The new local is all about kicking back, relaxing, and soaking up the bright and breezy atmosphere and stylish surrounds of the Clubhouse.

The ultra-high-definition screens are playing your favourite sports and there are 16 icy cold beers on tap, as well as a great range of local and international beverages.

While you're there, dine indoors or outside on the deck at Jr's

Kitchen. The family-friendly restaurant serves bistro classics, modern Asian dishes and kids' meals are available. See pages 19 and 20 for the full menu.

So, CHEERS to the all-new Juniors! It's everything you've been missing about catching up at the local... plus a whole lot more!

That Twinning Feeling!

Almost \$3 million won at two Twin Towns Clubs in less than a week!

A Tweed local has won \$1,779,864.20 on the first day of trade at the new Twin Towns Juniors.

The man admitted to pangs of jealousy when he first heard the huge Keno prize had been won at Juniors where he was having lunch.

"Everything went ballistic at the Club and this enormous win kept flashing up on the screen so I thought someone had come forward and claimed it.

"Anyway, I went home and didn't think about it again until a mate contacted me to say the prize hadn't been claimed yet.

"To say I was shocked when I checked the numbers is an understatement!"

The man said he been playing the same numbers across Keno and lotteries for more than two decades.

"I never gave them a hope in hell. Turns out it was worth the wait."

When asked how he'd celebrate his Keno Classic 10 Spot win, he admitted he wasn't sure just yet but looked forward to setting up his kids for the future.

"It's life changing, I just feel so lucky," he said.

As Jill Sheahan from Keno points out, it was the second win in five days for Twin Towns Clubs.

Twin Towns Juniors manager Chris Mullen said they were excited to hear the winner was a local.

"To christen Juniors on day one with a Keno win of this size is something we'll always remember, and our members will too.

"We hope the luck continues at our new Club," said Chris

And then this happened!

After hearing about the search for Juniors' 10 Spot jackpot winner, a Banora Point woman was inspired to grab a Keno ticket but never expected to walk away \$1.17 million richer.

The woman won the Keno Classic 10 Spot jackpot at Club Banora on 28

November, taking home a total prize of \$1,175,312.90.

When a Keno official spoke to the winner the following day, she admitted she had been tossing and turning all night, dreaming about her new reality.

"I didn't sleep at all. I can't believe it.

"I went to the Club to check my older Keno tickets because I heard there was a mystery jackpot winner at Juniors and they were trying to unite the winner with the prize.

"I was a bit inspired, so decided to put 10 numbers on a new Keno ticket.

"The next thing I knew, the Keno 10 Spot Jackpot prize went off at the Club!

"I was in so much shock. We're still getting our heads around it all," she said.

Duty Manager Darren Mayne said it was "a déjà vu moment", after the big Keno win at Juniors, just down the road.

"Congratulations to both winners from everyone at Twin Towns.

"We're so happy they chose our Clubs to play their winning numbers," said Darren.

Around 300 Juniors Champions and invited guests attended a special preview of the new Juniors the day before it opened to the public in November.

The Champions were the first to discover just how fantastic their local looks and feedback from the first guests could not have been more positive.

Many said they were impressed by the size of Juniors, as well as the interior design, high ceilings and the large expanses of glass that bring the outside in.

They also got to test out all the Club's facilities and chefs wowed them with a huge buffet spread with 'a taste of things to come' at the new restaurant, Jr's Kitchen.

WE'RE SPREADING THE *Christmas Cheer*

Christmas is all about giving and this month, Twin Towns has a special gift for members (excludes Club Key members).

From 23 to 24 December, receive a \$10 Christmas Cheer eVoucher INSTANTLY when you make a single cash, EFTPOS or credit card purchase of \$5 or more on food or drinks.

The eVoucher will reside 'virtually' on your membership card and can be spent at the Club of your choice – Twin Towns, Club Banora or Juniors.

Enjoy a Christmas drink on the house or \$10 off a meal or snack at one of the Clubs' restaurants and cafés.

If you're a Club Key Member, you're not eligible to receive the eVoucher unless you upgrade before Saturday 23 December. And the timing to do this is perfect!

Not only will you get the cost of your one year membership fee back in Christmas Cheer, you'll also get to enjoy all the perks and bonuses that full members receive all year round.

Come into the Club during the weekend before Christmas to claim your eVoucher and use it before close of trade, Sunday 24 December.

CHEERS, AND THANKS FOR BEING A MEMBER!

REDEEM YOUR MEMBERS ADVANTAGE POINTS

**BEFORE THEY EXPIRE ON NEW YEAR'S EVE,
SUNDAY 31 DECEMBER**

You've earned them throughout the year. Now it's time to spend them!

Members must redeem their Members Advantage Points before the close of business on New Year's Eve, Sunday 31 December.

HOW TO REDEEM YOUR POINTS:

❄️ The Pitstop terminal has a great variety of physical and electronic gift cards or Visa/EFTPOS Gift Cards. If you're not sure where to find the terminals, ask one of our friendly staff. Use these cards for Christmas gifts, to fill the pantry with groceries or stock up the fridge with your favourite beverages. The minimum card value is \$50, so you'll need 5,000 points.

❄️ Twin Towns gift cards are also available and they're valid for up to three years. The minimum card value is \$20 so you'll need at least 2,000 points. Use these for food and beverage purchases at the Clubs.

❄️ This one is easy! Spend your points at the Clubs ANYTIME for food, beverages and more.

Check your points balance on the Twin Towns app, at any point of sale, at the Kiosks or via the Members Portal on the Twin Towns website. The most important thing to remember is to redeem your points before the end of 2023.

The opening of the new Twin Towns Juniors was a resounding success, with members arriving in large numbers to take their first look at the new Club and the state-of-the-art facilities.

I encourage all our members, and the general public, to drop by and enjoy the experience of the facility. The opening was to have included fireworks for the children but alas, once again the Council would not approve the event going forward on the council fields adjoining the Club.

The annual Kids' Christmas Party was held in the Showroom last month, resuming what was an important date on the annual calendar.

This year, over 200 children and their parents thoroughly enjoyed the opportunity to catch up with other members of our community who are faced with the same or similar circumstances.

The event was cancelled in previous years due to the Covid pandemic that forced the postponement of many events.

The time has arrived to dust off the red suit and white beard, harness the reindeers, and don't forget Rudolph, start wrapping the presents, put up the Christmas tree and think about the meaning of Christmas.

When I was a young child, I would always think of Christmas as a time of presents delivered by Santa Claus, or whatever name was given to the bearer of gifts left under the tree on Christmas eve.

I would try to stay awake long enough to catch a glimpse but unfortunately, I never managed to achieve my goal. Maybe the children of today will succeed where I failed. I hope not because that would spoil the magic and mystery of Christmas.

At this special time of the year, I'm sure we hold in our thoughts and prayers the difficulties many families face. Cost of living expenses are going up and home loan repayments are increasing almost monthly to levels not seen for a long time.

This is hurting young families that are almost at breaking point trying to survive at this difficult time.

The older generation, especially those on Government support, are also affected by these abnormal cost increases in basic essentials like food, clothing and accommodation.

As Christmas approaches, it is hard to believe all the conflicts taking place throughout the world, especially in the Middle East and Europe. We see the graphic footage shown on our news coverage on a nightly basis.

How can any normal person not be affected by the human suffering taking place, especially on the faces of children and elderly that are affected the most and can do very little about the situation?

I am sure all our thoughts are with the civilians whose daily lives are severely impacted by the atrocities of war.

On behalf of the Board and Management I wish you and your family a very merry and holy Christmas and a safe and prosperous New Year. May all your wishes come true, if not, there is always next year.

Stay safe and look forward to catching up in the future. Merry Christmas.

Until next time

Brian Brown

COMEDY ON THE *Rocks*

BRING ALONG A BROAD SENSE OF HUMOUR, AND YOUR FRIENDS OF COURSE, FOR COMEDY ON THE ROCKS AT TWIN TOWNS' LUXE LITTLE WHISKEY BAR, STILL & BARREL.

MC at December's comedy night is Stuart Foreman, who began his career in the UK comedy scene.

This ex-Pat now calls Australia home, and his stories about relocating to the other side of the world will have you in hysterics.

Headliner is Desh, a 'seasoned and spiced' stand-up comic who's known for sharing his hilarious observations and left-field opinions with the audience.

His real name is Pradesh Ramiah, which gives away his Indian roots.

But Desh was born in South Africa and bred in Queensland, which has turned him into a true multicultural specimen of a comedian.

The laughs kick off at 7pm Qld, Thursday 21 December at Still & Barrel.

TASTES OF CHRISTMAS BY THE HARBOUR

Twin Towns Executive Chef David Organ has created two Christmas-style smoker BBQ platters to share with friends on the Harbour Terrace Balcony during December.

On Saturdays from 3pm Qld or Sunday lunch from 11am Qld (weather permitting), diners can choose from tender, juicy smoked ham with maple and mustard or delicious smoked turkey with sage, citrus and thyme.

Both Christmas platters are served with rosemary-roasted root vegetables, rocket summer salad, smoked corn,

pineapple salsa, sweet red pepper relish and seeded mustard.

Regular-size platters for two people are \$33 for members, \$35 visitors; large platters for four people are \$45 for members, \$50 visitors.

The favourite regular options from the smoker BBQ are also available during December - smoky beef brisket, Texan pork or crispy chicken, served with brioche buns, complementary sauces and condiments, corn cobs, root vegetables and slaw.

Top off your meal with a colourful cocktail or share a cocktail jug around the table. At just \$14 for members, jugs of beer are also a great option.
