# Reading for Life thanks to Twin Towns

Twin Towns recently donated a total of \$25,115 to Learning Links, an organisation that empowers children with learning and social difficulties in our local community to develop, thrive and realise their true potential.

The amount of \$14,640 from Twin Towns ClubGRANTS scheme went to 'Ready to Read', a community education program that supports children to learn to read.

This parent empowerment program will be accessible to up to 100 families living in the Tweed Shire.

The second amount of \$10,475 went to 'Reading for Life', a school-based program that supports disadvantaged children to build foundation literacy skills and confidence.

Reading for Life will support 12 children in Years 2-4 at a school in the local area who are struggling and falling behind at a vital stage of their development.

The program works by training Reading Buddies at the local school who will support the children one-to-one weekly for 15 weeks to improve their literacy skills.

Learning Links is a not-for-profit organisation whose mission is to provide children and young people with difficulties learning with the skills, services and family support they need.

Chief Executive Officer of Learning Links, Birgitte Maibom, said they could not continue to do their important work in the Tweed community without the help of Twin Towns.

"We are excited to work together to provide the opportunity to transform the trajectory of children's lives.

"Thanks to Twin Towns, these children will be empowered with skills, confidence and belief in themselves they may never have had without this Club's kindness and support," said Birgitte.

Deputy Board Chairman and Chair of the Tweed ClubGRANTS Committee, David Phillips, said he and the Board were pleased to assist with these revolutionary programs for the past three years.

"Since 2021, \$44,485 has been donated - \$34,010 through ClubGRANTS and another \$10,475 from Twin Towns Services Community Foundation, the Club's philanthropic arm.

"We believe it is of the utmost importance for kids to have the tools they need to move forward with confidence.

"Twin Towns aims to help our local community organisations wherever we can, and we have always upheld a strong focus on organisations for children and early learning," said David.

Stonework is a feature of the entry and there is ramp access for those who need it

# Take a peek inside the Juniors construction site

It's all happening at the Juniors construction site and excitement is building as the Clubhouse really begins to take shape!

We took a few pics to show you around some of the internal spaces we're sure you've been wondering about.

The lounge and dining areas are spacious, with huge expanses of glass providing relaxing views over the sporting fields.

This month, more than 50 local tradies are onsite - sheeting walls, painting, tiling bathrooms, and fitting-out the kitchen and bar.

Sandstone from Helidon in the Lockyer Valley has already been laid by a local stone mason at the entry. Natural timber will soon be added to complete the contemporary look.

By the end of October, the new Club should be ready for carpet, light fittings and ultra high definition LED screens.

In early November, the arrival of furniture and décor items will add the finishing touches.

At this stage, this new, super-stylish meeting place and entertainment hub for locals, is on track for a November opening.

The new dining area overlooks the playing field

# SING UP A STORM AT KARAOKE

At the first Still & Barrel karaoke night last month, there were plenty of seasoned karaoke kings and queens who blew us away with their talent.

There were also some shower-singers, just as keen to show off their K-factor.

As we expected, there were hits, and a few misses, and that's what makes Karaoke so much fun.

If you feel the urge to pick up the mic at the next one, shake off the nerves with one of Still & Barrel's premium spirits, many of which are just \$9 a nip on the 'Top Shelf' list. There are also loads of beers and wines to choose from.

Last time, organisers never expected they'd need to declare a full house so early, with Still & Barrel reaching capacity just minutes

after opening. Apologies to those that missed out and here's the solution.

## Book now for Karaoke Night!

If you're planning to come to the next Karaoke night on Thursday 14 September from 8pm, book ahead.

Go to [www.twintowns.com.au](http://www.twintowns.com.au) and click on SEE A SHOW. Put in your details for Karaoke Night to reserve your seats.

There's no charge for your ticket to Karaoke but you MUST arrive before 8.15pm or your seats will be reallocated to those waiting to come in.

You can hold a corporate event at Still & Barrel with Karaoke, Sip'n'Singalong or other style of entertainment. For

FREE

details, call the Twin Towns Conference & Function Centre on 1800 015 015.

Still & Barrel is also an option for functions, birthday parties or special events, subject to availability.

## SING US A SONG WITH THE PIANO MAN

This month's Sip'n'Singalong at Still & Barrel on Thursday 7 September from 8pm sees popular Twin Towns vocalist Steve Michael taking the seat at the piano.

Steve is a fantastic entertainer with a reputation for getting the crowd going.

You can sing along in your seat if you like or gather around the piano 'New York style' and belt out a few songs.

Invite your friends or come alone. It's all about a relaxing night out, listening to the music and enjoying a few drinks in the beautiful surrounds of Twin Towns speak-easy style whiskey bar.

A whiskey or gin may well get you in the mood for a few songs around the piano.

## STILL & BARREL GIFT CARDS

If you're looking a gift with the 'wow factor' for Father's Day, Christmas or a birthday, how about a Still & Barrel gift card.

The new gift cards are an invitation for the recipient to head to Still & Barrel and enjoy their favourite beverages up to the value of the card.

Even better, it's likely they'll be thrilled to have the opportunity to indulge in one or more of the 'unicorns' that have quickly become the star attraction at this luxe little bar.

Like the famous Cameronbridge 26-Year-Old Special Release Single Malt Scotch Whisky. This exquisite whiskey is one of the best in the world. Silky smooth, it gleams like gold in the glass.

If you want a bottle, it will set you back around \$600 at Dan's. A nip of Cameronbridge is \$29 at Still & Barrel and worth every cent to savour one of the best whiskeys in the world.

Another 'top of the tree' drop is the Johnnie Walker King George V Blended Whisky, which, if you can find one, retails at over \$700 a bottle. Try it for \$39 a nip.

Still & Barrel isn't just about whiskeys. There are lots of other rare and exciting spirits on the shelves, such as Widow Jane 10-Year-Old Bourbon.

This bourbon is a blend of whiskeys from Kentucky, Tennessee and Indiana, assembled in Brooklyn using water from the Widow Jane Limestone Mine in Rosendale, New York. It sells for around \$194 a bottle but at Still & Barrel, try it out for \$15 a nip.

How much the gift is worth is up to the giver. The gift cards are available in denominations from \$50 to \$100 and can be used to purchase drinks and gourmet platters at Still & Barrel.

\*Twin Towns promotes and supports drinking responsibly. Members prices are listed above.

## COMEDY ON THE Rocks

Whether he's performing at an outback pub, on a cruise ship or in front of a crowd of thousands at a gala event, Mark's mission is to put a smile on every face in the room.

Catch the action live at 1st on Wharf Tavern on Sunday 10 September when superstar Middleweight champion Israel Adesanya defends his title against No. 5-ranked contender, Sean Strickland.

Adesanya (24-2) is coming off a second-round knockout of Alex Pereira at UFC 287 in April. Adesanya has five successful middleweight title defences, second in UFC history to Anderson Silva (10).

Strickland (27-5) has won two straight following a two-fight losing streak. The Las Vegas resident is coming off a second-round TKO of Abus Magomedov on 1 July.

Strickland has won seven of his past nine fights since moving up to middleweight in 2020.

Fox Sports reported that UFC president Dana White commented on the upcoming fight, saying:

“What I love about Israel is that he’s always ready to take on the best in the world. Anyone, anytime.

“And Strickland is an absolute maniac who doesn’t back down from anyone. This will be a great fight,” she said.

## DONATION DOG A WINNER AT BINGO

Twin Towns Customer Care Ambassador Marty Thompson recently received a letter of thanks from NSW Guide Dogs for the latest amount of \$1,602 collected in the Donation Dog at Club Banora.

This took the tally to \$2,793 since the Donation Dog arrived at Club Banora.

Those who have dropped coins in the Donation Dog include the Fun Bingo players, who are encouraged to leave a gold coin donation, if they wish, for their free morning tea and bingo games.

Guide Dogs are extremely grateful for the support they receive from the community and

from their wonderful donors, volunteers, clients and staff.

By leaving some coins or spare change in the Donation Dog, you're helping to change the life of someone who has low vision or blindness.

Next time you're at Club Banora, drop some spare change in the Donation Dog and support this worthy cause.

If you haven't been to Fun Bingo, come along to Club Banora next Thursday from 10.30am. Bring your friends or make some new ones.

Fun Bingo may not be bingo as you know it but we do guarantee you'll have loads of fun. You may even win a prize!

Ever thought about playing bowls? Here's your chance!

Twin Towns Men's and Ladies Bowls Clubs invite people of all ages to come along to Club Banora on Sunday 8 October at 10.30am NSW to give bowls a try.

Twin Towns Men's Bowls Committee member, Ross O'Leary, said the clubs are keen to introduce new members - juniors, seniors and everyone in between.

"The Bowls Day provides the opportunity to meet some of the Clubs' bowlers, get an introduction to the game, learn about its history and most importantly, how the game is played.

"Everything you need will be supplied and we suggest you wear comfortable clothes, flat-soled shoes or slip off your shoes and play barefoot if you like," said Ross.

No need to register for the Bowls Open Day, just come and have some fun. There will be coffee, tea and biscuits after bowls.
