LUCKY WILDTRAK WINNER

Shoulder to shoulder crowds packed into Juniors last month for the Ford Ranger Wildtrak draw, all hoping to claim the \$75,000 4WD.

For lucky member Jennine Reid, it became a day she'll remember forever.

Members could be present at any of the three Clubs for the draw and worried she wouldn't make it to Juniors in time, the Murwillumbah local went to Banora instead.

When the announcement was made, she immediately spoke to a staff member who confirmed she was the winner.

"I feel very blessed. It was a once-in-a-lifetime event and it just goes to show how random it is.

"Someone asked me how many tickets I had in the draw and I said two. They told me they had 30!"

Wildtrak winner Jennine Reid with Annie Collinson from Twin Towns

Jennine decided to visit Juniors because she wanted to see what everyone was talking about with the new Club.

"I just thought, I should go there.

"I bought a coffee and the person serving me said you should put this ticket in the barrel."

Jennine's second purchase gave her two entries.

"You put your ticket in the barrel but you don't think you're ever going to win," she laughed.

Congratulations Jennine from everyone at Twin Towns.

For those that missed out, don't despair. You'll be riding high when you hear about the next major giveaway coming soon.

See April Club News for details.

THANKS TO OUR ANZAC DAY KIDS

Twin Towns has planned a family get-together to say thank you to the army of local students and teachers who participate in the ANZAC Day March and Main Service. Parents and siblings that come along to support the kids are also invited.

Rather than jump in the car and head straight home after the Service, the teachers and families can head to Stars on Level 5 for refreshments - tea, coffee, soft drinks and food the kids will love.

The Tweed Heads & Coolangatta

RSL Sub-Branch is putting together a Memorabilia Display on Level 5, including artefacts from World Wars I and II, authentic uniforms, flags and webbing.

The event will commence after the conclusion of the Main Service at around 11.30am.

Families with children can access the Showroom via the Millennium Lift in the Wharf Street carpark on the ground level. Children must be accompanied by a parent or teacher at all times.

BOARD CHAIR'S REPORT

The last couple of months were almost a copy of the same time last year, with the storms, flooding and fires around the country.

Australia is certainly a country that has a rapidly changing weather system. I hope all those affected have come through without any personal injuries, and property damage was minimal in your area.

If someone you know has been affected, please assist them in seeking help from one of the many organisations providing aid.

The Christmas New Year period was very well patronised at all three Clubs, with staff doing an amazing job of looking after all our customers and making sure all their requirements were satisfied.

Thanks to all our managers and staff who were rostered to work over the holiday period. Your efforts did not go unnoticed.

One of Twin Towns Services Club's employees has left the Club and moved back to Sydney to further his career in his chosen vocation. I refer to our much-admired and respected Customer Care Ambassador, Marty Thompson.

Marty was always available at any time to have a chat and listen to your problems. A person easily recognisable around all three Clubs, he started up a number of activities that provided social interaction with members.

There was no problem too big or small that Marty would not try and assist in solving. We wish Marty and his family all the best for their future.

The time of year has arrived when our internal clubs hold their Annual General Meetings. Members will be able to nominate for positions on the management committees, ensuring their continued operation for the year ahead.

I would like to take this opportunity to thank all the committee members who are not standing for a position this year for their commitment and dedication to their respective club in the past year.

I look forward to attending as many of the AGMs as possible with my fellow Directors to catch up with all the internal club members.

The Club Banora Golf Club celebrates its 40th anniversary this year. On behalf of the Board of Directors and Management, I congratulate the Club on achieving this memorable milestone and wish them many more years of golf and friendship into the future.

If you are around the Island House, call in and wander through a display of memorabilia of years gone by and learn some of the history of the golf course in those early days.

The Juniors Club has settled down to a more usual number of patrons over the past couple of months. The initial opening saw the number of patrons attending the premises almost triple, which was great for the Club.

It was certainly difficult on occasions to satisfy the needs of all those in attendance, but we got through these initial issues and now have a venue that will last well into the future.

I am sure the locals would be pleased to see a return to more normal numbers moving forward.

Twin Towns has been selected to participate in the Governments statewide cashless gaming trial, which will take place over a specified period of time.

All information gathered will be provided to a gaming panel who will provide the Government with recommendations on ways to implement a gaming system that can be operated by either card or some other digital form of accessing gaming machines.

The trial will not directly impact on current play and will not be compulsory. All information gathered on any member participating will be totally confidential.

Until next time,
Brian Brown

MAKE SOME MAGIC MOMENTS

ClubsNSW recently launched a new, state-wide 'Your local club' advertising campaign, kicking off with ads on free-to-air TV channels across the state, online digital and social media.

The creative concept is built around 'Your local club - where we belong' and highlights the unique experiences that Clubs provide within their local communities.

The ads feature different renditions of Perry Como's much-loved hit Magic Moments.

If you've seen one, chances are you've experienced a charge of emotion; the sense of belonging and connection that so many people have with their local Club.

Whether it's your go-to destination for live entertainment, the place where you held a family wedding reception or birthday party, or simply the spot where you enjoy a meal each week or catch-up with friends, we hope your Club holds a special place in your heart.

UFC Bantamweight Champion Sean O'Malley's coach says 'Sugar' will show the world a different strength in his arsenal when he takes on Marlon Vera on Sunday 10 March at 1pm Qld.

The American professional Mixed Martial Artist returns to the ring in the main event at the Kaseya Centre, where he'll defend the 135-pound title for the first time.

Sugar (17-1, 1 NC), is unbeaten in six fights since the 2020 loss to 'Chito' Vera.

In his most recent fight, O'Malley became champion with a second round knockout of Aljamain Sterling in August.

Vera (23-8-1) has won five of his last six bouts. The most recent was a unanimous decision over Pedro Munhoz in December.

O'Malley is brimming with confidence and was recently quoted in the media as saying, "I'm going to smoke this dude!"

Be at the Tavern to watch the flames fly when Sugar and Chito lock horns in this highly anticipated grudge match.

Australian WBO super welterweight champ Tim Tszyu will headline against American star and two-time world champ Keith Thurman on a blockbuster card in Las Vegas on Sunday 31 March at around 2.30pm Qld, following the undercard fights from 11am Qld.

For Tszyu, this will be the biggest test of his undefeated career. In a recent interview with Fox Sports, he said he has been ready and waiting to headline a historic event like this in the US for a very long time.

"It's an honour that I don't take lightly.

"My father did it, and was at the top of the world for a decade, now it's my turn."

The Tszyu brothers never fail to draw a big, boisterous crowd at the Tavern so get amongst it and cheer on every punch.
