A NEW CHAPTER BEGINS FOR THE MUCH-LOVED LOCAL

**WE TOLD YOU IT WAS
COMING. LATER THIS
MONTH, YOU CAN
DROP BY THE NEW
JUNIORS AND SEE IT
FOR YOURSELF!**

In February this year, Twin Towns announced that Juniors would close in early April to make way for the construction of a new Clubhouse. With a project of this size, it was ambitious at the time to say it would be completed by mid-November.

Well, November has arrived and thanks to Tweed construction company TLF Developments and their massive team of local tradies, it will soon become a reality.

Members and visitors will soon get to enjoy the new contemporary and spacious surrounds at Juniors, encompassing around 1,200 square metres of internal space and 700 square metres of covered outdoor areas.

Jr's Kitchen also opens this month and diners can choose to sit inside or outdoors on the balcony. The menu will include bistro classics and

popular modern Asian dishes.

The bar will have 16 beers on tap and a wide range of local and international beverages.

On Thursday 30 November, the Christmas Ham Raffles kick off at Juniors so you have the perfect excuse to visit the new Club and check it out. Tickets are on sale from 12pm NSW; hams are drawn from 6pm NSW.

Locals will also be excited to hear that free live music commences at the new Juniors in December and will continue into the new year.

Juniors entertainment will be on Fridays from 5pm NSW, Saturdays from 6pm NSW and Sundays from 3pm NSW.

To celebrate the opening, Juniors is giving away a Ford Ranger Wildtrak valued at \$75,000.

When you visit Juniors after it opens, earn one ticket per day in the draw with a food purchase and one ticket per day with a beverage purchase.

In February next year, you could be parking your new Ford Ranger Wildtrak at the door of the new Juniors.

Juniors Champions enjoyed another get-together last month and this time, they got the chance to venture inside their new Club to see how much they had to look forward to.

And the new Juniors didn't disappoint!

Most were impressed by the spaciousness of the areas, the high ceilings, the size of their new bar and the huge central wall for high-definition LED screens.

Definitely a winner was the outdoor balcony overlooking the playing fields.

This balcony will be non-smoking but there are plenty of smoking areas available including the outdoor pavilion.

The new Juniors opens on Thursday 23 November.

TWIN TOWNS' MAJOR BOOST TO NEW CLONTARF FOUNDATION ACADEMY AT SOUTH TWEED

A \$20,000 DONATION FROM THE TWIN TOWNS SERVICES COMMUNITY FOUNDATION WILL FUND THE ENROLMENT OF AN ADDITIONAL 10 BOYS AT THE CLONTARF FOUNDATION'S RECENTLY OPENED ACADEMY AT TWEED RIVER HIGH SCHOOL.

The Clontarf Foundation is an organisation that improves the education, discipline, self-esteem, life skills and employment prospects of young Aboriginal and Torres Strait Islander men.

The Academies work in partnership with local schools, focusing on attendance, behavioural change and positive attitudes, which leads to students completing school and finding secure employment.

Clontarf Foundation's NSW Partnerships Manager, James Grant, explained that whilst the passion that Aboriginal and Torres Strait Islander boys have for football attracts them to the Academies, they are offered more than just a sporting program.

"Our three full-time staff at the Tweed River High School Academy coordinate a diverse range of activities; they mentor and counsel students, while teachers cater for their educational needs.

"There is morning training, afternoon activities, camps, big days out and more to keep the boys active and engaged.

"For example, this morning we held our morning training at Snapper Rocks. The boys participated in beach flags, played a game of footy on the beach, then it was in the showers and off to class.

"Every Academy does this sort of thing."

James said Twin Towns Services Community Foundation's support of the Tweed River High School program allows them to work closely within the community, provide the boys with career opportunities and enables the boys to give back through community engagement.

"The support received from Twin Towns is a welcome introduction of Clontarf into the region and we look forward to working together to provide opportunities for our boys to become strong community contributors," said James.

Twin Towns Services Community Foundation Chairman, David Phillips, said the Clontarf Foundation was an amazing

organisation and the work they do with Aboriginal and Torres Strait Islander kids is "exemplary".

"We're thrilled to be in a position to help the local Clontarf Foundation Academy through our Community Foundation and we look forward to building on this relationship in the future.

"I encourage everyone to visit their [website](#) to learn more about the success of their Academies right across Australia," said David.

The Twin Towns Services Community Foundation is Twin Towns' philanthropic arm, which funds worthwhile projects in the community, over and above what is provided through ClubGRANTS.

I will commence this report with an update on some changes at our Clubs. 1st on Wharf Tavern has had major refurbishment with new furnishings, carpet and a completely new bright and refreshing color change.

The Club has also started a coffee cart on weekends in the laneway outside 1st on Wharf Tavern for the early risers who go for their rides or walks during that time.

There have also been some changes to the main Club so come on in and have a look. You will be pleasantly surprised.

The redevelopment of Club Banora continues. Development Applications for the shopping centre and Club are with the consultants, who are fine-tuning and making any necessary changes to speed up the process before submitting to Council. As you know, Council is not particularly quick in making decisions on major projects.

The childcare center on the upper level at Club Banora is on a separate Development Application and at this time, no information has been provided. I will keep you updated as more information becomes available.

At the time of writing, the brand-new Juniors club is nearing completion with the opening on schedule for November. What a terrific effort by all the people involved.

Members have waited a long time for the new Juniors and the building is a huge improvement, with all the latest technology and fixtures that will make going to this Club a memorable experience.

A big thanks to all the tradies, project managers and builders for their commitment to the successful completion of the project and thanks to members for their patience and support while the development was completed.

I attended the final of the Annual Eamonn Duff snooker championship at Club Banora on the long weekend. What a great event! Two young and talented snooker players made their way to the final after defeating some very proficient challengers on their way.

The event, which was managed by the Snooker Club committee, was conducted in a very professional manner.

It was a huge effort by the committee over the three days, well done. Congratulations on promoting and running a very successful championship. Congratulations to all the participants too and we hope to see them back next year.

Congratulations must also go to the Seniors Social Club who recently celebrated their 40th anniversary. The committee organised a luncheon at Twin Towns. Numbers were down but I think this was probably due to cost of living pressures that are affecting all members and the community in general.

The atmosphere was great and it was good to see the smiling faces as they talked about what a special place the club has been over a long period of time. The Club provides members with the opportunity to meet other like-minded people and stay engaged at a time in their life when they are at their most vulnerable.

The Tweed Heads-Coolangatta RSL Sub-Branch will hold Remembrance Day services in both NSW and Qld. (See top right.)

Remembrance Day, which was originally called Armistice Day, commemorated the end of the hostilities for the Great War (World War 1), the signing which occurred on 11 November 1918 - the 11th hour of the 11th day of the 11th month.

On the first anniversary of the armistice in 1919, one minute's silence was instituted as part of the main commemorative ceremony. After the end of World War 2 in 1945, the Australian and British Governments changed the name to Remembrance Day as an appropriate title for a day which would commemorate all war dead.

I look forward to seeing our members at the Service.

Lest we forget.

WATCH ALL THE FIGHT ACTION ON THE 5.4M MEGASCREEN

Following the late cancellation of the original UFC 295 main event between Jones and Miocic, Jiri Prochazka and Alex Pereira will take their place on Sunday 12 November.

Prochazka has a 3-0 record in the UFC with 13 straight wins overall while former middleweight champion Pereira has won five of six UFC fights.

Former light heavyweight champion and Czech Republic native Procházka has not had a fight since beating Teixeira to take out the UFC light heavyweight belt in June 2022. He's never lost a championship but was forced to relinquish his title late last year due to injury.

Brazil native Pereira, who now lives and trains in the US, knocked out Adesanya last year to win the middleweight title, only for Adesanya to knock him out to reclaim the belt in April this year.

The sparks will surely fly when two of the most exciting 'big men' of UFC go head-to-head for the vacant light heavyweight title.

Get in early for the best seats in front of the MEGAscreen at the Tavern. Prelims from 11am Qld, main fight gets underway from 1pm Qld.

Be at 1st on Wharf Tavern to watch two young knockout specialists go head-to-head for the prestigious Australian Super Welterweight Title.

After opening his professional career with seven straight wins, 25-year-old Nikita Tszyu will take a significant step up when he faces reigning national champ Dylan Biggs.

Along with older brother Tim, Nikita is part of the 'next generation', following in the footsteps of their famous father and former world champion, Kostya Tszyu.

Apart from being the biggest fight of his career, the showdown with Biggs will see Nikita looking to become the only fighter in his family to hold a national strap.

Dylan Biggs is also a force to be reckoned with. The 21-year-old from Beaudesert steps into the ring with a 10-0 record, including seven knockouts.

Whilst both Tszyu and Biggs are undefeated, after this clash, one will lose that claim to fame.

The action starts at 6pm Qld. This one will be popular so get in early for the best seats in the house.

For centuries, board games have brought joy to millions of people around the world.

More than just a form of entertainment, board games are said to have a remarkable effect on our mental well-being, cognitive abilities and social interactions. They can also enhance your critical thinking and problem-solving skills.

All that said, we're pretty sure most people love playing board games because they're loads of fun!

Twin Towns Customer Care Ambassador Marty Thompson heads up a group of board gamers that meet regularly to play at the Club.

Anyone can come along, members or visitors, and it's a great excuse to get out of the house, enjoy a cuppa and a chat and make some new friends. Plus, it's all free.

There's Sequence, Scrabble, Blokus, Qwirkle, Bananagrams, Ludo, Rummy, Chess and more. You're welcome to bring your own favourites too.

The group meets on the second and fourth Wednesday of the month from 10.45am-12pm Qld at Signatures on the Lobby Level at The Sebel Twin Towns.

Just come along!
