A FRESH NEW LOOK

1ST ON WHARF TAVERN AT TWIN TOWNS RECENTLY HAD A REVAMP, BRIGHTENING UP THE INTERIOR SPACES WITH CONTEMPORARY NEW FURNITURE, LIGHTING AND PAINTWORK.

A highlight of the transformation is the cosy new Lounge, tucked away at the rear of the Tavern.

With fresh white walls, striking palm tree wallpaper, timber panelling and a relaxing beachy vibe, The Lounge is perfect if you're looking for a quiet corner for a drink or a meal with your besties, the family or the kids.

The Lounge at 1st on Wharf Tavern is a comfortable spot for a quiet meal with friends or family

Fresh new décor has brightened up the Tavern

Children are welcome and the kids' menu has all their favourites.

There are burgers and starters on the menu, along with the famous Meal Deal - your choice of a main with a beer, wine or spritzer, priced from \$18 for members/\$20 for visitors.

The free Spritzer has been a firm favourite with female diners since it was introduced at the Tavern back in 2019.

This light, fizzy and refreshing combo of Aperol, Prosecco and soda is served over

ice with a fresh orange garnish. If you haven't tried one, get into 1st on Wharf and discover what you've been missing.

From 4pm to 6pm every day, it's Wine O'clock at all bars at Twin Towns, including the Tavern. Standard wine (150ml) is just \$5 and large is \$8 (Sparkling, Sem Sav Blanc, Chardonnay, Cab Merlot or Shiraz).

Fridays from 4.30pm to 5.30pm is Happy Hour at the Tavern with \$6.50 draft beer schooners and basic spirits.

BOARD CHAIRMAN'S REPORT

While doing my daily walk from Tweed Heads to Point Danger and back along the beachfront to Tugun, I couldn't help but notice the increase in the number of homeless people trying to find a place to camp for the evening and seek shelter from the cold night ahead.

These were not only adults on their own but also many with children who are sleeping in their motor vehicles in council carparks because they have no permanent place to live.

I realise some of the homeless prefer to live that way but I am sure a large number were forced into that situation through no fault of their own.

The decisions made by central banks in increasing interest rates on so many occasions have contributed to the situation a majority of those affected find themselves in.

The cost of essential products, e.g. gas, electricity and fuel, have reached unaffordable proportions. The cost of basic food items is hurting the most vulnerable members of our community.

There are many organisations that attempt to assist in finding short-term accommodation. There are also foodbanks

that provide fresh food and vegetables for families who are finding it difficult in this tough economic environment.

Do not feel embarrassed or afraid to reach out for assistance if required from these charities.

Members will be aware that the increase in alcohol excise by the Federal Government occurs twice a year in February and August. This is an automatic increase and is not something we can argue against.

The increase in the cost of doing business, as well as the recent fair work wage and Superannuation Guarantee increases, leaves the Club with no options but to pass these costs on to our members and visitors.

The Club continues to engage with our suppliers to source the best prices for quality products used on our premises.

The redevelopment of Juniors is progressing, with the shell of the building and the roof almost completed. The internal fit-out will commence once the building is at lock-up stage. At this point in time, the Club is on schedule to re-open in November.

The meetings with the Juniors Champions have been a great success, with many attending to be informed of the progress

of their new Club and catch up with other members they may not have seen for a while due to the closure.

The Labor Government made an election commitment; if elected it would introduce a 12-month trial on cashless gaming machine technology.

The trial would be conducted at a number of venues throughout NSW on a specified number of electronic gaming machines. A report on the outcome of the trial would be provided to the Government. The committee will consist of 16 members from different interest groups. The committee will also look at other harm minimisation and money laundering prevention measures.

There was no evidence that significant amounts of money were being laundered through Clubs' gaming machines but the proceeds of crime could be used for entertainment at these venues.

The Club looks forward to the results of the trials and the recommendations made by the committee.

I tried the new \$20 food offer at Harbour Fresh last Sunday with family and friends. The selection consisted of a choice of three dishes and included a drink - Seafood Chowder, Fish and Chips or Fisherman's Pie.

Your meal could be enjoyed at your place of choosing. The day was warm and sunny so we chose to eat on the balcony overlooking the harbour. The special is only available on Sunday and I recommend you try this offer.

Until next time,

Brian Brown
Board Chairman

COMEDY ON THE Rocks

Comedy on the Rocks returns to Still & Barrel on 17 August at 8pm, bringing the laughs to Twin Towns luxe little whiskey bar tucked away on the mezzanine level at Twin Towns.

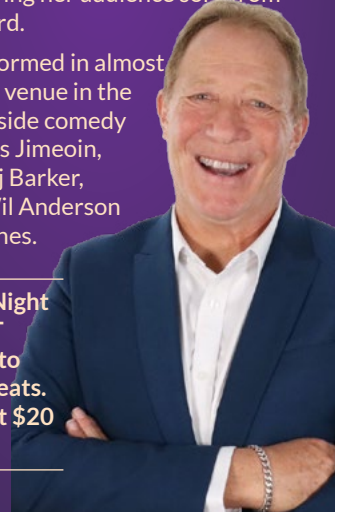

Headline act this month is Steve Allison, a local comedy legend and true larrikin.

Cool and casual, it's obvious once Steve picks up the microphone that he's the epitome of laid-back Aussie humour. His well-crafted mix of snappy one-liners, hilarious stories and funny home truths will have you in stitches.

MC on the night is Fiona McGary, who's known for leaving her audience sore from laughing so hard.

Fiona has performed in almost every comedy venue in the country, alongside comedy legends such as Jimeoin, Adam Hills, Arj Barker, Judith Lucy, Wil Anderson and Dave Hughes.

Last Comedy Night BOOKED OUT so get in early to reserve your seats. Tickets are just \$20 [Book now.](#)

Still & Barrel KARAOKE NIGHT

Whether you like to belt out a ballad, dive into a Disney tune, bop along to a cheesy pop song or Run to Paradise, it could be your time to shine at Still & Barrel's new Karaoke Night.

We suspect there may be a few quality voices out there, looking to impress the ever-watchful talent scouts at Twin Towns. You never know, Karaoke could be your stepping-stone to taking

that rockstar voice out of the shower and onto The Stage.

Karaoke Night is on the second Thursday of the month from 8pm to 11pm, so the first one will be 10 August.

There will be some random prizes to be won throughout the night, just for giving it a go.

Bring along your best singing voice, have a stiff drink or two to bust the nerves, and get up there and have some fun!

SING YOUR HEART OUT AT STILL & BARREL

There's something wildly exciting, and exhilarating, that just 'happens' when every person in the entire pub bursts into song.

We've all heard it before. Remember when Brisbane-born Pub Choir sang that tricky Kate Bush song, and the Couch Choir, which became an instant online sensation during the pandemic.

If you thought that looked like a pub-load of fun, you need call up your friends and gather round the piano at Still & Barrel for the new monthly Sip'n'Singalong.

You won't get kicked out because you're a terrible singer and no one will care if you don't know the words. We guarantee you'll have a riotous night and you'll be practising your singing for the next Sip'n'Singalong.

Steering this musical ship is multi-talented vocalist and piano man George Ferguson who's looking forward to enjoying the show as much as his audience.

George has put together a repertoire of pub singalong favourites, loaded up with Aussie rock anthems and feel-good tunes you won't be able to resist singing along to.

The new monthly Sip'n'Singalong is on 3 August from 8pm and will continue on the first Thursday of each month.

MARK FURZE AT THE STAGE

If you wander past The Stage at Twin Towns around 5pm on Thursday 3 August, you might spot a face that looks familiar.

Mark Furze began a musical career at the age of 10, performing alongside his father in a production of Oliver. He later landed a role on famous Aussie soap, Home and Away.

The teenager from Orange NSW was cast as 'a bad boy with a good heart', Alf Stewart's grandson Eric 'Ric' Dalby. He spent four years on the show, alongside co-star and friend Chris Hemsworth.

He was nominated twice for a silver Logie, and appeared in Underbelly and the Aussie film, A Heartbeat Away, before moving to LA.

Fast forward 16 years and he was back on home turf, where Australia discovered there was more to Mark Furze than acting.

He had a voice, one that could turn heads, all four of them. Guy Sebastian, Boy George, Kelly Rowland and Delta Goodrem all fought to have Mark on their team in The Voice 2020 but it was Team Kelly that brought him through to the Semi Finals.

Mark has continued his music career since then and loves nothing more than showing a side of his talent many have not seen before.

JUNIORS CONSTRUCTION PASSES HALFWAY MARK

Construction of the new Juniors Club has passed the halfway mark with completion and handover expected in less than four months' time.

The roof is on and work has commenced on cladding the exterior of the building. The plasterboard framing and sheeting will also be going up this month.

Expect a hive of activity in upcoming weeks as plumbers, electricians and other trades converge onsite to finish the rough-in. Stonemasons have also started on the stone feature walls at the entry to the clubhouse.

If you're driving by the site on the corner of Fraser and Leisure Drives at Tweed Heads South, you can now clearly see the size and scope of the new Juniors.

Get excited! November is not too far away.

Another get-together of Juniors Champions was held under the outdoor pavilion in July with a huge turnout enjoying a BBQ, sunset drinks and a birds-eye view of the construction site.

This time the Champs got a Juniors Champion umbrella for golf, in the car or for the morning walk.

We're looking forward to seeing our Champions at the next catch up.

AMAZING AUGUST DISHERS

TWIN TOWNS EXECUTIVE CHEF HAS ADDED SOME NEW SPECIALS TO THE HARBOUR FRESH MENU THIS MONTH, WITH DELICIOUS DISHERS OUR SEAFOOD AND MEAT-LOVING DINERS WILL BE EXCITED TO TRY.

There are two entrée specials for August, including juicy Tasmanian scallops with Serrano, a type of ham, served on smoked carrot puree with salsa verde.

The second entrée is seared sashimi-grade Yellow Fin Tuna, which was a smash hit with our regular diners last month.

This perfectly presented dish, pictured above, is served with pea wasabi puree, crispy enoki mushrooms, micro salad and sesame soy vinaigrette.

Seafood Linguine returns due to its huge popularity but chefs are making a few changes in August.

This time, the pasta sauce is made with roasted Roma tomatoes, fresh herbs and confit garlic, and served with Parmigiana Reggiano.

Two 'hearty' additions round out the mains specials for the last month of Winter.

The Moroccan roasted lamb rump, with herbed couscous and caramelised figs, brings exotic international flavours to the menu.

The eye fillet with truffle mustard butter risotto, served with Porcini and King Brown mushrooms and port wine jus, is a

culinary masterpiece! Make sure you try it in August.

There are two new dessert specials to top off a perfect lunch or dinner.

The spiced poached pear with white chocolate and vanilla bean panna cotta is served with luscious pistachio ice-cream.

There is also a winter-warming coffee and

caramel sticky date pudding with a salted caramel toffee crumble and vanilla bean ice-cream.

Big Day Out for staff

Around 80 Twin Towns and Club Banora employees took the afternoon off last month to attend a staff party offsite at The Henchman at Miami.

Great to see them enjoying the opportunity to chat, laugh, relax and enjoy each other's company, away from their busy work environments.

We're sure members will see some familiar faces from around the Clubs in the happy snaps.
