club Ltd was held on Tuesday 23 May 2023. I would like to thank the 95 members who attended the meeting to vote on the proposed resolutions put forward by the Board.

The Showroom, which can hold over 1,000 people, looked rather empty with the small number in attendance. It was a little disappointing considering the changes required to allow the leasing of the Childcare Centre to proceed at Club Banora.

I hope that this trend does not continue as a quorum is required before the AGM can commence. If the number of members is insufficient, the meeting must be rescheduled to a later date, causing a further delay in approving important resolutions to allow the Club to move forward.

I am sure that our conscientious members will return next year in greater numbers to have their say in their Club becoming stronger into the future.

There was no election required for the three Director positions and the nominees were duly declared elected unopposed.

I congratulate Bob Loring and Sharon Styman on being returned and welcome our new Director, Justin McGurgan who

brings a wealth of knowledge of the industry to the Boardroom. The Directors duly elected will retain their positions for the next three years.

The members overwhelmingly supported the resolution to change part of the Club Banora building from Core property to Non-Core property. This will allow the portion of the Club identified on the plan to be developed into a childcare facility that will be altered to accommodate approximately 95 children.

The change will allow the Club to enter into a long-term lease with an approved childcare provider and further diversify its income stream from our traditional revenue base.

The change will add another dimension to the masterplan for the Club Banora precinct and will certainly reinforce the strategy of making Club Banora 'The Centre of life' for Banora Point residents.

I look forward to commencement of the development for the whole area as soon as Tweed Shire Council approves the Development Application, a process that usually takes a considerable amount of time. Let's hope it is finalised soon.

Talking about Development Application approval waiting times, as I was driving

to Juniors last week I passed the GemLife housing development on Fraser Drive and noticed that no houses have been built yet.

People who purchased these properties over 12 months ago would not be happy with the long delays prior to moving into their new homes. I wonder if this was another delay caused by Council.

The redevelopment of Juniors has commenced and is on track to be open for business in November. The new Club will be ready for the busy Christmas season giving members and visitors the opportunity to visit the new premises and facilities.

At the time of writing, the concrete slab has been poured and the Board has been informed the structure will start to take shape over the next few weeks. I will keep members advised of the progress at each stage of the development.

I would like to remind members about the wonderful network of internal clubs that exists within our Clubs, run by enthusiastic committee members who give up their time to ensure their smooth operation.

They are not just sporting clubs. There's Euchre, Bridge, Seniors Social and a Garden Club for all the green thumbs.

Hop online to check what internal clubs are available or enquire at the Membership Desk at Twin Towns.

The social aspect and friendship are paramount in all our internal clubs so come along and meet the people involved. This beats the heck out of staying at home all the time.

Until next time

# ELECTION OF BOARD DIRECTORS

Twin Towns Board of Directors welcomes Justin McGurgan, B.Bus (Tourism), CCM who was appointed to the Board at last month's AGM.

Justin is highly qualified for his new role with more than 40 years' experience working in or consulting to the Registered Clubs industry.

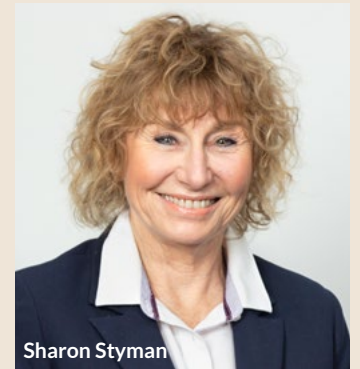

He has an extensive understanding of the objectives and ethos of Clubs and broad expertise in business consulting, strategic planning, corporate governance, diversification, project management, leadership development and training.

Justin is proudly the Secretary of registered charity The Pride of Bettermen Inc which helps men to become better men, to become better fathers, husbands, sons, brothers and leaders.

Welcome to the Board, Justin.

Bob Loring

Sharon Styman

## BOARD MEMBERS RE-ELECTED

At the AGM, current Board Directors Bob Loring and Sharon Styman were both re-elected to their positions unopposed.

Bob has been a member of the Board for 16 years. He is a member of the Donations, Disciplinary, Remuneration and Compliance/Risk Sub-Committees and the Towns Services Community Foundation.

Sharon is a local businesswoman who holds an MBA and Associate Degree in Business Administration. She has trained in the personal and professional development world and has helped many business owners in her consultancy company.

## LIFE MEMBER ROSS O'LEARY

From left, Twin Towns newest Life Member Ross O'Leary is congratulated by Board Chairman Brian Brown.

At Twin Towns AGM in May, members voted unanimously to endorse a resolution that saw retired Twin Towns Board Director Ross O'Leary honoured with Life Membership.

Ross was elected to the Board in 2008, where he has been an active participant until his resignation in February 2023. During this time, he was a representative on many of the Board's internal sub-committees where he was respected for his participation and enthusiasm.

In his younger years, Ross trained to become a butcher. He was also an avid Rugby League player.

With not a lot of money in butchering at the time, Ross decided to supplement his income by playing professional Rugby League.

The sport took him to Parramatta where he played in 1959/60 before moving to Illawarra where he competed up to representational level for nine years.

His income from football gave him the opportunity to develop and manage three butcher shops in Padstow, Strathfield and Tempe. Many members will now identify where Ross' love of barbeques comes from!

Ross and his partner Jo moved to Banora Point in 2002 where he immediately showed his commitment to the area by joining Twin Towns.

He also joined South Tweed Seniors Rugby League Club and became the catering and sponsorship officer. He also moved to a similar role with South Tweed Juniors Rugby League Club.

In 2003, Ross took up bowls at Club Banora. A short time later, he was elected to the position of Sponsorship and Catering officer on the Bowls Committee.

Ross continues to be involved in that capacity to this day but now also advocates for the development of junior bowls at Club Banora.

The Board of Directors, Management and staff wish Ross success in his future activities and in particular, his desire to grow the sport of bowls through junior participation.

# NEW MENU FOR

H A R B O U R  
*fresh*

ON 1 JUNE, HARBOUR FRESH LAUNCHES A NEW MENU THAT'S BURSTING WITH EXCITING NEW DISHES THAT HIGHLIGHT THE PRESENTATION SKILLS AND CREATIVITY OF THIS RESTAURANT'S TALENTED TEAM OF CHEFS.

Amongst the newcomers is the Za'atar Spiced Salmon, pan-seared or oven-baked.

If you've never tried it before, Za'atar is an aromatic blend of both earthy and subtle citrus undertones with a hint of nuttiness. Put this dish on the wish list for your next visit.

Fennel and sage are a match made in culinary heaven and when teamed with a tender juicy pork cutlet, you can't go wrong! This dish is served with Diane, pepper or mushroom sauce, along with

your choice of two sides: fries, sweet potato fries, creamy mash, greens or salad.

New entrées include Sumac Salt & Pepper Squid and Smoked Pork Belly.

There are also rotating Chef's specials at Harbour Fresh. Sure to be a number one choice as the colder months kick in is the hearty Rosemary & Red Wine Slow-cooked Beef Cheek, with garlic mash, buttered green beans and pan jus.

In the new pasta dish pictured below, seafood is the star! The Seafood Linguine brings together an assortment of perfectly cooked clams, mussels, prawns, fish and squid, tossed through a white wine, garlic and dill cream sauce.

Regular diners will find some of their firm favourites are still on the menu, including Ale-battered Barramundi and Grain Fed Beef Tenderloin with garlic cream prawns.

Another delicious seafood dish, Local King Prawns, barrel wrapped with Jamon Serrano, will be available until 8 July. This will be Twin Towns' entry in the ClubsNSW Perfect Plate Awards. See page 6.

# THE PERFECT PLATE AT TWIN TOWNS

THE NSW CLUB INDUSTRY'S PREMIER COOKING COMPETITION IS ON NOW AND EXECUTIVE CHEF DAVID ORGAN IS PRESENTING AN INDULGENT SEAFOOD DISH AS TWIN TOWNS 'PERFECT PLATE'.

The competition is designed to showcase the incredible quality and diversity of food on offer at local Clubs and highlight the talented chefs working in the industry.

David's Perfect Plate this year is King Prawns, barrel wrapped with Jamón Serrano. Some may have tried this dish last month when it made its popular debut as a signature Mother's Day main in Harbour Fresh.

The fresh, local trawler King prawns are barrel wrapped with Jamón Serrano, a Spanish-style, slow-aged ham made from a hind pork leg cut. The secret to Jamón Serrano's flavour lies in its delicate aging process, and the addition of one simple ingredient - sea salt.

The prawns are served on a colourful bed of honey-chilli baby beets and goat feta, topped with a delicious burnt butter, orange and sage cream sauce.

Twin Towns diners have the chance to score some great prizes in the Perfect Plate Awards, just by visiting Harbour Fresh and trying the dish between now and Saturday 8 July 2023.

The Perfect Plate dish has a unique QR code which you'll find near the counter in Harbour Fresh. Scan it and submit a score between one and five.

Then you will be in the running to win \$100 dining vouchers each day and one of two Foodie Getaways for two valued at \$3,500.

There will be three overall state-wide winning Clubs, based on their membership size.

Get behind Twin Towns' chefs and let your tastebuds decide the score for the Local King Prawns, barrel wrapped with Jamon Serrano.

Harbour Fresh opens for lunch and dinner, Thursday to Saturday. See [website](#) for opening times or to book your table.

# TWIN TOWNS 'HIGHLY COMMENDED' FOR FUNDING LOCAL SCHOOL GARDEN PROJECT

Club representatives from across NSW came together at the ClubsNSW Clubs & Community Awards last month to celebrate their contributions to local communities.

Clubs in regional and metropolitan areas were recognised for a diverse range of initiatives, including Club Central Hurstville who created a special program to help disadvantaged children further their education and gain access to employment opportunities.

Broken Hill Musicians Club saved the only cinema in a regional town from having to close its doors and Cronulla RSL are funding the veterinary care and support of a retired military working dog.

Twin Towns received the Highly Commended Award in the Education category for its funding of Banora Point High School Special Education Unit's Garden Project.

The Club's financial assistance enabled the school to build an outdoor garden - an inclusive, engaging and stimulating environment for students with disabilities and special learning and sensory needs.

The school received a total of \$47,500 for their project through ClubGRANTS, including \$29,500 from Twin Towns.

After Twin Towns Board Directors saw first-hand the passion and commitment for the project shown by teachers, an additional \$10,500 was donated from the Club's philanthropic

From left, Board Directors Bob Loring and Sharon Styman, Board Chairman Brian Brown, Bridie Beard from Banora Point High School, Angie Thornhill from Twin Towns, Board Directors Ken Culpitt and David Phillips, Andrew Zurcas and Stuart Wilkins from Twin Towns.

arm, the Twin Towns Services Community Foundation.

[Click here](#) to see a video presentation about the garden project and why it is so special to the kids at Banora Point High School.

ClubsNSW Acting CEO Sallianne Faulkner said Clubs are always looking for new ways to make their communities better places to live.

"There were 120 very deserving Clubs & Community Awards finalists this year, with each one working tirelessly to look after

their members and the wider community," Sallianne said.

"The Clubs & Community Awards are a testament to our industry's vital social contribution and a fantastic opportunity for us to come together and celebrate what makes clubs so special."

Twin Towns continues to build on its relationship with Banora Point High School and another project is underway at this time. More details on this in a future edition of Club News.

# NEW JUNIORS CLUBHOUSE GETS OFF THE GROUND

Construction of the new Juniors Clubhouse is currently on track for completion in November and locals who drive by the site regularly would see how quickly the project can progress, just in the space of a week.

A major milestone was reached last month when truckloads of steel trays were transported from a company in Yatala and placed in position, ready for the pour of the concrete slab at the end of May.

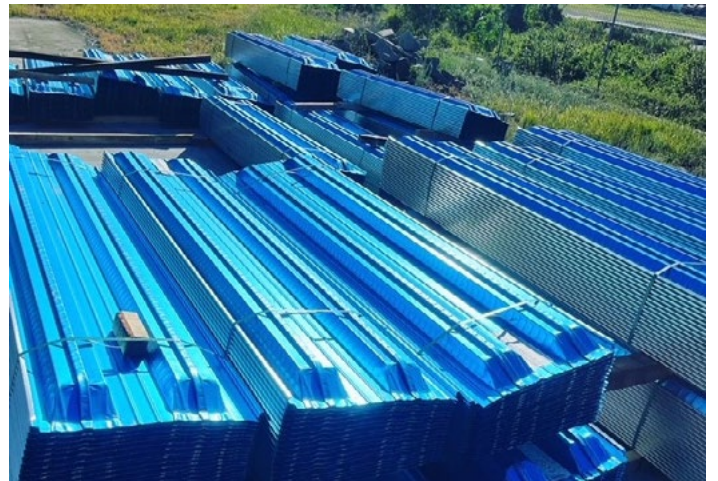

Now the slab is down, the next stage commences in June with the construction of the steel walls and roofing frames.

The new building will be raised around a metre and a half off the ground to ensure flooding issues which have plagued the Club for decades remain a thing of the past.

Although the design of the new Clubhouse will be contemporary, elements that worked well and members enjoyed most about the old Club will be refreshed, including the outdoor pavilion.

For the past six-plus decades, Twin Towns has strategically invested, reinvested and grown the organisation, its Clubs, assets, services and facilities for the benefit of members.

This successful strategy continues to evolve as the new Juniors Club progresses towards its reopening later this year.

# TWIN TOWNS JUNIORS CHAMPIONS CATCH UP

There was a party atmosphere at the construction site last month when Twin Towns Juniors Champions were invited to attend a Friday arvo get-together with free beers and a sausage sizzle.

The event was held under the outdoor Pavilions. It's the only structure still standing from the old Juniors Clubhouse, which has been demolished to make way for the new Club which will be built at a cost of \$12 million.

Twin Towns management and the Board of Directors were onsite to chat with the Champions and share updates on the progress of the Club.

So far so good! The weather has been kind to the project and the new Clubhouse is on track to open in November 2023.

## YOU AM I PERFORMS THE WHO'S TOMMY

ARIA Award-winning, highly-acclaimed Aussie rock band You Am I pays homage to one of their greatest influences when they play The Who's legendary album Tommy at Twin Towns.

Tommy, the fourth studio longplayer from the English rock band, was a double album released in May 1969. It was largely composed by the band's guitarist Pete Townshend and was presented as a rock opera telling the story of Tommy Walker.

You Am I frontman, Tim Rogers, enthusiastically explains it will be a preposterous proposition of pomp, power and pithiness, performed by our pop group with pals.

"We promise to plunder deep and perform in full plumage with no panache, just passions!"

You Am I will be fronted by two of Australia's most accomplished female rock voices, Hayley Mary and Sarah McLeod, who will share vocals with Tim Rogers to bring the songs to life.

Fans will also be treated to a set of The Who classics.

## MMA'S FIERCEST FEMALES IN THE OCTAGON

Take your seats in front of the 5.4 metre MEGAscreen at 1st on Wharf Tavern on Sunday 11 June to witness one of the greatest female fighters of all time, Amanda Nunes, take on Irene Aldana at Rogers Arena in Vancouver.

Mexican Mixed Martial Artist Aldana (14-6 MMA, 7-4 UFC) will step into the octagon against Brazilian Nunes, aka 'The Lioness' (22-3 MMA, 15-3 UFC), in the UFC 289 headliner.

Dethroning Nunes, however, will not be an easy task.

"I'm fighting the greatest of

all time," Aldana said during a recent press conference.

"I respect Amanda a lot. I'm grateful for the opportunity, and we're ready."

"To be able to perform and to share the octagon with Amanda is already the biggest accomplishment ever."

Nunes has ruled the bantamweight and featherweight divisions with an iron fist and is considered the Division's most feared fighter.

Don't miss this one! Starts at 12 noon.

## Aussie Tim Tszyu fights at home

Why pay a hefty price to battle the crowds at the Convention Centre when you can kick back at the Tavern with a big fat lunch and a few cold beers and watch this fight on the MEGAscreen?

Australia's WBO interim super welterweight titleholder, Tim Tszyu, is up against former world title challenger from Mexico, Carlos Ocampo, in the 12-round championship bout.

The undisputed face of Australian boxing, Tim Tszyu, said in a recent interview with ESPN: "I don't need to fight, I want to. I fear no one and will fight anyone. Ocampo is the perfect test for me right now."

Tszyu added that he has wanted to fight on the Gold Coast for a long time now because he absolutely loves it there.

The 27-year-old Mexican, Ocampo, has an impressive track record, having suffered only two defeats in his career, both in world title fights, to Errol Spence followed by Sebastian Fundora.

Tszyu claims he wants to make a really massive statement with this fight. "Don't blink or I promise you'll miss it," he told ESPN.

Catch all the action live at the Tavern on Sunday 18 June from 12 noon.

# JUNIOR SNOOKER CHAMPS

Twin Towns Club Banora Snooker Club has recorded unprecedented success at the recent NSW State Junior Championships.

Four junior players competed in Sydney. Luke Bofinger aged 15 and Adam Grunsell aged 12 made their first appearance, whilst 16-year-olds Christiano De Azevedo and Cooper Thomson have competed before.

All four participated in the U18 Snooker and U18 Billiards Championships, with Luke also playing U16 and Adam U12.

Adam almost made the semis of the U18 Snooker despite being one of the youngest participants. His crowning moment, however, was becoming the U12 NSW

Snooker Champion with a 2-0 win in the final.

Luke made it to the U18 Snooker semis and went down 2-0 in the finals of the U16 Snooker.

Christiano and Cooper continued their friendly rivalry in the U18 Snooker and Billiards.

In the U18 Billiards, both were undefeated in the group stages and faced each other in the final. After a 60-minute battle, there was only 4 points in it when time ran out and Christiano became the champion.

In the U18 Snooker, Cooper beat Christiano 2-0 in the semi-final. After losing the 1st frame of the final, Cooper fought back to take control and record an impressive 3-1 win against a highly regarded opponent.

Snooker NSW medals line up

Three champions and two runners-up medals are testament to the fantastic work being done at the free Junior Coaching Programs, along with financial support of the Twin Towns Community Foundation in recent years.

# TWIN TOWNS TURNS RED FOR HAEMOCHROMATOSIS WEEK

Along with around 100 well-known buildings and landmarks across Australia, the exterior of Twin Towns turns red every evening from 1-7 June, shining a light on an extremely common genetic condition that most people have never heard of.

It's called haemochromatosis, and Beethoven, Ernest Hemmingway and Dave Hughes all developed the condition, also known as Iron Overload.

Most people know anaemia causes tiredness and lethargy from too little iron in your blood but the same symptoms are caused by having too much iron stored in your body.

The hereditary condition, which is passed on from both biological parents, is simple to detect and treat but if undiagnosed or ignored can lead to serious and life-threatening illness.

One in seven Australians carry a

mutation of the defective genes and one in 200 Australians have an increased chance of developing the disorder.

Unfortunately, most of those affected aren't diagnosed until aged in their mid-forties and already suffering ill health. Once diagnosed, the treatment for haemochromatosis requires regular removal of blood known as a venesection and in most cases, the blood can be donated to help others.

It's easy to test, simple to treat but tragic to ignore. To find out more [click here](#) and speak with your GP.

The exterior of Twin Towns will be awash with red for 50 minutes, on the hour from 6.10pm through to midnight.

Grab a snap on your phone and post it to show your support for Haemochromatosis Week. #haemochromatosis #twintowns
